Hoffman, PhD, 2018-05-29 Nilah the closing of the gates is in many ways the most anticipated worship service in the entire Jewish calendar Coming at the end of the 24 hour fast that characterizes Yom Kippur The Day of Atonement it symbolizes the days of old when the gates of the ancient Temple closed at last and with them the last chance for prayers of atonement and reconciliation with God and with others Nowadays the synagogue service that replaced the Temple cult marks the occasion with heightened fervor the only time all year when the gates of the ark that houses the Torah scroll remain open throughout the service telltale melodies accompany the occasion a final blast of the shofar the ram s horn symbolizes the end of the fast and the new beginning that follows special prayers celebrate the human capacity to create a life that matters beyond our own mortality and the presence of God who reaches out a hand to invite us into the new Jewish year that Nilah s final shofar blast inaugurates All of this is the topic for volume eight in *Prayers of Awe* the series devoted to exploring the depth of the Jewish High Holy Days As with prior volumes this one too comes with introductory essays on the history theology and deeper meaning behind the prayer experience It then assembles some 40 short and accessible essays designed to unlock the mystery and depth of the occasion Authors come from all walks of life clergy and laypeople scholars and artists men and women across the generations and from seven countries Canada Australia Germany France Israel the UK and USA What music appreciation is to classical music this series on prayer is to Jewish worship This volume in particular explores Judaism s timeless message of divine purpose and the ongoing search for meaning in a world of human frailty but also promise [Learning to Speak God from Scratch](#) Jonathan Merritt, 2018-08-14 In a rapidly changing culture many of us struggle to talk about faith We can no longer assume our friends understand words such as grace or gospel Others like lost and sin have become so negative they are nearly conversation enders Jonathan Merritt knows this frustration well After moving from the Bible Belt to New York City he discovered that the sacred terms he used to describe his spiritual life didn t connect as they had in the past This launched him into an exploration of an increasing American reluctance to talk about faith and the data he uncovered revealed a quiet crisis of affecting millions In this groundbreaking book Jonathan revives ancient expressions through incisive cultural commentary vulnerable personal narratives and surprising biblical insights Both provocative and liberating *Learning to Speak God from Scratch* will breathe new life into your spiritual conversations and invite you into the embrace of the God who inhabits them **I Wonder** Elizabeth Caldwell, 2016-03-15 How can anyone completely answer the difficult questions that children ask Who created God Will there be another flood Is the Bible true But then we adults have questions too With so many options and Bible translations where can I go for help What is the best Bible for my child How do we talk about miracle stories healing stories and the creation stories What about violence When kids ask about the relevancy of the Bible for today what do we say How we read and interpret the Bible with children may mean the

difference between whether or not it will continue to be an important source for their faith development as they become young adults

Written by an expert in children's ministry *I Wonder* is a resource for adults who want to explore ways to help children read, engage, wrestle and grow into deeper understanding of the Bible. It is for those who come to the Bible with souls open to be fed and who want their children to seek faith and wisdom. It will also help readers address timeless questions and issues including recent biblical scholarship, literary analysis, reading the Bible from their social location and reading the Bible in a multi-faith world.

Encountering God Rabbi Lawrence A. Hoffman, PhD, 2016-07-26

It is time to recover rabbinic lessons of late antiquity. God is a God of grace and love; human beings can aspire to goodness and promise on Yom Kippur; the two of them meet; God's love energizes human potential and the world is reborn with hope restored. The God of Jewish tradition is far from the strict God of justice commonly understood to be the God of the Hebrew Bible. God's self-introduction to Moses atop Mount Sinai does indeed conclude with the image of punishment throughout the generations but begins with God merciful and gracious, the imagery that finds its way into rabbinic liturgy and lore as solely the God of grace and compassion, pardon and love. To arrive at this selective perception of biblical tradition, the Rabbis of the Talmud deliberately misread the biblical text and then fashioned a myth of God who dresses up as a leader of prayer and promises pardon if Israel will only repeat these merciful attributes as part of its prayer ritual on that day. Ever since the Thirteen Attributes as the list comes to be known becomes central to Jewish prayer accompanying the liturgy for holidays generally and framing the opening and closing services of the holiest day in the Jewish year, Yom Kippur, the Day of Judgment itself. In this seventh volume in the *Prayers of Awe* Series, contributors men and women rabbis and laypeople, scholars and artists from across the spectrum of Jewish life and representing the US, Israel, the UK, Germany, France, Canada and Australia chart the importance of these Thirteen Attributes of God. They explore the kind of God Jews meet in prayer and the consequent self-reflection about the human condition that Judaism recommends on the basis of its idealized image of God as above all merciful and gracious.

Mudhouse Sabbath Lauren F. Winner, 2015-08-01

Winner's original *Mudhouse Sabbath* has sold 45,000 copies, been translated into three languages and spawned a successful video study series. After her conversion from Orthodox Judaism to Christianity, Winner found that her life was indelibly marked by the rich traditions and spiritual practices of Judaism. She here presents eleven Jewish practices that can transform the way Christians view the world and God, including attentive eating, mourning, candle lighting and Sabbath keeping. Since first publishing the book, Lauren has earned her MDiv and PhD and become an Episcopal priest. Her thought has deepened and developed. This new Study Edition incorporates the complete original text plus primary texts from Jewish and Christian sources and new material on each of the eleven topics. The result is a powerful work for Christians wanting to explore in depth and understand the Jewish origins of Christianity. At a time when we are so aware of the differences between Judaism and Christianity, Lauren Winner's book on what we can learn from each other is so refreshingly welcome.

Rabbi Harold Kushner, author of *When Bad Things Happen to*

Good People *God's Echo* Sandy Eisenberg Sasso, 2007-06-01 The Rabbis of old believed that the Torah was divinely revealed and therefore contained eternal perfect truths and hidden meaning that required elucidation The meaning of a text was more complicated than simply reading it And meaning changed over time This understanding of how the Bible mystically relates to all of life is the fertile ground from which midrash emerged The rabbis believed that nothing in the Bible not the choice of words or their spellings not the order of events or the relationship of one text to another was haphazard or inconsequential Everything was there with purpose They deemed it their responsibility to discover connections and harmony where on the surface none appeared to exist A text may contain multiple meanings Time is of no consequence They felt free to read back into old stories what happened in future eras and to see in the early stories of Genesis a foreshadowing of future events In this engaging book Rabbi Sasso explores how midrash originated how it is still used today and offers new translations and interpretations of more than twenty essential midrash texts [A God We Can Believe In](#) Richard Agler, Rifat Sonsino, 2022-04-22 Do you believe in God So many people answer this question in the negative because the God they have been taught to believe in is simply not all that believable In the twenty first century a Deity who intervenes in history supernaturally responds to prayers favors and protects his faithful and chosen and executes righteous judgment engenders doubt and disbelief in thinking people of all faiths as well as those of no practicing faith *A God We Can Believe In* is a response to this moment Herein you will find contributions from leading rabbis and scholars that articulate paths to heart mind and soul with God teachings that are spiritually compelling and intellectually sound Our authors present God in ways that are consistent with the facts that higher learning has established the principles of reason and our shared life experiences In these pages you will find a God that cannot be brushed aside by educated moderns a God that does not violate the realities of logic or natural law a God presented in accessible language a God that can be lived with and lived for It is a book for thoughtful individuals everywhere [All the World](#) Rabbi Lawrence A. Hoffman, PhD, 2014-08-22 Why be Jewish A fascinating dialogue across denominations of the High Holy Days and their message of Jewish purpose beyond mere survival Almost forty contributors from three continents men and women scholars and poets rabbis and theologians representing all Jewish denominations and perspectives examine the tension between Israel as a particular People called by God and that very calling as intended for a universalist end furthering God's vision for all the world not just for Jews alone This balance of views arises naturally out of the prayers in the High Holy Day liturgy coupled with insights from philosophy literature theology and ethics This fifth volume in the Prayers of Awe series provides the relevant traditional prayers in the original Hebrew alongside a new and annotated translation It explores the question Why be Jewish in a time when universalist commitment to our planet and its people has only grown in importance even as particularist questions of Jewish continuity have become ever more urgent
