Mathilde Vialard, 2024-02-26 Drawing on the recent academic interest in approaching health and wellbeing from a humanities perspective Sensation Novels and Domestic Minds investigates how the Victorians dealt with questions of mental health by examining literary works in the genre of sensation fiction The novels of Mary Elizabeth Braddon and Wilkie Collins two prominent writers of the genre often portray characters suffering from mental illnesses commonly diagnosed at the time among which are monomania moral insanity melancholia and hypochondria By studying the fictional works of Braddon and Collins alongside medical texts from the nineteenth century it sets out to investigate how these novels fictionally represented real mental sufferings This book considers the different mental illnesses the characters of sensation novels develop inside and outside the home as they struggle to define their own identity against Victorian social expectations It demonstrates how these novels fictionalised the crisis of the leisured upper classes who spent most of their time at home and found themselves at odds with a society that increasingly separated the domestic and working environments while also considering the impact

that a lack of a sense of domestic belonging could have on their mental health Sensation Novels and Domestic Minds further analyses the extent to which domesticity in its excess or lack could afflict the mental health of Victorian men and women through the fictional representation of suicidal thoughts and acts in the novels of Braddon and Collins Transatlantic Sensations John Cyril Barton, Kristin N. Huston, a Preface by David S. Reynolds, 2016-02-24 Bringing together sensation writing and transatlantic studies this collection makes a convincing case for the symbiotic relationship between literary works on both sides of the Atlantic Transatlantic Sensations begins with the prehistories of the genre looking at the dialogue and debate generated by the publication of sentimental and gothic fiction by William Godwin Susanna Rowson and Charles Brockden Brown Thus establishing a context for the treatment of works by Louisa May Alcott Mary Elizabeth Braddon Dion Boucicault Wilkie Collins Charles Dickens George Lippard Charles Reade Harriet Beecher Stowe and George Thompson the volume takes up a wide range of sensational topics including sexuality slavery criminal punishment literary piracy mesmerism and the metaphors of foreign literary invasion and diseased reading Concluding essays offer a reassessment of the realist and domestic fiction of George Eliot Charlotte Yonge and Thomas Hardy in the context of transatlantic sensationalism emphasizing the evolution of the genre throughout the century and mapping a new transatlantic lineage for this immensely popular literary form The book's final essay examines an international kidnapping case that was a journalistic sensation at the turn of the twentieth century

**Women and the Victorian Occult** Tatiana Kontou, 2013-10-31 Increasingly contemporary scholarship reveals the strong connection between Victorian women and the world of the nineteenth century supernatural Women were intrinsically bound to the occult and the esoteric from mediums who materialised spirits to the epiphanic experiences of the New Woman from theosophy to telepathy This volume addresses the various ways in which Victorian women expressed themselves and were constructed by the occult through a broad range of texts By examining the roles of women as automatic writing mediums spiritualists authors editors theosophists socialists and how they interpreted the occult in their life and work the contributors in this edition return to sensation novels ghost stories autobiographies sciences and fashionable magazines to access the visible and invisible worlds of Victorian life The variety of texts analysed by the authors in this collection demonstrates the many interpretations of the occult in nineteenth century culture and the ways that women used supernatural imagery and language to draw attention to issues that bore immediate implications on their own lives Either by catering for the fad of ghost stories or by giving public trance speeches women harnessed the metaphorical and financial forces of the supernatural As the articles in this book demonstrate the occult was after all a female affair This book was published as a special issue of Women's Writing

*The Victorian Approach to Modernism in the Fiction of Dorothy L. Sayers* Aoife Leahy, 2009-05-27 Dorothy L. Sayers wrote bestselling detective novels and short stories in the 1920s and 1930s Working within a popular medium Sayers promotes nineteenth century and modernist literature with skills learnt during a period of employment in an advertising agency In much of her fiction she recommends her choice of

good books by name She also suggests that taking Victorian literature as a foundation can bring her reader to a better understanding of literary modernism With a didactic intent Sayers shows how Lewis Carroll s Alice can help us to eventually read Virginia Woolf for instance Her approach to educating her readers is always through entertainment Sayers worked briefly as a teacher before taking up copywriting and retained important insights on how to improve the learning experience for any reader Sayers admiration for the Victorian sensation author Wilkie Collins is widely recognised This book examines Sayers attention to equally important Victorian influences from John Ruskin and George Eliot to Oscar Wilde particularly in relation to the topic of education She often questions the boundaries between popular and serious literature Sayers personal views on the connections between mid Victorian late Victorian and high modernist authors are also considered

Sensational Deviance Heidi Logan,2018-07-06 Sensational Deviance Disability in Nineteenth Century Sensation Fiction investigates the representation of disability in fictional works by the leading Victorian sensation novelists Wilkie Collins and Mary Elizabeth Braddon exploring how disability acts as a major element in the shaping of the sensation novel genre and how various sensation novels respond to traditional viewpoints of disability and to new developments in physiological and psychiatric knowledge The depictions of disabled characters in sensation fiction frequently deviate strongly from typical depictions of disability in mainstream Victorian literature undermining its stigmatized positioning as tragic deficit severe limitation or pathology Close readings of nine individual novels situate their investigations of physical sensory and cognitive disabilities against the period s disability discourses and interest in senses perception stimuli the nervous system and the hereditability of impairments The importance of moral insanity and degeneration theory within sensation fiction connect the genre with criminal anthropology suggesting the genre s further significance in the light of the later emergence of eugenics psychoanalysis and genetics

**The Nineteenth-Century Novel: Identities** Dennis Walder,2013-05-13 The Nineteenth Century Novel Identities provides an ideal starting point for understanding gender in the novels of this period It explores the place of fiction in constructing gender identity within society at large considering Madame Bovary Portrait of a Lady and The Woman in White The book continues with a consideration of the novel at the fin de siecle examining Dracula The Awakening and Heart of Darkness These fascinating essays illuminate the ways in which the conventions of realism were disrupted as much by anxieties surrounding colonialism decadence degeneration and the New Woman as by those new ideas about human psychology which heralded the advent of psychoanalysis The concepts which are crucial to the understanding of the literature and society of the nineteenth century are brilliantly explained and discussed in this essential volume

*The Nineteenth-century Novel* Dennis Walder,2001 The essays in this collection show how the conventions of realism were transformed by new ideas about gender and race

**The Legacy: A Memoir** Jean Barr,2022-11-28 Jean Barr opens the antique chest she inherited from her great great uncle Alexander and unravels the strands of his life as an evangelical Presbyterian minister in late nineteenth century Italy unpacking the cover ups in Britain s history of Empire

On Christian

Teaching Saint Augustine (Bishop of Hippo.),1999 B There are certain rules for interpreting the scriptures which as I am well aware can usefully be passed on to those with an appetite for such study On Christian Teaching is one of Augustine s most important works on the classical tradition Written to enable Christian students to be their own interpreters of the Bible it provides an outline of Christian theology a detailed discussion of ethical problems and a fascinating early contribution to sign theory Augustine also makes a systematic attempt to determine what elements of classical education are permissible for a Christian and in the last book suggests ways in which Ciceronian rhetorical principles may help in communicating the faith This long needed completely new and up to date translation gives a close but stylish representation of Augustine s thought and expression References to the classical background are carefully explained and Roger Green s introduction describes the aims and circumstances of the work and outlines its influence on major figures in the Middle Ages and the Renaissance

*The Routledge Research Companion to Anthony Trollope* Deborah Denenholz Morse, Margaret Markwick, Mark W. Turner, 2016-09-01 Bringing together leading and newly emerging scholars *The Routledge Research Companion to Anthony Trollope* offers a comprehensive overview of Trollope scholarship and suggests new directions in Trollope studies The first volume designed especially for advanced graduate students and scholars the collection features essays on virtually every topic relevant to Trollope research including the law gender politics evolution race anti-Semitism biography philosophy illustration aging sport emigration and the global and regional worlds

**The Blackwell Companion to the Bible in English Literature** Rebecca Lemon, Emma Mason, Jonathan Roberts, Christopher Rowland, 2012-02-28 This Companion explores the Bible s role and influence on individual writers whilst tracing the key developments of Biblical themes and literary theory through the ages An ambitious overview of the Bible s impact on English literature as arguably the most powerful work of literature in history from the medieval period through to the twentieth century Includes introductory sections to each period giving background information about the Bible as a source text in English literature and placing writers in their historical context Draws on examples from medieval early modern eighteenth century and Romantic Victorian and Modernist literature Includes many secular or anti-clerical writers alongside their Christian contemporaries revealing how the Bible s text shifts and changes in the writing of each author who reads and studies it

Women, Crime, and Character Nicola Lacey, 2008-07-31 This book draws on law literature philosophy and social history to explore fundamental changes in ideas of selfhood gender and social order in 18th and 19th Century England Lacey argues that these changes underpinned a radical shift in mechanisms of responsibility attribution with decisive implications for the criminalisation of women

The Admirable Crichton James Matthew Barrie, 1999 In addition to the ever popular Peter Pan J M Barrie also wrote social comedy and political satire *The Admirable Crichton* and *What Every Woman Knows* are shrewd contributions to the politics of class and gender while *Mary Rose* is one of the best ghost stories written for the stage

**The Elementary Forms of Religious Life** Émile Durkheim, 2001 Karen Fields has given us a splendid new translation of the greatest work of

sociology ever written one we will not be embarrassed to assign to our students In addition she has written a brilliant and profound introduction The publication of this translation is an occasion for general celebration for a veritable collective effervescence Robert N Bellah Co author of Habits of the Heart and editor of Emile Durkheim on Morality and Society This superb new translation finally allows non French speaking American readers fully to appreciate Durkheim s genius It is a labor of love for which all scholars must be grateful Lewis A Coser     The Golden Pot and Other Tales E. T. A.

Hoffmann, 2008-09-11 Hoffmann is among the greatest and most popular of the German Romantics This selection while stressing the variety of his work puts in the foreground those tales in which the real and the supernatural are brought into contact and conflict The humour of these tales is a result of the incongruity of supernatural beings at large in an ostentatiously everyday world They include The Golden Pot recognized as Hoffmann s masterpiece by himself and posterity its spine chilling companion tale The Sandman which Offenbach drew on for his opera Tales of Hoffmann and which Freud examines in his essay The Uncanny two longer and more elaborate fantasies set respectively in Germany and Italy and the late story My Cousin s Corner Window which shows the powers of the imagination being applied to everyday urban life and marks a transition in European literature generally from Romanticism to Realism Ritchie Robertson s detailed introduction places the stories in their intellectual and historical context and explores their compelling narrative complexities ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more     **Le Morte Darthur** Sir Thomas Malory, 1998 The definitive English version of the stories of King Arthur Le Morte Darthur was completed in 1469 70 by Sir Thomas Malory knight prisoner In a resonant prose style Malory charts the tragic disintegration of the fellowship of the Round Table destroyed from within by warring factions Recounting the life of King Arthur the knightly exploits of Sir Lancelot du Lake Sir Tristram Sir Gawain and the quest for the Holy Grail Le Morte Darthur depicts the contradictions that underscore the Fellowship s chivalric ideals A pervading tension cumulates in the revelation of Lancelot and Guenivere s illicit passion and in Arthur s powerlessness to prevent a related outbreak of violence and revenge This generously annotated edition is based on the authoritative Winchester manuscript and represents what Malory wrote more closely than the first version printed by William Caxton Intelligently abridged from the original to make a single substantial volume the translation is supplemented by a fine Introduction a Glossary and extensive Notes     **Violent Women and Sensation Fiction** A. Mangham, 2015-12-11 This book explores ideas of violent femininity across generic and disciplinary boundaries during the nineteenth century It aims to highlight how medical legal and literary narratives shared notions of the volatile nature of women Mangham traces intersections between notorious legal trials theories of female insanity and sensation novels     *Too Much* Rachel Vorona

Cote, 2020-02-25 Lacing cultural criticism Victorian literature and storytelling together TOO MUCH spills over with intellect with sparkling prose and with the brainy arguments of Vorona Cote who posits that women are all in some way or another still susceptible to being called too much Esm Weijun Wang A weeping woman is a monster So too is a fat woman a horny woman a woman shrieking with laughter Women who are one or more of these things have heard or perhaps simply intuited that we are repugnantly excessive that we have taken illicit liberties to feel or fuck or eat with abandon After bellowing like a barn animal in orgasm hoovering a plate of mashed potatoes or spraying out spit in the heat of expostulation we've flinched ugh that was so gross I am so gross On rare occasions we might revel in our excess belting out anthems with our friends over karaoke perhaps but in the company of less sympathetic souls our uncertainty always returns A woman who is Too Much is a woman who reacts to the world with ardent intensity is a woman familiar to lashes of shame and disapproval from within as well as without Written in the tradition of Shri! Dead Girls Sex Object and other frank books about the female gaze TOO MUCH encourages women to reconsider the beauty of their excesses emotional physical and spiritual Rachel Vorona Cote braids cultural criticism theory and storytelling together in her exploration of how culture grinds away our bodies souls and sexualities forcing us into smaller lives than we desire An erstwhile Victorian scholar she sees many parallels between that era's fixation on women's hysterical behavior and our modern policing of the same in the space of her writing you're as likely to encounter Jane Eyre and Lizzie Bennet as you are Britney Spears and Lana Del Rey This book will tell the story of how women from then and now have learned to draw power from their reservoirs of feeling all that makes us Too Much
