Pagans In The Promised Land Pagans In The Promised Land:

Pagans in the Promised Land Steven Newcomb, 2008-01-01 *Pagans in the Promised Land* provides a unique well researched challenge to U S federal Indian law and policy It attacks the presumption that American Indian nations are legitimately subject to the plenary power of the United States [Pagans in the Promised Land](#) Steven T. Newcomb, 2008 An analysis of how religious bias shaped U S federal Indian law [Pagans in the Promised Land](#) Steven T. Newcomb, 2010-05-07 *Pagans in the Promised Land* provides a unique well researched challenge to U S federal Indian law and policy It attacks the presumption that American Indian nations are legitimately subject to the plenary power of the United States Steve Newcomb puts forth a startling theory that U S federal Indian law and policy are premised on Old Testament narratives of the chosen people and the promised land as exemplified in the 1823 Supreme Court ruling *Johnson v McIntosh* that the first Christian people to discover lands inhabited by natives who were heathens have an ultimate title to and dominion over these lands and peoples This important addition to legal scholarship asserts there is no separation of church and state in the United States so long as U S federal Indian law and policy are premised on the ancient religious distinctions between Christians and heathens *Faith Lessons on the Promised Land* Ray Vander Laan, 1999 Filmed on location in Israel by Focus on the Family Films *Faith Lessons* is a unique video series that brings God's Word to life with astounding relevance By weaving together the Bible's fascinating historical cultural religious and geographical contexts teacher and historian Ray Vander Laan reveals keen insights into Scripture's significance for modern believers These illuminating faith lessons afford a new understanding of the Bible that will ground your convictions and transform your life The completely new *Faith Lessons* curriculum takes your small group on a round trip to ancient times places and customs and back again This lively interactive journey is more than fascinating it's faith inspiring and life changing Your job as a group leader is simplified with this all new Leader's Guide fresh clear and easy to follow designed to minimize your preparation time and minimize your effectiveness Nothing is left for you to guess at This volume contains all the material in the Participant's Guide including maps photos sidebars and other study aids plus instructions and tips that will take you step by step through each faith lesson The carefully organized format makes it easy to conduct the following invigorating discussion filled sessions Standing at the Crossroads Wet Feet First Fruits Confronting Evil Iron Culture **Cosmic Commons** John Hart, 2013-11-14 *Cosmic Commons* explores terrestrial extraterrestrial intelligent life Contact It uses a thought experiment to consider the ecological economic ethical ecclesial impacts of Contact analyzing incidents around the world described by credible witnesses two of whom are interviewed for the book including Roswell and the Hudson River Valley It discusses government and academic efforts to use ridicule and coercion to suppress Contact investigations supports a scientific method to research ETI reports in a field that should excite scientists and calls on academics to publicly disclose their Contact experiences It traces Earth ecological and economic injustices to the European Enlightenment and the

Discovery Doctrine by which European nations rationalized invasion of distant continents genocide and seizure of the territories and natural goods of native peoples It advocates a change in humans Earth conduct to avoid replicating in space the policies and practices that wrought economic injustice and ecological devastation on Earth provides an innovative cosmosociological praxis ethics theory and practice toward that end and develops a Cosmic Charter based on UN documents to guide humankind in space and in ETI encounters Permeated by a profound sense of the sacred Cosmic Commons explores a positive relationship between religion and science as humankind ventures into space

In Sheep's Clothing George Yancy, Bill Bywater, 2023-11-20 From Megyn Kelly's claim that Jesus is white to former President Trump's claim that he is the chosen one or the King of Israel there is serious trouble in paradise Contemporary manifestations of white Christian nationalism are deeply entangled in political issues from women's political rights over their own bodies to the rejection of Critical Race Theory CRT Carrying Christian signs and crosses protestors at the Capitol insurrection on January 6th were not only fighting with a sense of white nationalist duty but fighting with a religious zeal making this a pressing moment in the current time to which this volume speaks This edited collection invites scholars share frustration anger interrogation and conceptual clarity with readers regarding this toxic form of Christianity that fights not in the name of love but in the name of political domination and out of deep fear and hatred Attention is also brought to Christianity's counter voice one predicated upon love and its effectiveness to resist not just deep political pro white forces at work but also its capacity to focus emphasis upon Christian love The text is designed to speak to the contemporary moment with respect to the explicit and implicit ways in which white nationalism and white Christianity continue to be entangled and reinforce one another Contributors are asked to articulate what is behind this racially politically ideologically psychically charged whiteness of Christianity in the US and to articulate what is beyond the whiteness of Christianity for both Christians and non Christians alike concerned with the rise of white Christian nationalism

Living in God's Two Kingdoms David VanDrunen, 2010-10-06 Modern movements such as neo Calvinism the New Perspective on Paul and the emerging church have popularized a view of Christianity and culture that calls for the redemption of earthly society and institutions Many Christians have reflexively embraced this view enticed by the socially active and engaged faith it produces *Living in God's Two Kingdoms* illustrates how a two kingdoms model of Christianity and culture affirms much of what is compelling in these transformationist movements while remaining faithful to the whole counsel of Scripture By focusing on God's response to each kingdom his preservation of the civil society and his redemption of the spiritual kingdom VanDrunen teaches readers how to live faithfully in each sphere Highlighting vital biblical distinctions between honorable and holy tasks VanDrunen's analysis will challenge Christians to be actively and critically engaged in the culture around them while retaining their identities as sojourners and exiles in this world

Gestures of Grace Joshua Lee Harris, Hector A. Acero Ferrer, 2023-12-13 *Gestures of Grace* is a celebration of the life and career of Robert Sweetman H Evan Runner Chair in the History of Philosophy at the Institute for Christian Studies 2001

present These essays written by students and colleagues testify to the remarkable breadth and depth of Sweetman's research and teaching from his early scholarly career at the Pontifical Institute of Medieval Studies to his time at ICS Throughout the volume there is extensive engagement with Sweetman's influential historical scholarship on topics such as the emergence and development of the Dominican order in the twelfth and thirteenth centuries medieval women authors Thomas Aquinas and Duns Scotus and indeed on Sweetman's own systematic contribution to the nature and promise of Christian scholarship today

Feminist Praxis against U.S. Militarism Wonhee Anne Joh, Nami Kim, 2019-12-04 Feminist Praxis against U S Militarism provides critical feminist and womanist analyses of U S militarism that challenge the ongoing U S neoliberal military industrial complex and its multivalent violence that destroys people's lives especially women and other vulnerable populations It highlights the intentional critique of U S militarism from feminist womanist perspectives that seek to show the ways in which gender race ethnicity sexuality and violence intersect to threaten women's lives especially women of color's lives and the broader environment upon which women's lives are dependent Most of all this volume challenges the readers to understand the U S as the warfare counterterror carceral state and its devastating effects on the everyday lives of women especially women of color locally nationally and globally This volume also helps readers understand the racialized gendered impacts of U S militarism in conjunction with the ongoing global economies of dispossession and militarized violence across the borders of nation states Interrogating U S military interventions in other countries can show how the U S War on Terror directly affects U S domestic affairs and daily lives in the United States

The Modoc War Robert Aquinas McNally, 2017-11-01 On a cold rainy dawn in late November 1872 Lieutenant Frazier Boutelle and a Modoc Indian nicknamed Scarface Charley leveled firearms at each other Their duel triggered a war that capped a decades long genocidal attack that was emblematic of the United States conquest of Native

America's peoples and lands Robert Aquinas McNally tells the wrenching story of the Modoc War of 1872-73 one of the nation's costliest campaigns against North American Indigenous peoples in which the army placed nearly one thousand soldiers in the field against some fifty-five Modoc fighters Although little known today the Modoc War dominated national headlines for an entire year Fought in south central Oregon and northeastern California the war settled into a siege in the desolate Lava Beds and climaxed the decades-long effort to dispossess and destroy the Modocs The war did not end with the last shot fired however For the first and only time in U.S. history Native fighters were tried and hanged for war crimes The surviving Modocs were packed into cattle cars and shipped from Fort Klamath to the corrupt disease-ridden Quapaw reservation in Oklahoma where they found peace even more lethal than war The Modoc War tells the forgotten story of a violent and bloody Gilded Age campaign at a time when the federal government boasted officially of a peace policy toward Indigenous nations This compelling history illuminates a dark corner in our country's past

He's My Inspiration Sharlena Denise, 2016-02-25 The book is about that relationship and spiritual connection which has led her through many dark days and tough times in her life It includes personal deliverance messages in the Word and praise reports revealing the trials and breakthroughs of a believer's faith Whether you are a new comer into the body of Christ struggling with understanding the bible been in the Word for years or going through tough times and you need direction or guidance this book has something in it for you This book is to encourage and uplift our members in Christ as the author lays everything on the table for the world to see that there is no shame in Christ Jesus died for all of our sins This book is about humbling ourselves so that God can be glorified and others can be encouraged

Cremation, Embalment, or Neither? Alvin J. Schmidt, 2015-03-27 This book documents today's rising rates of cremation in the West and notes that these rates now include many deceased Christians a stark contrast to Christians in the past who had consistently rejected cremation from their earliest years in pagan Rome to the mid 1960s Christians opposed and spurned cremation for a number of reasons discussed in this book By mid fourth century Christianity's rejection of cremation influenced pagan Rome to abandon cremation Earth burial became the only acceptable way to dispose of deceased humans resulting in a major cultural change in the West Converts to Christianity had to promise they would never be cremated Graveyards were named coemeteria Latin for where dead people sleep from which we get the word cemetery a name now contradicted by cremation This book is a clarion call to Christians Dr Schmidt has amassed historical biblical theological and practical evidences that the modern Christian church will only refuse to hear to its great loss both now and at the judgment Seat of Christ where we each shall receive what is due to for things done while in might we add to the body 2 Corinthians 5:10 Craig A Parton M.A. J.D. United States Director International Academy of Apologetics Santa Barbara California This powerful apologetic clearly establishes that cremation fails to find endorsement in the inspired Holy Scriptures Dr Schmidt's research will prove invaluable for those who might query the need for burial rather than cremation Hopefully this book will have a wide influence on Christian thought and practice Donald Howard Pastor

Emeritus Anglican Church Diocese of Sydney NSW Australia Author of Burial or Cremation Does It Matter I heartily recommend Dr Schmidts excellent book Cremation Embalmment or Neither A Biblical Christian Evaluation to clergy and faithful laypeople alike concerned with the increasing rates of cremation among Christians This will be in keeping with the Apostle Pauls admonition Do not conform any longer to the pattern of the world Romans 12 2 Archpriest Victor S Potapov Rector Russian Orthodox Cathedral of St John the Baptist Washington DC This book provides an excellent opportunity for Christians to engage in deep theological thought regarding end of life decisions Dr Schmidt has thoroughly documented the historical roots for Christian burial A must read for all Christians Beth Hoeltke Ph D Librarian Concordia Seminary St Louis MO

The Great Evil Chris Mato Nunpa,2020-10-01 In this account of the history between Indigenous Peoples and the United States government readers will learn the role of the bible played in the perpetration of genocide massive land theft and the religious suppression and criminalization of Native ceremonies and spirituality Chris Mato Nunpa a Dakota man discusses this dishonorable and darker side of American history that is rarely studied if at all Out of a number of rationales used to justify the killing of Native Peoples and theft their lands the author will discuss a biblical rationale including the chosen people idea the promised land notion and the genocidal commands of the Old Testament God Mato Nunpa s experience with fundamentalist and evangelical missionaries when he was growing up his studies in Indigenous Nations history at the University of Minnesota and his affiliation with the International Association of Genocide Scholars IAGS were three important factors in his motivation for writing this book

Postcolonial Voices from Downunder Jione Havea,2017-06-09 How do indigenous matters inform irritate and advance postcolonial theologies and postcolonial biblical criticisms What options emerge from confronting readings of religious customary scriptural political and cultural texts traditions leanings bodies and anxieties These two questions epitomize the concerns that the contributors address in this collection The postcolonial voices that come together between the covers of this book show that indigenous subjects and heritages do matter in the theological and hermeneutical business for we all have something to learn from First Peoples and that theologians and biblical critics have much to gain from and offer to confronting and troubling traditional views and fears Together in this book the postcolonial voices from Downunder geographically Oceania Pasifika ideologically marginalized minoritized confront political and religious bodies including Christian churches on account of their participation in and justification of the occupation and poaching of native lands wisdom wealth and titles This book is for First Peoples and Second Peoples whether they are down under or up yonder who are curious about possible advents of postcolonial theologies and postcolonial biblical criticisms in the future

Satan Exposed William P. Payne,2019-07-16 Spiritual warfare is not a church fad Rather it is the rediscovery of biblical Christianity Furthermore one will not grasp what the Bible teaches until one comprehends what it affirms about spiritual warfare In truth spiritual warfare permeates the entire Bible When one learns to read the Scriptures through the lens of spiritual warfare one will discern the mission of God understand the

kingdom of God and be able to participate in the work of God As a professional theologian seminary professor and spiritual warfare practitioner Bill Payne believes that the church will not make disciples of all nations Matthew 28 18-20 until it operationalizes what the Bible teaches about spiritual warfare As it orients the reader to the spiritual warfare mandate Satan Exposed tackles the difficult passages of Scripture In short this book will change how you read the Bible how you understand reality and how you do ministry

A Brief History of Forestry in Europe Bernhard Eduard Fernow, 1907

THE EVOLUTION OF THE GOD ILLUSION Ir. Jim K K Wong, 2012-06-16 As one may have read Cicero in The Nature Of The Gods ancient people were vivid observers of the sky and the celestial bodies because of their livelihood they were mostly engaged in agriculture and animal husbandry The cycles of nature and seasons were the most important factors affecting farming civilizations The brilliant stars Jupiter Saturn Venus and the zodiac were also objects of great interest These heavenly bodies were regarded as deities even by learned philosophers Cicero and Socrates had a field day demolishing these strongly held prevailing ideas One popular god illusion of the West and Middle East began with patriarch Abraham who was an astronomer from Mesopotamia He studied Jupiter avidly and could predict its behavior which he used it to his advantage in his migration to the Fertile Crescent and in his encounters with hostile inhabitants Abraham had the delusion that Jupiter Yahweh was a deity who could be depended to assist him in troubled times The Yahweh Delusion was passed down from Abraham to son Isaac and grandson Jacob Jacob's 12 sons migrated to Egypt multiplied and eventually became slaves Moses a pariah Egyptian prince became the rebel leader of the Hebrew slaves when he discovered his roots At the opportune moment c 1450 BCE Venus erupted from unstable fast spinning Red Giant Jupiter and shot into the inner solar system like a billiard ball along a highly elliptical orbit It had several close encounters with Earth Moon and Mars and created stunning phenomena or miracles such as the much exaggerated Ten Plagues parting of the Red Sea the rain of manna apparent stopping of the Earth's rotation and even the destruction of the mighty army of Sennacherib near Jerusalem Moses and his successors apparently knew and could predict more or less unusual celestial phenomena and attributed them to a tribal deity Yahweh who was connected with their deliverance and survival Every successful prediction or expectation resulted in augmenting the god illusion The god illusion evolved through stupendous sagas cross fertilized by neighbors and reformers roughly from 1500 BCE to 500 BCE However the Hebrews had a confused idea of this savior deity and its feminine aspects such as the Celestial Cow giving manna milk In the evolutionary process Yahwist patriarchs literally wrote off the influential Goddess and made Yahweh a lone male god of Judaism and Christianity The underlying motive developing this god illusion is Moses and Israel's covetousness of the fertile Holy Land Moses needed a justification to commit genocide to rob loot destroy and drive out people inhabiting the land of milk and honey The justification is a tribal god of Israelites who gives mandate to his chosen race to rob and steal the Promise Land from evil worshippers of false gods The underlying theory for this god illusion evolution hypothesis is based on Immanuel Velikovsky's bestseller of the 1950s Worlds in Collision This

hypothesis met fierce opposition in academia and Establishment Science The AAAS Symposium 1974 was convened to address the serious challenge Here the author produces abstracts from various experts in various disciplines of sciences and arts to counter objections to the underlying theory The god illusion presented here is my own interpretation of the psychological impacts and aspects of these astounding celestial phenomena I am using appropriate knowledge in several disciplines to support my thesis such as radiation chemistry upper atmosphere chemistry and behavioral science My training as a stock analyst to read the underlying environment enables me to read in between the lines to speculate and connect the gaps and dots together and present a satisfying version of the god illusion
