Pageant Interviewing Success Being In The Win Zone:

My Awe-Inspiring Journey Terrie Lipsius, 2011-12-29 This is the story of one woman's amazing journey through life so far. Author Terrie Lipsius was born in Aloguinsan, Philippines, a small town in the Cebu Province. Her father was a policeman and her mother was a primary school teacher. Her high school years were happy and unforgettable, filled with special friendships. After taking a break from school for a number of years, Terrie continued her education at the university level. She proudly received her diploma for a bachelor of science in education degree, majoring in home economics. After marrying John, an Australian, she immigrated with him to Australia, where her life changed dramatically. She went from being a shy girl to being a daring but satisfied woman. After only a few months and with some fear and uncertainty, Terrie started teaching at the local high school. Once she began teaching, her feelings of apprehension were quickly forgotten. After she completed her teaching contract, she and her husband decided it was time for to start a family. They were soon blessed with a healthy boy. As Terrie recalls her journey to the present and looks forward to the future, she is thankful for all the blessings she has received and wants to share that gratitude with you. *Embracing Envy* Josh Gressel, 2014-10-08 Envy is a universal emotion, yet people are very reluctant to confess their envy of another. In *Embracing Envy*, Josh Gressel suggests it is our shame at admitting we feel inferior to another person that keeps envy so hidden. Through interviews with everyday people, reviews of mainstream psychological research, and lessons from wisdom literature, this book delves into how envy can be seen as meaningful and useful in our daily lives. **Western Women's Lives** Sandra Schackel, 2003 An anthology of essays about 20th century women living in the western U.S., showing that the image of the pioneer woman has been replaced not with another dominant one, but with many. **Los Angeles Magazine**, 2003-11 Los Angeles magazine is a regional magazine of national stature. Some were well known and others were not, but they all have fascinating stories to tell and they talk candidly about their careers and the many difficulties that went along with their jobs. Back then, conditions were often severe, locations were often harsh, and pay was often minimal. The actresses were sometimes the only females on location, and they had to provide their own wardrobe and do their own make-up, as well as discourage the advances of over affectionate co-stars. Despite these difficulties, most of the women interviewed for this agree that they had fun. Claudia Barrett
