Buckler, Justin Weir, 2025 The Oxford Handbook of the Russian Novel brings together top specialists in Russian literature to treat the Russian novel from the late 18th to the 21st century using a range of interpretive perspectives The Russian novel is a distinctive tradition by virtue of its formal eccentricities as well as the boldness with which these works approached the most complex philosophical political and moral questions This Handbook treats well known works and authors but also explores the much broader tradition of the Russian novel up to the present The essays in the Handbook provide cultural and historical perspectives on the Russian novel as well as showcasing emergent modes of analysis including postcolonialism ecocriticism and posthumanism *Russian-Arab Worlds* Eileen M. Kane, Masha Kirasirova, Margaret Litvin, 2023 When the Cold War ended the long history of Russian and then Soviet engagement with Arab countries was largely forgotten so the dominant role of Vladimir Putin's Russia in the region appeared to come out of nowhere The thirty four expertly introduced primary sources in this book recover a complex history of Russian Arab ties and illuminate some of its most fascinating aspects

[The Unsung Hero of the Russian Avant-Garde: The Life and Times of Nikolay Punin](#) Natalia Murray, 2012-06-27 This book is the first biography of Nikolay Punin 1888 1953 One of the most prominent art critics of the avant garde in 1919 Punin was the Commissar of the Hermitage and Russian Museums he was lecturing at the Academy of Arts and at the State University in Petrograd and subsequently Leningrad He was the right hand of Lunacharsky and the head of the Petrograd branch of the Visual Arts Department of Narkompross From 1913 till 1938 Punin worked at the Russian Museum and organized several major exhibitions of Russian art Yet his name is not widely known in the West primarily because his file languished in the KGB archives since he died in 1953 partly because his grave in the Gulag where he died is marked only by a number and partly because his own reputation became submerged under that of his lover poet and writer Anna Akhmatova Through the life and inheritance of Nikolay Punin this book will examine the very phenomenon of the Russian avant garde and its fate after the October Revolution as well as the artistic trends and cultural policies which dominated Soviet art in the 1930 1950s For an interview with the author on The Voice of Russia July 19th 2012 [click here](#)

**Four Russian Serf Narratives** John MacKay, 2009-11-24 Although millions of Russians lived as serfs until the middle of the nineteenth century little is known about their lives Identifying and documenting the conditions of Russian serfs has proven difficult because the Russian state discouraged literacy among the serfs and censored public expressions of dissent To date scholars have identified only twenty known Russian serf narratives Four Russian Serf Narratives contains four of these accounts and is the first translated collection of autobiographies by serfs Scholar and translator John MacKay brings to light for an English language audience a diverse sampling of Russian serf narratives ranging from an autobiographical poem to

stories of adventure and escape Autobiography 1785 recounts a highly educated serf's attempt to escape to Europe where he hoped to study architecture The long testimonial poem News About Russia ca 1849 laments the conditions under which the author and his fellow serfs lived In The Story of My Life and Wanderings 1881 a serf tradesman tells of his attempt to simultaneously escape serfdom and captivity from Chechen mountaineers The fragmentary Notes of a Serf Woman 1911 testifies to the harshness of peasant life with extraordinary acuity and descriptive power These accounts offer readers a glimpse from the point of view of the serfs themselves into the realities of one of the largest systems of unfree labor in history The volume also allows comparison with slave narratives produced in the United States and elsewhere adding an important dimension to knowledge of the institution of slavery and the experience of enslavement in modern times **Minorities in Wartime** Panikos Panayi, 2016-10-06 In this volume an international team explores the historical dimensions of a pervasive and controversial issue of our time the fate of ethnic groups in societies under severe stress Although this book focusses on the extreme situations of the two world wars parallels with more recent eruptions of violence and the widespread re emergence of racism in the wake of dislocation and disorientation of large populations are striking This pioneering book fills an obvious gap in the field of minority history and the study of war and society **International Partnership in Russia** James Henderson, Alastair Ferguson, 2014-02-17 International Partnership in Russia provides a unique insight into the joint ventures formed by international oil companies in Russia during the post Soviet era It outlines the highs and lows in their fortunes and analyses the reasons for their successes and failures **Rusistika**, 2008 *This Globalizing Word* Leonid E. Grinin, Princess Irene of the Netherlands, Ervin Laszlo, Roland Robertson, Wali Teymouri, Tomasz Kamusella, Petr Blizkovsky, Karl-Heinz Pohl, Anastasia V. Mitrofanova, Patrick A. Taran, Michael Charles Tobias, Jane Gray Morrison, Endre Kiss, Tom Rockmore, Peter McCormick, William C. Gay, Lu Feng, 2015-03-30 Despite the increasing flow of publications on globalization our ideas and knowledge about this phenomenon still leave much to be desired That is why the special periodicals and books in the field of Global Studies are of utmost importance for modern society Of great importance are also the books which accumulate the last achievements of scientific thought in the field of Global Studies The present edited volume is just the book of the kind Its title This Globalizing World reflects the main idea of the formation of a new World System This book comprises the best articles which have been published in the interdisciplinary journals Age of Globalization published in Russian its English language digest as well as in the Journal of Globalization Studies The articles included in the volume reflect the today's pressing issues and they also present a number of forecasts for the nearest future and for the more distant periods of the global development as well In the present volume one can find the perceptions of globalization by a number of scholars from different countries whose articles have been published in the mentioned journals **Film/Music Analysis** Emilio Audissino, 2017-10-14 This book offers an approach to film music in which music and visuals are seen as equal players in the game The field of Film Music Studies has been increasingly dominated by musicologists and this book

brings the discipline back squarely into the domain of Film Studies Blending Neoformalism with Gestalt Psychology and Leonard B Meyer s musicology this study treats music as a cinematic element and offers scholars and students of both music and film a set of tools to help them analyse the wide ranging impact that music has in films

Wills,2016-04-29 Control of the air is the foundation for all conventional military operations against an adversary with an air defence capability In future warfare will it be possible for Unmanned Combat Air Systems to undertake the tasks and accept most of the risks that until now have been the lot of military aviators

**China, Russia, and Twenty-First Century Global Geopolitics** Paul J. Bolt,Sharyl N. Cross,2018-02-09 This book provides a comprehensive analysis of the Chinese Russian bilateral relationship grounded in a historical perspective and discusses the implications of the burgeoning strategic partnership between these two major powers for world order and global geopolitics The volume compares the national worldviews priorities and strategic visions for the Chinese and Russian leadership examining several aspects of the relationship in detail The energy trade is the most important component of economic ties although both sides desire to broaden trade and investments In the military realm Russia sells advanced arms to China and the two countries engage in regular joint exercises Diplomatically these two Eurasian powers take similar approaches to conflicts in Ukraine and Syria and also cooperate on non traditional security issues including preventing coloured revolutions cyber management and terrorism These issue areas illustrate four themes Russia and China have common interests that cement their partnership including security protecting authoritarian institutions and re shaping aspects of the global order They are key players not only influencing regional issues but also international norms and institutions The Sino Russian partnership presents a potential counterbalance to the United States and democratic nations in shaping the contemporary and emerging geopolitical landscape Nevertheless the West is still an important partner for China and Russia Both seek better relations with the West but on the basis of mutual respect and equality Lastly Russia and China have frictions in their relationship and not all of their interests overlap The Sino Russian relationship has gained considerable momentum particularly since 2014 as Moscow turned to Beijing attempting to offset tensions with the West in the aftermath of Russia s annexation of Crimea and intervention in Ukraine However so far China and Russia describe their relationship as a comprehensive strategic partnership but they are not allies

The Art of Comparison Catherine Brown,2017-12-02 Comparison underlies all reading Readers compare words to words and books to all the other books which they have read Some books however demand a particular comparative effort for example novels which contain parallel plot lines In this ambitious and important

study Catherine Brown compares Daniel Deronda with Anna Karenina and Women in Love in order to answer the following questions why does one protagonist in each novel fail whilst another succeeds Can their failure and success be understood on the same terms How do the novels uses of comparison compare to each other How relevant is George Eliot s influence on Lev Tolstoi and Tolstoi s on D H Lawrence Does Tolstoi being a Russian make this a comparative literary study And what does the comparative in comparative literature actually mean Criticism is combined with metacriticism to explore how novels and critics compare
