*Native Americans in Comic Books* Michael A. Sheyahshe, 2014-11-29 This work takes an in depth look at the world of comic books through the eyes of a Native American reader and offers frank commentary on the medium's cultural representation of the Native American people It addresses a range of portrayals from the bloodthirsty barbarians and noble savages of dime novels to formulaic secondary characters and sidekicks and occasionally protagonists sans paternal white hero examining how and why Native Americans have been consistently marginalized and misrepresented in comics Chapters cover early representations of Native Americans in popular culture and newspaper comic strips the Fenimore Cooper legacy the white Indian the shaman revisionist portrayals and Native American comics from small publishers among other topics

*Intersectional Feminist Readings of Comics* Sandra Cox, 2021-09-20 Intersectional Feminist Readings of Comics collects several theoretically informed close reading of comics and graphic literature that apply an intersectional feminist lens to the interpretation of several contemporary North American graphic narratives The essays examine use a range of interpretive lenses drawn from theoretical models used in contemporary aesthetics media studies and literary criticism to analyze mainstream figures like DC's Catwoman and Marvel's Miss America and Doctor Strange to contextualize historical and speculative comics by Indigenous American illustrators and to explicate autobiography by critically lauded Jewish queer and female cartoonists In the first half of the book the chapters examine ways in which superhero comics and the cinematic and televisual adaptations thereof reify revise and reject gender parity systemic misogyny and heteropatriarchy through visual and textual rhetorics of representation In the second part of the volume the chapters look at the ways that feminist interpretive practices illuminate the radical work undertaken by cartoonists from historically marginalized communities in the U S and Canada Across both halves readers will find applications of longstanding feminist critical traditions like ecofeminism as well as new intersectional extrapolations of narratology autobiographical studies and visual rhetoric which have been applied to the selected comics in insightful and innovative ways This is a lively and varied collection suitable for students and scholars in gender studies cultural studies media studies and literary studies *Multicultural Comics*

Frederick Luis Aldama, 2010-09-15 Multicultural Comics From Zap to Blue Beetle is the first comprehensive look at comic books by and about race and ethnicity The thirteen essays tease out for the general reader the nuances of how such multicultural comics skillfully combine visual and verbal elements to tell richly compelling stories that gravitate around issues of race ethnicity gender and sexuality within and outside the U S comic book industry Among the explorations of mainstream and independent comic books are discussions of the work of Adrian Tomine Grant Morrison and Jessica Abel as well as Marv Wolfman and Gene Colan's The Tomb of Dracula Native American Anishinaabe related comics mixed media forms such as Kerry James Marshall's comic book community performance DJ Spooky's visual remix of classic film the role of comics in India and race in the early Underground Comix movement The collection includes a one stop shop for multicultural

comic book resources such as archives websites and scholarly books Each of the essays shows in a systematic clear and precise way how multicultural comic books work in and of themselves and also how they are interconnected with a worldwide tradition of comic book storytelling

**All New, All Different?** Allan W. Austin, Patrick L. Hamilton, 2019-11-05 Taking a multifaceted approach to attitudes toward race through popular culture and the American superhero All New All Different explores a topic that until now has only received more discrete examination Considering Marvel DC and lesser known texts and heroes this illuminating work charts eighty years of evolution in the portrayal of race in comics as well as in film and on television Beginning with World War II the authors trace the vexed depictions in early superhero stories considering both Asian villains and nonwhite sidekicks While the emergence of Black Panther Black Lightning Luke Cage Storm and other heroes in the 1960s and 1970s reflected a cultural revolution the book reveals how nonwhite superheroes nonetheless remained grounded in outdated assumptions Multiculturalism encouraged further diversity with 1980s superteams the minority run company Milestone s new characters in the 1990s and the arrival of Ms Marvel a Pakistani American heroine and a new Latinx Spider Man in the 2000s Concluding with contemporary efforts to make both a profit and a positive impact on society All New All Different enriches our understanding of the complex issues of racial representation in American popular culture

Indigenous Comics and Graphic Novels James J. Donahue, 2024-03-26 SHORTLISTED FOR THE 2025 CHARLES HATFIELD BOOK PRIZE FROM THE COMICS STUDIES SOCIETY In recent years studios like Marvel and DC have seen enormous success transforming comics into major motion pictures At the same time bookstores such as Barnes Noble in the US and Indigo in Canada have made more room for comic books and graphic novels on their shelves Yet despite the sustained popular appeal and the heightened availability of these media Indigenous artists continue to find their work given little attention by mainstream publishers booksellers production houses and academics Nevertheless Indigenous artists are increasingly turning to graphic narratives with publishers like Native Realities LLC and Highwater Press carving out ever more space for Indigenous creators In Indigenous Comics and Graphic Novels Studies in Genre James J Donahue aims to interrogate and unravel the disparities of representation in the fields of comics studies and comics publishing Donahue documents and analyzes the works of several Indigenous artists including Theo Tso Todd Houseman and Arigon Starr Through topically arranged chapters the author explores a wide array of content produced by Indigenous creators from superhero and science fiction comics to graphic novels and experimental narratives While noting the importance of examining how Indigenous works are analyzed Donahue emphasizes that the creation of artistic and critical spaces for Indigenous comics and graphic novels should be an essential concern for the comics studies field

The Power of Comics Randy Duncan,Matthew J. Smith,2009-07-01 A comprehensive introduction to the comic arts From the introduction by Paul Levitz If ever there was a medium characterized by its unexamined self expression it s comics For decades after the medium s birth it was free of organized critical analysis its creators generally disinclined to self analysis or formal documentation The average reader didn t know who created the comics how or why and except for a uniquely destructive period during America s witch hunting of the 1950s didn t seem to care As the medium has matured however and the creativity of comics began to touch the mainstream of popular culture in many ways curiosity followed leading to journalism and eventually scholarship and so here we are The Power of Comics is the first introductory textbook for comic art studies courses Lending a broader understanding of the medium and its communication potential it provides students with a coherent and comprehensive explanation of comic books and graphic novels including coverage of their history and their communication techniques research into their meanings and effects and an overview of industry practices and fan culture Co authors randy Duncan and Matthew J Smith draw on their own years of experience teaching comics studies courses and the scholarly literature across several disciplines to create a text with the following features Discussion questions for each chapter Activities to engage readers Recommended reading suggestions Over 150 illustrations Bibliography Glossary The Power of Comics deals exclusively with comic books and graphic novels One reason for this focus is that no one text can hope to do justice to both strips and books there is simply too much to cover Preference is given to comic books because in their longer form the graphic novel they have the greatest potential for depth and complexity of expression As comic strips shrink in size and become more inane in content comic books are becoming a serious art form
