Advancement Handbook for Navy Hospital Corpsman Naval Education and Technology Center,2013-06-29 The purpose of the Advancement Handbook is to assist Hospital Corpsman in studying for Navywide advancement in rating examinations The bibliographies BIBs together with this handbook form a comprehensive examination study package Since this handbook provides skill and knowledge components for each paygrade of the HM rating it helps focus study on those

areas that will be tested This feature ensures Sailors will get the most out of their study time Each page in Parts 1 through 5 of this Advancement Handbook presents general skill areas specific skill areas the knowledge factors associated with each skill area the pertinent references required to perform each skill and the types of subject areas you can expect on the examination Since it would be impractical to test all the tasks that a person in the HM rating is required to perform you should use this guide as just part of a comprehensive training program
