Egypt to the Promised Land rather than the direct route This is the only topical atlas available that offers all these features The Rose Then and Now Bible Map Atlas gives you incredible insights into your favorite Bible stories *Mission in the Gospels* Geoffrey Harris,2014-01-27 Mission in the Gospels considers the gospels through a twin lens first the nature of Jesus own mission as understood by the evangelists and secondly the desire of the gospel writers and their churches to gain some understanding of their own mission by interpreting Jesus attitudes and actions especially with regard to the Gentiles The principles for mission that arise out of this investigation shed a good deal of new light on the gospels and the motives for their writing and on their theological insights **Good News for Moderns** Nero James Pruitt,2015-06-27 There are many ways to be a Christian In Good News for Moderns author Nero James Pruitt shows that within the pages of the New Testament there is room for a diversity of Christianities This is a diversity that is not talked about often but when properly understood expands the perception of what a Christian is Consider the words of Justin Martyr the second century Christian writer recognized as a saint by the Catholic Church the Anglicans and the Eastern Orthodox in about 150 AD We are taught that Christ is the first born of God and we have shown that He is the reason word of whom the whole human race partake And those who live according to reason are Christians even though they are counted atheists Such were Socrates and Heraclitus among the Greeks and those like them Consider the words of John Adams the second President of the United States in 1816 The Ten Commandments and the Sermon on the Mount contain my religion Consider the words Bill Clinton the forty second President of the United States In 1955 I had absorbed enough of my churchs teachings to know that I was a sinner and to want Jesus to save me Finally consider the words of the writer of the small New Testament Book of III John Whoever does good is from God Good News for Moderns is based on Pruitts reading of the scriptures and over one hundred authors of various points of view In our busy time it is brief slightly more than one hundred thousand words supplemented by slightly less than one hundred thousand words of end notes It recognizes that human life moves by fast in what seems like an infinity of time and space and the book closes this way By listing many who have come before us and the immensity of time and space I have underscored the brevity of our lives because as a Psalmist taught recognizing our own mortality is the path to wisdom *The Pastor's Library* Robert A. Yost,2017-09-21 In the spirit of Cyril Barber s classic work from the 1970s The Minister s Library Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies *The Rage Against the Light* Peter Harris,2019-04-29 Christopher Hitchens was the most eloquent of the New Atheists With great rhetorical polish and an encyclopedic mind for historical facts and literary quotations he presents the case of anti theism very

effectively Though now deceased Hitchens arguments continue to reverberate through his best selling books and online presence God asserts Hitchens would be if he existed the greatest of dictators Religion according to Hitchens is morally bankrupt and madly irrational The world is better off without them But is this true It is the purpose of this book to identify Hitchens worldview in order to subject it to a critique that will powerfully expose its many flaws Rather than a dictator God will be shown to be a God of love Christianity too will be revealed as a faith that ought to resist tyranny provides the best foundation for intrinsic human value and is a rational belief system In so doing this book appeals to all who have been influenced or convinced by Hitchens arguments to reconsider their position and refuse to rage against the light     *Paul and First-Century Letter Writing* E. Randolph Richards, 2004-10-22 Informed by the historical evidence and with a sharp eye for telltale clues in the Apostle Paul s letters E Randolph Richards takes us into his world and places us on the scene with Paul the letter writer offering a glimpse that overthrows our preconceptions and offers a new perspective on how this important portion of Christian Scripture came to be
