New Orleans Memories Carolyn Kolb, 2013-09-18 Carolyn Kolb provides a delightful and detailed look into the heart of her city New Orleans. She is a former Times Picayune reporter and current columnist for New Orleans Magazine where versions of these essays appeared as Chronicles of Recent History. Kolb takes her readers both those who live in New Orleans and those who love it as visitors on a virtual tour of her favorite people and places. Divided into sections on food, Mardi Gras, literature, and music, these short essays can be read in one gulp or devoured slowly over time. Either way, the reader will find a welcome companion and guide in Kolb. In bringing her stories up to date, Kolb's writings reflect an ongoing pattern of life in her fascinating city. Since the devastation of Hurricane Katrina in 2005, some of these things remembered will never return. Some of the people whose stories Kolb tells are no longer with us. It is important to her and to us that they are not forgotten. Kolb and her readers can honor them by sharing and enjoying their stories. As Kolb says, "When things fail, when the lights go out and the roof caves in and the water rises, all that remains ultimately is the story." This collection of such stories was made with love.

Treme Lolis Eric Elie, 2013-07-23 Far from being just a gimmicky marketing ploy, Treme is an engaging representation of the cuisine of modern-day New Orleans. Fascinating. The Austin Chronicle. Inspired by David Simon's award-winning HBO series Treme, this celebration of the culinary spirit of post-Katrina New Orleans features recipes and tributes from the characters, real and fictional, who highlight the Crescent City's rich foodways. From chef Janette Desautel's own Crawfish Ravioli and LaDonna Batiste Williams's Smothered Turnip Soup to the city's finest Sazerac, New Orleans cuisine is a mélange of influences from Creole to Vietnamese, at once new and old, genteel and down home, and in the words of Toni Bernette, seasoned with delicious nostalgia. As visually rich as the series itself, the book includes 100 heritage and contemporary recipes from the city's heralded restaurants such as Upperline, Bayona Restaurant, August, and Herbsaint, plus original recipes from renowned chefs Eric Ripert, David Chang, and other Treme guest stars. For the six million who come to New Orleans each year for its food and music, this is the ultimate homage to the traditions that make it one of the world's greatest cities. Food, music, and New Orleans are all passions about which it seems to me all reasonable people of substance should be vocal. This book gives voice to the characters, real and imaginary, whose love and

deep attachments to a great but deeply wounded city should be immediately understandable with one bite Anthony Bourdain

The Mahalia Jackson Reader Mark Burford, 2020-03-02 Born in New Orleans before migrating to Chicago Mahalia Jackson 1911-72 is undoubtedly the most widely known black gospel singer having achieved fame among African American communities in the 1940s then finding a wide audience among non black U.S. and international audiences after she signed with major label Columbia Records in 1954 The newest entry in OUP's celebrated Readers on American Musicians series The Mahalia Jackson Reader places Jackson's musical performances and their reception against key changes in 20th century America changes that include transformations of the recorded music industry the increasing visibility of the civil rights movement a florescence of Cold War era religiosity and an explosion of popularity of black gospel music itself Jackson's career combines parallel tracks as a black church singer and as a national pop celebrity and makes her one of the most complex and important black artists of the postwar decades Gospel is a particularly challenging genre to study because of the paucity of sources Because of Jackson's celebrity there is more substantial coverage of her life and work than other gospel artists but Jackson scholarship is still largely dependent on trade biographies from the 1970s for source material For this reader Mark Burford has gone beyond the standard biographies and has drawn from extensive archival research including in the volume interview transcripts and the largely untouched papers of Jackson's associate Bill Russell who kept a journal tracking Jackson's activities from 1951 to 1955 The new sources in particular Russell's notes uniquely enable an assessment of the reciprocal relationship between the two careers Jackson pursued essentially simultaneously as an in demand church singer in Chicago and as a media star for a major network and recording label
