Reading Revelation C. Marvin Pate, 2009-05-01 Intriguing and endlessly contentious ideas and images of apocalyptic measure come together in the book of Revelation It is a rich and hermeneutically complicated Scripture that unsurprisingly has no universally accepted interpretation Reading Revelation compares these four major approaches to Revelation by laying out the different interpretive translations provided by each school of thought in parallel columns

New Testament TransLine Michael Magill, 2008-07-18 Second Edition The republishing of the New Testament TransLine has given me the opportunity to fix all the typos that have been brought to my attention I give thanks to all who helped by pointing out these things In addition I have produced the forthcoming Disciples Literal New Testament tentative title which is a simplified version of this book about one third its size It is the same translation found in this volume but now presented in paragraph format no outline with interpretive section headings and a few notes Moving the translation to paragraph format required changes to the punctuation and these are now incorporated into this volume as well Some improvements to the outline structure of The New Testament TransLine were also made as an outcome of viewing the text in paragraphs May God bless you as you study His Word and may God use these two works according to His good pleasure In
