**Playbook: A Love Story** Tracy Ewens,2017-01-24 If only life came with a script Anna Jeffries has spent the last thirty two years blending in content in her worn out reading chair her happy corner of the world spinning romantic scenarios she s certain reality can t deliver After three years of teaching Shakespeare at UC Berkeley Anna is working toward full tenure Her life in the classroom means

everything and she can't imagine wanting more until she does. Dane Sivac is in his second year as the wide receiver coach and with new talent on the team this year he's beginning to think his future may hold a permanent position with Cal as permanent as any coach can hope for. When his star receiver begins struggling on and off the field, the sports psychologist asks Dane for help. For Dane, emotions are best ignored, but his player's seemingly uptight Shakespeare professor is driving Dane nuts until she's not invested in the future of a student athlete. They've both come to care about Dane, and Anna is forced to work together. The attraction is undeniable, but opposing teams rarely get along. Right as Dane makes the type of romantic gesture Anna has only known in fiction, her career is threatened, and she is reminded: playbook or not, she was never good at games. Below are courtesy content warnings to the best recollection. They cover the major topics/themes but may not be as nuanced as other trigger content warning sites: employer bullying, death of a parent.

*Cancer: a Love Story* Dave Faber, 2014-11-19. Dave Faber and Robert McGehee were meant to be together. Less than two years after their first date, they were married. They ate out together, went to movies, and did everything else a loving couple does. They even decided to train together for the Houston Marathon in 2006. Like every couple, they expected to face hard times, but neither was prepared for Robert's diagnosis of esophageal cancer. But just like everything else, this was a fight they would wage together. After learning what he was up against, Robert suggested to Dave that he keep friends and family informed about their battle against the disease. This account draws on that correspondence and includes intimate details of their battle that may have otherwise been lost. Dave stands by Robert's side through surgery, chemotherapy, radiation, and physical therapy. Throughout his illness, their intimacy and love for each other grows. Whether you're suffering from a serious disease or illness or caring for someone who is, Dave and Robert's love story and spiritual journey will inspire you to keep your faith in each other and in the world around you, even through the most difficult times.

*Rocco and Blossom: A Love Story* Margie Lockwood, 2013-01-28. Dr. Carnavale: "We have him all comfortable now if you'd like to come with me." She looked up, the dazed and bruised expression still there after an hour of fear and confusion, hands clenched tightly on her lap. Linda

the head ICU nurse had seen her over the years but she looked smaller now dignified even in her flounced denim skirt and peasant blouse her gray shoulder length hair pinned back with barrettes centered with turquoise stones She stood carefully Linda lightly held her arm and guided her down the hall They turned into the room and even though she knew what she would see despair settled on her at the sight of the tubes and monitors There he lay his beautiful white hair still thick with waves his eyelashes surprisingly black As the doctor told you he s comfortable and nothing will happen until you say so If you d like you could go home until your children arrive pushing a chair closer for her even as she said it and moving a table closer so she could reach the tissues and ice water There s a blanket here and feel free to lay on the other bed if you like We ll be right down the hall if you need us She found his left hand with both of hers and laid her forehead against them I m so sorry my darling I know I promised It s just until the children get here I didn t want you all stiff and cold when they came Don t be mad I love you Oh how she wished it was a dream that she d wake up and hear him Baby girl I m here Where are you Fifty five years how could it be how could it possibly be since the day she first saw him
