1 Peter, Volume 49 J. Ramsey Michaels, 2018-01-09 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form

and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary NLT Study Bible Large Print Tyndale, 2020-11-03 Make Your Study Personal and Your Devotions Serious You study the Bible to connect with God's heart The NLT Study Bible gives you the tools you need to enter the world of the Bible so you can do just that Including over 25 000 study notes plus profiles charts maps timelines book and section introductions and approximately 300 theme notes the NLT Study Bible will make your study personal and your devotions serious This new large print edition features a generous 10 point font The New Living Translation breathes life into even the most difficult to understand Bible passages changing lives as the words speak directly to their hearts **Women's Ordination in the Catholic Church** John O'Brien, 2020-07-30 Women's Ordination in the Catholic Church argues that women can be validly ordained to ministerial office O'Brien shows that claims by Roman dicasteries for an unbroken chain of authoritative tradition on the non ordainability of women a novel rather than traditional argument are not historically supported In the primitive Church with the offices of deacon presbyter and bishop in process of development women exercised ministries later understood as pertaining to those offices The sub apostolic period downplayed women's ministry for reasons of cultural adaptation not because it was thought that fidelity to Christ required it Furthermore extensive epigraphical evidence from a wide geographical area references women deacons and presbyters during the first millennium Restrictive developments in the concept of ordination from the twelfth century onwards do not negate how before that women were validly ordained according to contemporary ecclesial understanding Repeated canonical prohibitions on ordaining women show both that women were being ordained and how those bans were very selectively implemented These canons were a cultural practice in search of a theology and the subsequent theological justifications for restricting ordination to men appealed to supposed female inferiority against the background of priesthood as eminence rather than service O'Brien shows that the assertion of women's non ordainability is a matter of canon law rather than doctrine As such that law can be reformed *Going Deeper with New Testament Greek* Andreas J. Köstenberger, Benjamin L. Merkle, Robert L. Plummer, 2017-10-01 From their decades of combined teaching experience Andreas J. Köstenberger Benjamin L. Merkle and Robert L. Sacra Pagina: Colossians and Ephesians

Margaret Y. MacDonald, 2023-05-30 No two works in the Pauline Epistles resemble each other as closely as Colossians and Ephesians Often recognized for their majestic tone and powerful theological statement Colossians and Ephesians also present many challenges of interpretation Most commentaries on these letters seem preoccupied with the same few issues particularly the question of authorship As MacDonald addresses these classic questions she offers a fresh perspective on Colossians and Ephesians by making use of insights from the social sciences Moreover by paying attention to subtle differences between the two letters she brings their distinct perspectives into sharp relief MacDonald highlights the interplay between Colossians and Ephesians and the social life of New Testament communities She illustrates how the texts reflect ancient cultural values and are influenced by particular aspects of community life such as worship and household existence In particular she reflects on the issues faced by these communities as they formed institutions and interacted with the society around them She shows the struggles of the New Testament communities to survive and maintain a distinct identity in first century society Chapters under Colossians are Greeting 1 1 2 Thanksgiving for the Colossians 1 3 8 Prayer on Behalf of the Colossians 1 9 14 The Christ Hymn 1 15 20 Application of Hymn to the Situation in Colossae 1 21 23 Paul's Authority in Colossae and Laodicea 1 24 2 7 Debate with the Opponents The Power of the Risen Christ 2 8 15 Debate with the Opponents Warnings Against Ascetic Practices 2 16 23 New Life in Light of the Resurrection 3 1 4 Ethical Guidelines for a New Life 3 5 17 The Households of Believers 3 18 4 1 Prayer Mission and Contact with Outsiders 4 2 6 Conclusion Personal Notes and Greetings 4 7 18 Chapters under Ephesians are Greeting 1 1 2 Blessing 1 3 14 Thanksgiving and Prayer 1 15 23 The Consequences of Life Together with Christ 2 1 10 The Unity of Jews and Gentiles Created by Christ 2 11 22 The Apostle as Interpreter of the Divine Mystery 3 1 13 Prayer and Doxology 3 14 21 The Unity of the Spirit 4 1 16 The Sons of Disobedience and the Children of Light 4 17 5 20 The Households of Believers 5 21 6 9 Doing Battle with Evil 6 10 20 Conclusion Personal Matters and Final Blessing 6 21 24

The Christ Is Dead, Long Live the Christ Andrew Oberg, 2022-07-07 The Christ Is Dead Long Live the Christ A Philotheologic Prayer a Hermeneutics of Healing is a call for renewal and reinvention Following a brief examination of the historical Jesus Yeshua using his actual Aramaic Hebrew name the book moves into a phenomenological study of the image idea and the place of both in our felt experiences Looking closer at what we think were

the actual words of this wandering sage the picture we arrive at is one that will surprise possibly unsettle Moved out of our traditional comfort zones we find the need to question what we have been told were Yeshua s teachings compelling us to further rethink messages on the afterlife human finitude so called atonement theologies and above all the kingdom of God Whatever this vision was and might yet be it seems central to Yeshua s efforts and so we finally weigh these kingdom facets against a broader ideascapes offering suggestions for how a Yeshuan kingdom project situated within the panoply of a widely comprehended Judaic way of being might yield fresh life to we who find worth in the utterances and what they point towards to we who wonder about a more human e world *Paul and Secular Singleness in 1 Corinthians 7* Barry N.

Danylak,2024-04-04 Paul s discussion of marriage and singleness in 1 Corinthians 7 has long presented exegetical challenges beginning with the chapter s opening statement It is good for a man not to touch a woman Interpreters continue to debate whether the ascetic language of the statement reflects the views of Paul or the Corinthians They also debate the motivations for the rise of an ascetic movement in Corinth In this ground breaking study Barry N Danylak offers a fresh solution to these conundra Using evidence from Egyptian census papyri he demonstrates the prevalence of secular singleness in Roman urban environments He also draws on classic Greek marriage debates to argue that the Corinthians disposition likely reflected an Epicurean perspective of secular singleness and that Paul himself was responsible for the touch language as a rhetorical adaptation in his response to the Corinthians question Combining fresh evidence with attentive analysis Danylak s study thus proposes a viable resolution to these long standing exegetical challenges *A Concise Dictionary of Bible Origins and Interpretation* Alec Gilmore,2006-12-28 Concise convenient and comprehensive this handy dictionary will inform and enlighten all who want to understand how the Bible came together the history of the various texts behind it the versions in which it has appeared the process of editing and compilation and the different methods of interpretation that have developed over the centuries Much of this material can be found in larger reference works and commentaries but most students and lay people find that most of these books are written by scholars for scholars which means the reader can feel bogged down in too much technical detail Informed by the latest advances in biblical scholarship this handy dictionary provides the reader with concise manageable information on all the key issues and topics It will be especially helpful to students of religion and related subjects as well as to religious educators in schools colleges and churches of all denominations *The Politics of Inheritance in Romans* Mark Forman,2011-04-21 Mark Forman explores the extent to which Paul s concept of inheritance in Romans and its associated imagery logic and arguments served to evoke socio political expectations that were different to those which prevailed in contemporary Roman imperial discourse Forman explores how Paul deploys the idea of inheritance in Romans and analyses the sources which inform and overlap with this concept Coins literature and architecture are all examined in order to understand the purpose hopes and expectations of first century society This book contributes to recent studies covering Paul and politics by arguing that Paul s concept of inheritance subverts and challenges first century Roman
