Morality Play Barry Unsworth, 1996 In fourteenth century England a troupe of traveling players gathers information about a local murder and incorporates it into their play in hopes of drawing a larger audience Fictions of Home Martin Mühlheim, 2018-04-23 This study aims to counter right wing discourses of belonging It discusses key theoretical concepts for the study of home focusing in particular on Marxist feminist postcolonial and psychoanalytic contributions The book also maintains that postmodern celebrations of nomadism and exile tend to be incapable of providing an alternative to conservative xenophobic appropriations of home In detailed readings of one film and six novels a view is developed according to which home as a spatio temporal imaginary is rooted in our species being and as such constitutes the inevitable starting point for any progressive politics **Bloomsbury Good Reading Guide** Nick Rennison, 2009-11-23 Deciding what to read next when you've just finished an unputdownable novel can be a daunting task The Bloomsbury Good Reading Guide features hundreds of authors and thousands of titles with navigation features to lead you on a rich journey through some the best literature to grace our shelves **Roger Ebert's Movie Yearbook 2007** Roger Ebert, 2013-02-05 The most trusted film critic in America USA Today Roger Ebert actually likes movies It's a refreshing trait in a critic and not as prevalent as you'd expect Mick LaSalle San Francisco Chronicle America's favorite movie critic assesses the year's films from *Brokeback Mountain* to *Wallace and Gromit: The Curse of the Were-Rabbit* Roger Ebert's *Movie Yearbook 2007* is perfect for film aficionados the world over Roger Ebert's *Movie Yearbook 2007* includes every review by Ebert written in the 30 months from January 2004 through June 2006 about 650 in all Also included in the Yearbook which is about 65 percent new every year are Interviews with newsmakers such as Philip Seymour Hoffman Terrence Howard Stephen Spielberg Ang Lee and Heath Ledger Nicolas Cage and more All the new questions and answers from his Questions for the Movie Answer Man columns Daily film festival coverage from Cannes Toronto Sundance and Telluride Essays on film issues and tributes to actors and directors who died during the year *Medieval Crime Fiction* Anne McKendry, 2019-05-14 Combining elements of medievalism the historical novel and the detective narrative medieval crime fiction capitalizes upon the appeal of all three the most famous examples being Umberto Eco's *The Name of the Rose* one of the best selling books ever published and Ellis Peters' endearing *Brother Cadfael* series Hundreds of other novels and series fill out the genre in settings ranging from the so called Celtic Enlightenment in seventh century Ireland to the ruthless Inquisition in fourteenth century France to the mean streets of medieval London The detectives are an eclectic group including weary ex crusaders former Knights Templar enterprising monks and nuns and historical poets such as Geoffrey Chaucer This book investigates the enduring popularity of the largely unexamined genre and explores its social cultural and political contexts *The Oxford Handbook of the Archaeology of Childhood* Sally Crawford, Dawn Hadley, Gillian Shepherd, 2018-05-10 Real understanding of past societies is not possible without including children and yet they have been strangely invisible in the archaeological record Compelling

explanation about past societies cannot be achieved without including and investigating children and childhood However marginal the traces of children s bodies and bricolage may seem compared to adults archaeological evidence of children and childhood can be found in the most astonishing places and spaces The archaeology of childhood is one of the most exciting and challenging areas for new discovery about past societies Children are part of every human society but childhood is a cultural construct Each society develops its own idea about what a childhood should be what children can or should do and how they are trained to take their place in the world Children also play a part in creating the archaeological record itself In this volume experts from around the world ask questions about childhood thresholds of age and growth childhood in the material culture the death of children and the intersection of the childhood and the social economic religious and political worlds of societies in the past

Bien sûr For a real taste of saucy early European humor one must cross the Channel to France There in the fifteenth and early sixteenth centuries the sophisticated met the scatological in popular performances presented by roving troupes in public squares that skewered sex politics and religion For centuries the scripts for these outrageous anonymously written shows were available only in French editions gathered from scattered print and manuscript sources Now prize winning theater historian Jody Enders brings twelve of the funniest of these farces to contemporary English speaking audiences in *The Farce of the Fart and Other Ribaldries* Enders's translation captures the full richness of the colorful characters irreverent humor and over the top plotlines all in a refreshingly uncensored American vernacular Those who have never heard the one about the Cobbler the Monk the Wife and the Gatekeeper should prepare to be shocked and entertained *The Farce of the Fart and Other Ribaldries* is populated by hilarious characters high and low For medievalists theater practitioners and classic comedy lovers alike Enders provides a wealth of information about the plays and their history Helpful details abound for each play about plot character development sets staging costumes and props This performance friendly collection offers in depth guidance to actors directors dramaturges teachers and their students *The Farce of the Fart and Other Ribaldries* puts fifteenth century French farce in its rightful place alongside Chaucer Shakespeare commedia dell'arte and Molière not to mention Monty Python *Vive la Farce*
