through letting go of tension **How to Train a Happy Mind** Scott Snibbe,2024-03-12 TRAIN YOUR MIND TOWARD LASTING CONNECTION AND JOY Eager to share the life enhancing benefits he found in Buddhism skeptic Scott Snibbe presents this 8 step programme that allows anyone to build positive mental habits Inspired by the ancient Buddhist path to enlightenment yet firmly grounded in modern science How to Train a Happy Mind is the first mainstream book to show how you can achieve happiness using analytical meditation Working in much the same way as cognitive behavioural therapy analytical meditation goes beyond the calm inducing practice of mindfulness to actively train the brain through easy to follow narrative visualizations Breaking the path down into concise steps and written in a relatable tone with plenty of references to popular culture this is the ideal book if you recognize your mind as both the source of your problems and the source of your solutions **The Biodynamics of the Immune System** Michael J. Shea,2023-01-17 Biodynamic therapy practices for optimizing the immune system and healing the spiritual suffering at the root of many modern ailments Examines the need to restore balance to the immune system through a deeper spiritual connection to the energies of the universe Shares unique biodynamic protocols to balance the metabolism with the cosmos as well as optimize the immune system and the function of the vagus nerve Drawing on more than 45 years of practicing Eastern medicine Michael J Shea Ph D presents a holistic guide to biodynamic manual therapy practices for optimizing the immune system and for healing the deep spiritual suffering of our contemporary world Showing spiritual suffering to be the root of our modern epidemic of metabolic syndrome and other widespread health issues the author explains how the pervasive degradation of the human body relates directly with the food we eat the air we breathe and our thoughts and emotions He explains how the Five Element theory of Eastern medicine offers a method to reclaim the body by sensing each element in and around us as a single continuum Focusing especially on the fluid body in biodynamic osteopathy and biodynamic craniosacral therapy the author shows how inflamed components of the fluid body such as the blood and lymphatic system form the substrate of metabolic syndromes He offers practices to visualize the health of the fluid body He explains how in order to enact the full benefits of the immune system we need to nurture a deep sense of safety inside the body a symbolic return to our embryonic and cosmic origins and a restoration of our sacred wholeness Offering an extensive section of therapeutic applications including both in person and remote techniques the author shares new and unique biodynamic protocols to balance the metabolism with the cosmos as well as optimize the immune system and the function of the vagus nerve Enacting healing at the deepest spiritual level Shea reveals how to create inner and outer balance to restore wholeness as it was at the time of the origin of the universe **Sacred Rhetoric** David M. Barbee,Brent C. Sleasman,2024-03-06 There have always been historical and philosophical connections between the study of religion and rhetoric and yet the phrase sacred rhetoric is rarely found within scholarly conferences presentations and publications The editors of this collection intend to fill this void by presenting a collection of essays which define in the broadest terms possible sacred rhetoric as necessary discourse of on religion The contributors represent multiple

perspectives and disparate academic fields such as philosophy biblical studies rhetoric and communication and each essay is united by a common concern for public discourse that examines the intersection between religion rhetoric culture and identity Collectively these essays dissect the manner in which religious actors or religious themes inform various layers of cultural discourse The goal is to foster discussion based upon a greater awareness of the issues at stake and contribute to ongoing discourse about identity and meaning
