Native North American Art John Wallace Nunley, Janet Catherine Berlo, St. Louis Art Museum, 1991 **Native North American Art** Janet Catherine Berlo, Ruth Bliss Phillips, 2015 This lively introductory survey of indigenous North American arts from ancient times to the present explores both the shared themes and imagery found across the continent and the distinctive traditions of each region Focusing on the richness of artwork created in the US and Canada Native North American Art Second Edition discusses 3 000 years of architecture wood and rock carvings basketry dance masks clothing and more The expanded text discusses twentieth and twenty first century arts in all media including works by James Luna Kent Monkman Nadia Myre Jaune Quick to See Smith Will Wilson and many more Authors Berlo and Phillips incorporate new research and scholarship examining such issues as art and ethics gender representation and the colonial encounter By bringing into one conversation the seemingly separate realms of the sacred and the secular the political and the domestic and the ceremonial and the commercial Native North American Art shows how visual arts not only maintain the integrity of spiritual and social systems within Native North American societies but have long been part of a cross cultural experience as well Not Native American Art Janet Catherine Berlo, 2023-09-26 Explores the making and meaning of so called Native American art The faking of Native American art objects has proliferated as their commercial value has increased but even a century ago experts were warning that the faking of objects ranging from catlinite pipes to Chumash sculpture was rampant Through a series of historical and contemporary case studies Janet Catherine Berlo engages with troubling and sometimes confusing categories of inauthenticity Based on decades of research as well as interviews with curators collectors restorers replica makers reenactors and Native artists and cultural specialists Not Native American Art examines the historical and social contexts within which people make replicas and fakes or even invent new objects that then become traditional Berlo follows the unexpected trajectories of such objects including Northwest Coast carvings Navajo rugs made in Mexico Zuni mask replicas Lakota style quillwork and Mimbres bowl forgeries With engaging anecdotes the book offers a rich and nuanced understanding of a surprisingly wide range of practices that makers have used to produce objects that are not Native American art **Native American Art in the Twentieth Century** W.
