## Naughty 4 Urban Renaissance:

**A Guide to the New Ruins of Great Britain** Owen Hatherley, 2011-07-01 Back in 1997 New Labour came to power amid much talk of regenerating the inner cities left to rot under successive Conservative governments Over the next decade British cities became the laboratories of the new enterprise economy glowing monuments to finance property speculation and the service industry until the crash In *A Guide to the New Ruins of Great Britain* Owen Hatherley sets out to explore the wreckage the buildings that epitomized an age of greed and aspiration From Greenwich to Glasgow Milton Keynes to Manchester Hatherley maps the derelict Britain of the 2010s from riverside apartment complexes art galleries and amorphous interactive centers to shopping malls call centers and factories turned into expensive lofts In doing so he provides a mordant commentary on the urban environment in which we live work and consume Scathing forensic bleakly humorous *A Guide to the New Ruins of Great Britain* is a coruscating autopsy of a get rich quick aspirational politics a brilliant architectural state we're in

***A Pimp's Life*** Treasure Hernandez, 2009 Destiny was once an innocent young girl tricked into selling her own body but now she's as tough as the most seasoned professionals on her street Then a tragic turn of events forces her to open her heart once again When her pimp Mack Jones is shot she stays behind during his recovery After Mack has regained his strength she decides to leave the life behind her and Mack is forced to make a decision Will he stay with what he has always known or take a chance at love

***Medium Law*** Daithí Mac Síthigh, 2017-09-13 Why should anyone care about the medium of communication today especially when talking about media law In today's digital society many emphasise convergence and seek new regulatory approaches In *Medium Law* however the medium theory insights of Harold Innis Marshall McLuhan and the Toronto School of Communication are drawn upon as part of an argument that differences between media and technological definitions continue to play a crucial role in the regulation of the media Indeed Mac Síthigh argues that the idea of converged cross platform medium neutral media regulation is unattainable in practice and potentially undesirable in substance This is demonstrated through the exploration of the regulation of a variety of platforms such as films games video on demand and premium rate telephone services Regulatory areas discussed include content regulation copyright tax relief for producers and developers new online services conflicts between regulatory systems and freedom of expression This timely and topical volume will appeal to postgraduate students and postdoctoral researchers interested in fields such as Law Policy Regulation Media Studies Communications History and Cultural Studies
