Divine Suffering Andrew J. Schmutzer, 2023-02-22 Divine Suffering is an interdisciplinary study that draws from systematics philosophy biblical theology and pastoral experience In addition to covering topics like the suffering of the Father in the Son and God's cruciform vulnerability this book also explores how divine suffering animates the Christian gospel and resonates in the ongoing persecution of believers The study of the suffering God has everything to do with Theology History and Church Mission Like exploring a cathedral from all its entrances both scholars and seekers will find ample opportunity for theological challenge biblical insight and missional hope To accomplish this both Scripture and doctrine are closely investigated Today divine suffering must face the contemporary realities of protest atheism escalating wars new studies in relational theology and dialogical personhood that presses the need to explain a Christian message about the kind of God who is not only transcendent but also personal Divine Suffering introduces us to the history of God not just the God of history In this study we meet a God available to our pain though not diminished by it Mounting forms of grief need to be met with an equally pastoral understanding that validates suffering without valorizing it

The Path to Salvation in Luke's Gospel MiJa Wi, 2019-05-23 This book investigates Luke's message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke's Gospel built on careful examination of its socio economic context it demonstrates that Luke's message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke's question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke's notion of salvation of the rich which will happen as participation in the salvation of the poor Wi's conclusion challenges its readers by asking the question along with Luke's audience What must we do

Qoheleth's Hope Brian Neil Peterson, 2019-10-18 Pessimist Hedonist Skeptic Fatalist Scholars have used these and a variety of other pejoratives to describe Qoheleth the author of the book of Ecclesiastes But are these monikers fair assessments of this formative book of the Hebrew wisdom tradition Brian Neil Peterson challenges this dominant scholarly perspective by arguing that Qoheleth's message is more optimistic than it appears He insists that Qoheleth a realist who recognizes that the world is broken due to the Fall in Genesis 3 is instructing his readers to live life to the fullest in the fear of God despite the presence of injustice oppression and futility experienced on a daily basis Due to the fleeting nature of life Qoheleth offers hope to his readers and urges them to put God first and enjoy God's good gifts not as a destination in life but rather as part of one's earthly journey
