*Handbook of Language and Literacy* C. Addison Stone, Elaine R. Silliman, Barbara J. Ehren, Geraldine P. Wallach, 2013-09-24 An acclaimed reference that fills a significant gap in the literature, this volume examines the linkages between spoken and written language development, both typical and atypical. Leading authorities address the impact of specific language-related processes on K-12 literacy learning with attention to cognitive, neurobiological, sociocultural, and instructional issues. Approaches to achieving optimal learning outcomes with diverse students are reviewed. The volume presents research-based practices for assessing student needs and providing effective instruction in all aspects of literacy: word recognition, reading comprehension, writing, and spelling. New to This Edition: Chapters on digital literacy, disciplinary literacy, and integrative research designs. Chapters on bilingualism, response to intervention, and English language learners. Incorporates nearly a decade's worth of empirical and theoretical advances. Numerous prior edition chapters have been completely rewritten.

*Conducting Second-Language Reading Research* Elizabeth B. Bernhardt, Michael L. Kamil, 2022-05-24 This is the first hands-on methods guide for second language L2 reading research. The authors expertly and critically situate L2 reading and literacy as a multivariate interactive process and define terms, concepts, and research tools in connection with theory and a rich body of past empirical work with lessons to learn and pitfalls to avoid. They concretely detail how to design empirical studies, collect data, and analyze findings in this important area. Authored by world experts on first language L1 and L2 reading, this book provides a comprehensive, critical, theory-driven review of methods in L2 reading research, offering a step-by-step guide from research design to study execution and data analysis. With useful pedagogical features and a unique database of L2 reading studies from around the world over three decades, this will be an invaluable resource to students and researchers of second language acquisition, applied linguistics, education, and related areas.
