Forgiveness, Reconciliation, and Restoration Martin William Mittelstadt, Geoffrey W. Sutton, 2010-08-01 Although history is replete with tales of revenge Christian forgiveness provides an alternate response In this volume Pentecostal scholars from various disciplines offer their vision for forgiveness reconciliation and restoration The essayists offer long overdue Pentecostal perspectives through analysis of contemporary theological issues personal testimony and prophetic possibilities for restoration of individual relationships and communities Though Pentecostals remain committed to Spirit empowered witness as recorded in Luke Acts these scholars embrace a larger Lukan vision of Spirit initiated inclusivity marked by reconciliation The consistent refrain calls for forgiveness as an expression of God s love that does not demand justice but rather seeks to promote peace by bringing healing and reconciliation in relationships between people united by one Spirit

The Practice of Prophecy Li Ming Dennis

Lum,2018-03-26 The charisma of prophecy is found throughout the history of the global Pentecostal movement Within the movement prophecy is seen as the communication of an inspired spontaneous revelation bringing edification to the faith community Despite its prevalence academic research has mostly focused on the biblical theological aspect neglecting the actual contemporary practice This book addresses this gap with a study on the practice of prophecy within the Assemblies of God of Singapore The book investigates the nature purpose and significance of the phenomenon It also identifies theological variables that are correlated with its practice and explicates these relationships The investigation employs the empirical theological method of Johannes van der Ven utilizing both a qualitative and a quantitative study The results provide a rich description of the actual reception delivery and judging of prophecy Significant findings include relationships between prophecy and courage love personality types prayer types and evangelism **Norming the Abnormal** Aaron T.

Friesen,2013-02-19 Pentecostalism is one of the largest and fastest growing religious movements around the world Yet the movement s defining doctrine has met with controversy and criticism since its inception Classical Pentecostals have not only affirmed and valued the experience of speaking in other tongues they have argued that such an experience is the first evidence of a Christian having reached a level of spiritual empowerment they call Baptism in the Holy Spirit That speaking in an unknown language should be considered by many Pentecostals to be a normative and uniform right of passage for all Christians is interesting That such a controversial doctrine could rise to take such a prominent role in defining and shaping the Pentecostal movement begs further historical and social study This work charts the development of the doctrine from a small community in the Midwest to become a norm for Pentecostal identity and a hallmark of Pentecostal experience around the world Then through an empirical study of ministers in three Pentecostal denominations the work explores the current beliefs of practices of Pentecostals regarding the doctrine of initial evidence in order to form some conclusions and proposals about the future of the doctrine among classical Pentecostals *The Doctrine of the Holy Spirit* Yacob Godebo,2025-07-03

The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit s presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective experience was divine

provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha **David du Plessis and the Assemblies of God** Joshua R. Ziefle, 2012-09-28 In David du Plessis and the Assemblies of God Joshua R Ziefle details the complicated tensions that arose during the Charismatic Movement of the 1960s and 1970s He highlights the story of Pentecostal missionary David du Plessis whose deep involvement in every area of the revival illustrates the tenor of the movement and the controversies it engendered Du Plessis s ejection from the ministerial ranks of the Assemblies of God over his continued involvement with non Pentecostals and the denomination s slow but steady rapprochement with the ecumenism of the Charismatic Movement are important themes in this monograph Ultimately Ziefle argues that both du Plessis s enthusiastic embrace of charismatics and the Assemblies own hesitant approach to Spirit filled Roman Catholics and mainline Protestants represent persistent hallmarks of Pentecostalism

Pentecostal and Charismatic Studies William Kay, Anne E. Dyer, 2017-10-30 The Pentecostal and Charismatic movement is one of the miracles of the 20th century Without government support without an advertising campaign often without the notice of journalists and academics and sometimes in the face of persecution and ridicule it has spread its message around the world and now attracts in the region of 500 million people Many of its original and formative documents are unknown and out of print This book collects together samples from the writings of key Pentecostals and charismatics going back about 100 years and over a range of issues and practices shows how they vary and how they have developed historically These texts have lain in out of print magazines and archives and so far as we know have never been collected before in this way This book allows you to hear the authentic voice of the Pentecostal and charismatic movements drawing especially from sources in English

Birthed in the fires of revival movements essential Pentecostalism including Pentecostal theology continues to burn brightest wherever it is fueled most directly **A Light to the Nations** Stanley M. Burgess, Paul W. Lewis, 2017-03-02 The essays in this volume which are written by friends colleagues and former students are dedicated to Gary B McGee as a memorial to his life work and service As a professor with a clear calling to teach he modeled this passion at the Open Bible College Des Moines Iowa Central Bible College Springfield Missouri and the Assemblies of God Theological Seminary Springfield Missouri He exuded the understanding that quality teaching superior scholarship a genuine Pentecostal spirituality and an irenic spirit can and should go together Within the title of this volume A Light to the Nations two aspects become clear First each person is called to be a light to the nations as Gary McGee modeled Second and foundational to the first is the reality that Jesus Christ is the ultimate light and our energies study discussions and life in general should rely on this fact As a reflection of Gary McGee s life and ministry these two aspects are focused through three lenses which are the three sections of this volume Ecumenism Missions and Pentecostalism The essays represent a diversity of subjects and denote various explorations by colleagues and friends of Gary B McGee The Missionary Self-Perception of Pentecostal/Charismatic Church Leaders from the Global South in Europe Claudia Währisch-Oblau, 2009-03-16 In a situation of growing interest in the religion of migrants there are still few publications dealing with pentecostal and charismatic Christians from the global South and the churches they have been starting all over Europe This ground breaking study based on extensive interviews conducted during a nine year research period encompassing more than 100 churches describes how pentecostal charismatic migrant pastors live out their pastoral role how they construct their missionary biographies and how they conceptualize and practice evangelism The result is a comprehensive portrait of an immigrant group which does not define itself as victimized and in need of assistance but as expatriate agents with a clear calling and a vision to change the continent they now live in Saved, Delivered, and Healed Tony Richie, 2022-08-30 Should a Christian doctrine of salvation be concerned with this life or the life to come With forgiveness of sins or deliverance of sinners With the saving of the soul or the healing of the body Should it focus on the person and work of Jesus Christ or on the presence and power of Holy Spirit To all these questions and more Tony Richie s Saved Delivered and Healed Introducing a Pentecostal Doctrine of Salvation answers Yes Then it proceeds to present from the Scriptures from Pentecostal theology and spirituality and from decades of pastoral and personal experiences and academic insights an energetic and holistic view of salvation grounded in the wisdom goodness and power of God Its constant focus is God s ultimate redemptive purpose in Jesus Christ by the power of the Holy Spirit for the lives of real human beings living in the real world If you have ever wondered what Christian salvation actually means and how it actually works then this book is for you **Routledge Companion to Christianity in Africa** Elias Kifon Bongmba, 2015-12-22 The Routledge Companion to Christianity in Africa offers a multi disciplinary analysis of the Christian tradition across the African continent and throughout a long historical span The volume offers historical and thematic essays

Wells, 2017-09-11 California matters both as a place and as an idea What famed historian Kevin Starr has called the California Dream is a vital part of American self understanding Just as America was meant to be a place of renewal even redemption for Europe so too California was intended as a place of renewal for America Therefore California place and idea provides a fertile ground for scholars to think deeply about what it means to articulate the promise of American life This book follows in the train of George Marsden s classic *The Outrageous Idea of Christian Scholarship* believing that people of faith have a contribution to make to scholarship and of Jay Green s more recent book *Christian Historiography Five Rival Views* believing that scholars of faith should engage in moral inquiry In this book eight authors inquire into the moral questions that emerge from studying California **Wesleyan Pneumatology, Pentecostal Mission, and the Missio Dei** Jody B. Fleming, 2021-05-18 In *Wesleyan Pneumatology Pentecostal Mission and the Missio Dei* Jody B Fleming argues that missiology in a Wesleyan context has been heavily influenced by the Western worldview and needs renewal Spirituality is central to living in many non western cultures integrated with the physical world of everyday life Wesleyan traditions may need to renew and strengthen the pneumatology found in their mission theory and praxis As the center of Christianity is shifting to the global south Pentecostal and charismatic expressions of the faith are becoming more prominent Without forfeiting their solid foundations what might the Wesleyan traditions learn from their theological cousins about engagement with the Holy Spirit How might pneumatology be renewed in order to address spiritual beliefs found in other

cultures in both global and local settings Renewal also includes the indigenous voice as essential for understanding cultural dynamics and spirituality Contextualization is not new to missiology and so mission theory is explored from Latin American scholars as another point for renewal Partnerships in mission and the role of the Holy Spirit are highlighted in the of field work conducted in Venezuela In Renewing the Spark the author suggests that a fresh look at pneumatology will more effectively articulate the gospel in holistic and spirit centered non western cultures **The New Blackwell Companion to the Sociology of Religion** Bryan S.
