New Testament Theology And Ethics

J. L. Houlden

New Testament Theology And Ethics:

Covenant of Peace Willard M. Swartley, 2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley's Covenant of Peace remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by considering specific practices that lead to peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message Covenant of Peace confronts readers anew with the compelling New Testament witness to peace

New Testament Theology and Ethics Ben Witherington III, 2016-03-21 In the second volume of his two volume comprehensive overview of the theological and ethical thought world of the New Testament Ben Witherington III focuses on the collective witness of New Testament writers the convergences and divergences of their theological and ethical thought

The Moral Vision of the New Testament Richard Hays, 1996-08-30 A leading expert in New Testament ethics discovers in the biblical witness a unified ethical vision centered in the themes of community cross and new creation that has profound relevance in today's world Richard Hays shows how the New Testament provides moral guidance on the most troubling ethical issues of our time including violence divorce homosexuality and abortion Hays passionately written book with its bold agenda has neither peer nor rival Leander E Keck Winkley Professor of Biblical Theology Yale Divinity School There are few people I would rather read for the actual exposition of the New Testament than Richard Hays This book is filled with wonderful readings that not only inform us about how to think better about the so called problem of the relation between the New Testament and ethics but even more speak of how our lives should be lived in the light of Christ's cross Stanley Hauerwas Gilbert T Rowe Professor of Theological Studies Duke University Divinity School Richard Hays has succeeded brilliantly in bringing New Testament studies contemporary theology and ethics into a deeply reflective conversation Hays point is that the New Testament norms the Christian life and with the help of imagination and metaphor can address the moral conflicts of our time Ellen T Charry Perkins School of Theology Southern Methodist University This book isn't just a breath of fresh air It's a hurricane blowing away the fog of half understood pseudo morality and fashionable compromise and revealing instead the early Christian vision of true humanness and genuine holiness If this isn't a book for our time I don't know what is N T Wright author of The New Testament and the People of God Ethics and the New Testament J. L. Houlden, 2004-06-14 In Ethics and the New Testament the author applies strict critical standards to the Gospels epistles and other writings which he examines in historical perspective His explanation of contemporary attitudes including gnosticism helps to clarify the str

The Moral Vision of the New Testament Richard B.

Hays, 2013-07-30 A leading expert in New Testament ethics discovers in the biblical witness a unified ethical vision centered in the themes of community cross and new creation that has profound relevance in today's world Richard Hays shows how the New Testament provides moral guidance on the most troubling ethical issues of our time including violence divorce homosexuality and abortion

Paul and Virtue Ethics Daniel J Harrington, James Keenan, 2023-06-14 Two prestigious scholars serve up a gourmet banquet that blends the flavors of scripture and ethics without losing the distinctive tastes of each Richard M Gula professor of moral theology Franciscan School of Theology Graduate Theological Union In Paul and Virtue Ethics Daniel Harrington and James Keenan build upon their successful collaboration Jesus and Virtue Ethics to discuss the apostle Paul's teachings as a guide to interpret theology and ethics today Examining Paul's writings the authors investigate what they teach about the basic questions of virtue ethics Who am I Who do I want to become And how do I get there Their intent is not to provide stringent rules but to awaken discovery and encourage dialogue The book first considers the concept of virtue ethics an approach to ethics that emphasizes moral character and Paul's ethics in particular Next the authors focus on the virtues of faith love charity and hope as treated by Paul and Thomas Aquinas Closing the book with reflections on the roles of other virtues and vices in individual and communal Christian life the authors discuss various issues in social ethics and sexual morality as they are dealt with in Paul and in Christian virtue ethics today One could not ask for better guides than Harrington and Keenan Theological Studies Bringing the moral teaching of Paul and contemporary virtue ethics into dialogue with each other Harrington and Keenan have done what others have only spoken about Frank J Matera The Andrew Kelly Ryan Professor of Biblical Studies The Catholic University of America A deeply learned yet broadly accessible volume a perfect book for an introductory course in theological ethics M Cathleen Kaveny Darald and Juliet Libby Professor of Law and Theology Boston College

The New Testament and Ethics Joel B. Green, 2013-12-03 This convenient text utilizes material from the well received Dictionary of Scripture and Ethics to introduce students to the use of the New Testament for moral formation This handy and affordable book by book survey of the New Testament contains key articles written by leading scholars and targeted to the needs of the classroom It will serve as an excellent supplementary text in New Testament courses The stellar list of contributors includes Robert Brawley Bruce Chilton Charles Cosgrove David deSilva Victor Paul Furnish and Glen Harold Stassen

Theology and Ethics in Paul Victor Paul Furnish, 2009-01-01 First published in 1968 and out of print since the 1980s Victor Paul Furnish's treatment of Paul's theology and ethics has long been regarded as the key scholarly statement and most useful textbook on Paul's thought Now Theology and Ethics in Paul is available once again as part of the Westminster John Knox Press New Testament Library Featuring a new introduction from Richard Hays this timeless volume is as relevant in this century as it was in the last The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament as well as classic volumes of scholarship The commentaries in this series provide fresh translations based on the best available ancient manuscripts offer critical

portrayals of the historical world in which the books were created pay careful attention to their literary design and present a theologically perceptive exposition of the text **New Testament Theology** Frank J. Matera, 2007-01-01 In this systematic book by book exploration of the theology of each New Testament writing Frank J. Matera explores theological diversity and unity in the writings of the New Testament After an introduction to the history and method of New Testament theology he explains and describes the theologies of the Synoptic Pauline and Johannine traditions as well as the rich theology of other New Testament voices Hebrews the Catholic Epistles and the book of Revelation Integrating both Protestant and Catholic approaches this work provides students pastors and scholars a comprehensive view of the New Testament that is rich in exegetical and theological insight **New Testament Ethics** Richard B. Hays, 2018-07-10 In these lectures as in his writings Hays passion for getting the story right and his conviction that Christians today are part of that story become apparent Our getting it right has to do not only with intellectual interests and rigour but with the truthful practices of today's Christians

Imitating Jesus Richard A. Burridge, 2007-10-22 In contrast to many studies of New Testament ethics which treat the New Testament in general and Paul in particular this book focuses on the person of Jesus himself Richard Burridge maintains that imitating Jesus means following both his words which are very demanding ethical teachings and his deeds and example of being inclusive and accepting of everyone Burridge carefully and systematically traces that combination of rigorous ethical instruction and inclusive community through the letters of Paul and the four Gospels treating specific ethical issues pertaining to each part of Scripture The book culminates with a chapter on apartheid as an ethical challenge to reading the New Testament using South Africa as a contemporary case study enables Burridge to highlight and further apply his previous discussion and conclusions **Dictionary of Scripture and Ethics** Joel B. Green, Jacqueline E. Lapsley, Rebekah Miles, Allen Verhey, 2011-11-01 2012 Reference Book of the Year Award Academy of Parish Clergy This one stop reference book on the vital relationship between Scripture and ethics offers needed orientation and perspective for students pastors and scholars Written to respond to the movement among biblical scholars and ethicists to recover the Bible for moral formation it is the best reference work available on the intersection of these two fields The volume shows how Christian Scripture and Christian ethics are necessarily intertwined and offers up to date treatment of five hundred biblical traditional and contemporary topics ranging from adultery bioethics and Colossians to vegetarianism work and Zephaniah The stellar ecumenical list of contributors consists of more than two hundred leading scholars from the fields of biblical studies and ethics including Darrell Bock David Gushee Amy Laura Hall Daniel Harrington Dennis Olson Christine Pohl Glen Stassen and Max Stackhouse

An Introduction to Christian Ethics Alberto de Mingo Kaminouchi, 2020-10-15 What does it mean to live and build up the Kingdom of God In this book professor and priest Alberto de Mingo Kaminouchi introduces the contemporary reader to Christian ethics by examining the New Testament through the three key concepts of Aristotle's ethics happiness virtue and love In turn the three affirmations orient this reflection through the Gospel First when the triune God appears on the horizon

it becomes easier to understand that existence has a purpose namely participating with the entire human family in this project of happiness called the Kingdom of God Second happiness is not something outside of us it consists in the practice of the virtues that bring about a personal transformation Third the project of the Kingdom leads us to live in love with others De Mingo Kaminouchi shows the reader a real model of this in the community we call the church the field hospital for all those in need of hope This book is accessibly written for readers not already well versed in Christian ethics

Crucifixion-Resurrection Edwyn C. Hoskyns, Francis N. Davey, 2004-10-05 Crucifixion Resurrection is the posthumous work of one of the great theological partnerships Sir Edwyn Hoskyns the pioneer of biblical theology in England and Noel Davey his student in whom he found the ideal literary collaborator It was conceived as the theological sequel to their first joint work *The Riddle of the New Testament* whose influence on generations of students has been incalculable Crucifixion Resurrection is concerned with the theology and ethics of the New Testament It offers a detailed exposition of the various New Testament interpretations of Christ's death penetrating to the heart of the message Christianity has to offer the world and plumbing spiritual depths which the Church rarely sounds today Present New Testament scholarship may have a more extensive technical equipment but does not necessarily come to better theological conclusions indeed the authentic Christian humanism of Hoskyns and Davey may speak to our time even more forcibly than to their own Crucifixion Resurrection has been edited by Gordon S Wakefield who completed the manuscript with the help of lectures left by Noel Davey Wakefield has also provided a substantial biographical account of the two authors *The Indelible Image: The Theological and Ethical Thought World of the New Testament, Volume One* Ben Witherington III, 2009-08-24 Having completed commentaries on all of the New Testament books a remarkable feat in itself Witherington now offers a two volume set on the theological and ethical thought world of the New Testament The first volume looks at the individual witnesses while the second examines the collective witness **Jesus and Virtue Ethics** Daniel Harrington, SJ, James F. Keenan, 2002-10-16 Jesuits Daniel Harrington and James Keenan have successfully team taught the content of this landmark study to the delight of students for years In this book they take the fruits of their own experiences as theologians writers teachers mentors and friends to propose virtue ethics as a bridge between the fields of New Testament Studies and Moral Theology Answering the call of the Second Vatican Council for moral theology to draw more fully on the teaching of Holy Scripture the authors examine the virtues that both flow from Scripture and provide a lens by which to interpret Scripture By remaining true to both the New Testament's emphasis on the human response to God's gracious activity in Jesus Christ and to the ethical needs and desires of Christians in the twenty first century the authors address key topics such as discipleship the Sermon on the Mount love sin politics justice sexuality marriage divorce bioethics and ecology Covering the entire sweep of ethical teaching from its foundations in Scripture and especially in Jesus life death and resurrection to its goal or end with the full coming of God's kingdom the authors invite readers more deeply into an appreciation of the central biblical themes and how based on the themes Catholic

Christian moral theology bears on general ethical issues in culture Complete with reflection questions and suggestions for further reading this book is essential reading for professors students pastors preachers and interested Catholics *Now Choose Life* Gary Millar,2000-10-02 In this NSBT volume Dr J Gary Millar provides a careful and perceptive analysis of Deuteronomy s ethical teaching set in the context of the book s theology After discussing how Deuteronomy has been understood by other scholars he sets out his own interpretation dealing with its ethics in the light of key themes in the book covenant journey law and the nations NEW TESTAMENT THEOLOGY AND ETHICS (VOLUME ONE). BEN.

WITHERINGTON,2016 *The Indelible Image: The Theological and Ethical Thought World of the New Testament* Ben Witherington III,2010-02-08 In the first volume of his two volume comprehensive overview of the theological and ethical thought world of the New Testament Ben Witherington III focuses on expository samplings of the theology and ethics of New Testament writers in context and closely examines the interrelations between New Testament theology and ethics

The Great Reversal Allen Verhey,1984 Christians today are called to discern the shape and style of a life worthy of the gospel of Christ Even in the face of changing situations and new moral problems to address the contemporary church stands self consciously in a tradition of which the New Testament is a normative part In this major study of New Testament ethics Verhey examines the ethic of Jesus for it is there that the New Testament tradition begins He then analyzes the different forms in which the early church handed down the memory of Jesus s words and deeds in the development of a moral tradition Next he deals with that tradition as it came to canonical expression in the New Testament writings In the last part of the book Verhey focuses on the use of the New Testament in the continuing moral tradition of the church surveying proposals for the use of Scripture identifying the critical methodological questions and defending a modest proposal for the use of Scripture Copyright Libri GmbH All rights reserved
