Box-Steffensmeier, Henry E. Brady, David Collier, 2008-08-21 Political methodology has changed dramatically over the past
thirty years and many new methods and techniques have been developed Both the Political Methodology Society and the
Qualitative Multi Methods Section of the American Political Science Association have engaged in ongoing research and
training programs that have advanced quantitative and qualitative methodology The Oxford Handbook of Political
Methodology presents and synthesizes these developments The Handbook provides comprehensive overviews of diverse
methodological approaches with an emphasis on three major themes First specific methodological tools should be at the
service of improved conceptualization comprehension of meaning measurement and data collection They should increase
analysts leverage in reasoning about causal relationships and evaluating them empirically by contributing to powerful
