Lexical Nonmanuals in German Sign Language Nina-Kristin Pendzich,2020-05-05 The book presents an empirical and theoretical investigation of lexical nonmanuals in German Sign Language including torso head and facial expressions Three empirical studies demonstrate the relevance of nonmanuals for the wellformedness of signs their meaning and lexical processing Moreover implications for the theoretical implementation of lexical nonmanuals

concerning e.g. articulation patterns and phonological status are discussed **Medicare and Medicaid Guide**, 1969

Substance in International Tax Law Florian Navisotschnigg, 2022-08-09 The notion of substance is proving to be central to the OECD's base erosion and profit shifting BEPS project particularly in the area of taxation of intangibles. In this book this notoriously hard to define concept is examined from three distinct angles: transfer pricing, DEMPE Approach, harmful tax practices, Substantial Activity Requirement, and tax treaties, Beneficial Ownership. In a thoroughgoing investigation using the practical example of an IP company, the author provides detailed and precise answers to the following questions: What substance is necessary to be entitled to intangible-related returns? What substance is necessary to benefit from preferential IP regimes or no or only nominal tax jurisdictions? What substance is necessary to collect royalties free from withholding taxes? Given the need to agree on a common understanding of substance in international tax law in order to avoid costly tax disputes, this important book is unmatched for the clear light it sheds on the most relevant substance requirements regarding intangibles. It will prove invaluable to tax practitioners and in-house counsel who are dealing with cross-border transactions concerning intangibles. Darby & Walsh Dental Hygiene - E-Book Jennifer A. Pieren, Cynthia Gadbury-Amyot, 2024-01-19

Selected for Doody's Core Titles 2024 with Essential Purchase designation. In Dental Hygiene, online procedure videos are included with new text purchase.
