Zealand in 1642 to the author's unlikely romance with a Maori man. An intimate account of two centuries of friction and fascination, this intriguing and unpredictable book weaves a path through time and around the world in a rich exploration of the past and the future that it leads to. *Routes and Roots* Elizabeth DeLoughrey, 2009-12-31 Elizabeth DeLoughrey invokes the cyclical model of the continual movement and rhythm of the ocean, tidalectics to destabilize the national, ethnic and even regional frameworks that have been the mainstays of literary study. The result is a privileging of alter native epistemologies whereby island cultures are positioned where they should have been all along at the forefront of the world historical process of transoceanic migration and landfall. The research determination and intellectual dexterity that infuse this nuanced and meticulous reading of Pacific and Caribbean literature invigorate and deepen our interest in and appreciation of island literature. Vilsoni Hereniko University of Hawai'i Elizabeth DeLoughrey brings contemporary hybridity, diaspora and globalization theory to bear on ideas of indigeneity to show the complexities of native identities and rights and their grounded opposition as indigenous regionalism to free floating globalized cosmopolitanism. Her models are instructive for all postcolonial readers in an age of transnational migrations. Paul Sharra, University of Wollongong, Australia. *Routes and Roots* is the first comparative study of Caribbean and Pacific Island literatures and the first work to bring indigenous and diaspora literary studies together in a sustained dialogue. Taking the tidalectic between land and sea as a dynamic starting point, Elizabeth DeLoughrey foregrounds geography and history in her exploration of how island writers inscribe the complex relation between routes and roots. The first section looks at the sea as history in literatures of the Atlantic middle passage and Pacific Island voyaging, theorizing the transoceanic imaginary. The second section turns to the land to examine indigenous epistemologies in nation building literatures. Both sections are particularly attentive to the ways in which the metaphors of routes and roots are gendered, exploring how masculine travelers are naturalized through their voyages across feminized lands and seas. This methodology of charting transoceanic migration and landfall helps elucidate how theories and people travel, positioning island cultures in the world historical process. In fact, DeLoughrey demonstrates how these tropical island cultures helped constitute the very metropolises that deemed them peripheral to modernity. Fresh in its ideas, original in its approach, *Routes and Roots* engages broadly with history, anthropology and feminist postcolonial Caribbean and Pacific literary and cultural studies. It productively traverses diaspora and indigenous studies in a way that will facilitate broader discussion between these often segregated disciplines. *Polynesian Navigation and the Discovery of New Zealand* Jeff Evans, 2011 First published 1998 as *The discovery of Aotearoa* by Reed Book **Guns and Utu** Matthew Wright, 2011-08-01 So they went forth and they were given over to death by the guns. Rangipito of Ngati Rahiri. In the two decades before the Treaty of Waitangi, New Zealand was ripped asunder by island spanning waves of warfare, extreme violence and cannibalism. Great war parties surged the length of the land to avenge historic grievances, killing and burning as they went. Whole peoples were uprooted and found new homes. Despite the name given them by history, one thing we can be certain about is that these

dramatic conflicts were not simply musket wars This was an age of courage of heroism of great character and of astonishing deeds And they are not dead history Twenty first century New Zealand has been profoundly shaped by them not least in the location of most of the major cities In Guns and Utu historian Matthew Wright disputes the many mythologies of these wars examining some of the whys and wherefores of this generation long culture collision A spectacular book Don Rood Radio New Zealand National Encounters: The Creation of New Zealand Paul Moon,2013-07-24 Throughout its human history New Zealand has been interpreted and experienced in often radically different ways Each wave of arrivals to its shores has left its own set of views of New Zealand on the country applying a new coat of mythology and understanding to the landscape usually without fully removing the one that lies beneath it Encounters is the wide ranging audacious and gripping story of New Zealand s changing national identity how it has emerged and evolved through generations In this genre busting book historian Paul Moon delves into how the many and conflicting ideas about New Zealand came into being Along the way he explores forgotten crevices of the nation s character and exposes some of the mythology of its past and present These include for example the earliest Maori myths and the mock sacredness of the All Blacks in the twenty first century the role of nostalgia in our national character both Maori and Pakeha whether the explorer Kupe existed the appeal of the Speight s Southern Man and ruminations on New Zealand art and landscape What results is an absorbing piece of scholarship an imaginative and exuberant epic that will challenge preconceptions about what it means to be a New Zealander and how our country is understood Lyrical breathtaking and provocative and illustrated with artworks throughout Encounters offers an extraordinary insight into the beginnings of our country **Nga Moteatea** Sir Apirana Turupa Ngata,1961 **New Zealand Books in Print** ,1998 **Struggle Without End** Ranginui Walker,1990 Dr Ranginui Walker s best selling history of Aotearoa New Zealand from a Maori perspective Since the mid nineteenth century Maori have been involved in an endless struggle for justice equality and self determination In this book Dr Walker provides a uniquely Maori view not only of the events of the past two centuries but beyond to the very origins of Maori people The Journal of the Polynesian Society Polynesian Society (N.Z.),1925 Vols for 1892 1941 contain the transactions and proceedings of the society
