Andrew Martin

Nice Book Blackpool Highflyer Andrew Martin:

The Blackpool Highflyer Andrew Martin, 2007-07-02 A compelling thriller set against the historical backdrop of Edwardian England's railway system Daily Mail Assigned to drive holidaymakers to the seaside resort of Blackpool in the hot summer of 1905 Jim Stringer is happy to have left behind the grime and danger of life in London But his dreams of beer and pretty women are soon shattered when his high speed train meets a huge millstone on the line leading to a passenger's death This is an atmospheric mystery of sabotage and suspicion from an author who does a stunning job of bringing to life the era when steam locomotives chugged from London through the British countryside Booklist A clear winner in literary crime writing Dazzling attention to detail and quality writing Daily Express A steamy whodunnit This may well be the best fiction about the railways since Dickens The Independent on Sunday

Death at the Door Carolyn Hart, 2015-05 In this mystery in the New York Times bestselling Death on Demand series bookstore owner Annie Darling learns just how much she prefers fictional crimes to real ones In one tragic week two acts of violence shake the island community of Broward's Rock First a beloved doctor is found shot dead seemingly by his own hand Days later a local artist is arrested after his wife is found murdered bludgeoned by her husband's sculpting mallet Convinced her brother did not commit suicide the doctor's sister turns to Annie and her husband Max She has found a cryptic sketch her brother drew linking him with the murdered woman Did someone want them both out of the picture Now it's up to Annie and Max to sort through a rogues gallery of suspects to see if someone is trying to frame the artist But if Annie isn't careful she may have her own brush with death

The Necropolis Railway Andrew Martin, 2009-04-02 A brilliant murder mystery set in Edwardian London about a railway line that runs only to a massive cemetery Daily Mirror When railwayman Jim Stringer moves to the garish and tawdry London of 1903 he finds his duties are confined to a mysterious graveyard line The men he works alongside have formed an instant loathing for him and his predecessor has disappeared under suspicious circumstances Can Jim work out what is going on before he too is travelling on a one way coffin ticket aboard the Necropolis Railway Guaranteed to make the flesh creep and the skin crawl a masterful novel about a mad clanking fog bound world Simon Winchester A murderous conspiracy of a plot graced with style wit and the sharp true taste of a time gone by So beautifully nuanced and so effortlessly pleasurable to read that you almost want to keep it a personal secret Independent on Sunday

Murder at Deviation Junction Andrew Martin, 2009 From the author of *The Necropolis Railway* *The Blackpool Highflyer* and *The Lost Luggage Porter* comes another thrilling mystery featuring railway detective Jim Stringer It is winter 1909 and Jim desperately needs his anticipated New Year's promotion in order to pay for a nurse for his ailing son Jumping at any opportunity to impress his supervisor Jim agrees to investigate a standard assault in a nearby town But when his train home hits a snowdrift and a body is discovered buried in the snow Jim finds himself tracking another dangerous killer Soon he is on a mad chase to find the suspect trailing him to the furnaces of Ironopolis and across the country on a dangerous ride to the Highlands As pursuer becomes pursued Jim begins

to doubt he will ever get his promotion or that he will survive this case at all

Death on a Branch Line Andrew Martin, 2009-04-02 The period detail is wonderful The story builds up a good head of steam early on and rattles along nicely to a satisfying conclusion Guardian It s the summer of 1911 and as Britain is gripped by paranoia about German spies and secret preparations for war railway detective Jim Stringer decides to set out for a much needed holiday But before he can leave he finds himself escorting a young aristocrat Hugh Lambert who is on his way to be executed for the murder of his father When Hugh warns that a second murder is imminent in his isolated village Jim sees a chance to kill two birds with one stone And so as he visits the village with his wife Lydia on the pretext of holidaying Jim finds he has one weekend in which to stop another murder and unravel a conspiracy of international dimensions Eccentric and engaging Sunday Times Enough historical details and rural oddbods for a BBC serial a baffling plot and most importantly good writing Scotland on Sunday Praise for the Jim Stringer series Breathe in the heady mixture of smoke oil and steam and the odd spot of real ale and feel the crunch of cinders beneath your feet you re in historic railway territory again Manchester Evening News Finely honed crime novels with plotting as precise as a Swiss watch Daily Express This series is er really building up a head of steam Observer Readers love Jim Stringer railway detective It s hard to envisage anyone not warming to Jim Stringer Independent An unlikely sleuth ingenuous naive and a little anxious but an endearing narrator a solid bloke who d be good company over a pint of stout down the pub Telegraph The best sleuth that 200 years of the railways have ever produced Independent on Sunday

The Last Train to Scarborough Andrew Martin, 2009-03-05 A thoroughly engaging and entertaining read All aboard Sunday Express Terrific Daily Telegraph It s March 1914 and Jim Stringer is uneasy about his next assignment It s not so much the prospect of a Scarborough lodging house in the gloomy off season that bothers him or even the fact that the last railwayman to stay in the house has disappeared without trace It s more that his governor Chief Inspector Saul Weatherhill seems to be deliberately holding back details of the case and that he s been sent to Scarborough with a trigger happy assistant The lodging house is called Paradise but as Jim discovers it s hardly that in reality It is however home to the seductive and beautiful Amanda Rickerby a woman evidently capable of derailing Jim s marriage and a good deal more besides As a storm brews in Scarborough it becomes increasingly unlikely that Jim will ever ride the train back to York Like all the Jim Stringer adventures The Last Train to Scarborough bewitches with its detail dry humour and laid back ruminations but the strangeness of the plot and the originality of the murder method puts this latest book into a weird class of its own Observer Praise for the Jim Stringer series Breathe in the heady mixture of smoke oil and steam and the odd spot of real ale and feel the crunch of cinders beneath your feet you re in historic railway territory again Manchester Evening News Finely honed crime novels with plotting as precise as a Swiss watch Daily Express This series is er really building up a head of steam Observer Readers love Jim Stringer railway detective It s hard to envisage anyone not warming to Jim Stringer Independent An unlikely sleuth ingenuous naive and a little anxious but an endearing narrator a solid bloke who d be good

company over a pint of stout down the pub Telegraph The best sleuth that 200 years of the railways have ever produced Independent on Sunday *Underground, Overground* Andrew Martin, 2012-04-26 Why is the Victoria Line so hot What is an Electrical Multiple Unit Is it really possible to ride from King s Cross to King s Cross on the Circle line The London Underground is the oldest most sprawling and illogical metropolitan transport system in the world the result of a series of botch jobs and improvisations Yet it transports over one billion passengers every year and this figure is rising It is iconic recognised the world over and loved and despised by Londoners in equal measure Blending reportage humour and personal encounters Andrew Martin embarks on a wonderfully engaging social history of London s underground railway system which despite its name is in fact fifty five per cent overground Underground Overground is a highly enjoyable witty and informative history of everything you need to know about the Tube **New Statesman** ,2005 Steam Trains Today Andrew Martin, 2021-04-29 A delightful book the perfect companion as you wait for the 8 10 from Hove Observer After the Beeching cuts of the 1960s many railways were gradually shut down Rural communities were isolated and steam trains slowly gave way to diesel and electric traction But some people were not prepared to let the romance of train travel die Thanks to their efforts many lines passed into community ownership and are now booming with new armies of dedicated volunteers Andrew Martin meets these volunteer enthusiasts finding out just what it is about preserved railways that makes people so devoted From the inspiration for Thomas the Tank Engine to John Betjeman s battle against encroaching modernity *Steam Trains Today* will take you on a heart warming journey across Britain from Aviemore to Epping To the Sea by Train Andrew Martin, 2025-07-31 THE TOP TEN SUNDAY TIMES BESTSELLER Vividly conjures a lost age FINANCIAL TIMES Hugely entertaining EVENING STANDARD A feast of anecdotage SUNDAY TIMES Throughout the twentieth century the seaside service posters of Britain s railways promised fresh air and frivolity to millions of urban dwellers with the phrase To the sea by train A staple of modern British life the seaside getaway was intertwined with the train in whose compartments holidaymakers were shunted from smog choked cities to sandy coves With his signature wit and anecdotal style Andrew Martin captures an era defined by its railways from the development of Brighton and Scarborough into pleasure resorts and the introduction of bank holidays and two day weekends to the advent of cheap flights and the British coast s subsequent decline Humorous and evocative *To the Sea by Train* takes a charming tour through Britain s most beloved pastime A standalone classic COUNTRY LIFE Infectious SPECTATOR *Talking Book Topics* ,2011 **Digital Talking Books Plus** ,2011 *Night Trains* Andrew Martin, 2017-02-09 Night trains have long fascinated us with the possibilities of their private sleeping compartments gilded dining cars champagne bars and wealthy travellers Authors from Agatha Christie to Graham Greene have used night trains to tell tales of romance intrigue and decadence against a rolling background of dramatic landscapes The reality could often be as thrilling early British travellers on the Orient Express were advised to carry a revolver as well as a teapot In *Night Trains* Andrew Martin attempts to relive the golden age of the great European sleeper

trains by using their modern day equivalents This is no simple matter The night trains have fallen on hard times and the services are disappearing one by one But if the Orient Express experience can only be recreated by taking three separate sleepers the intriguing characters and exotic atmospheres have survived Whether the backdrop is 3am at a Turkish customs post the sun rising over the Riviera or the constant twilight of a Norwegian summer night Martin rediscovers the pleasures of a continent connected by rail By tracing the history of the sleeper trains he reveals much of the recent history of Europe itself The original sleepers helped break down national barriers and unify the continent Martin uncovers modern instances of European unity and otherwise as he traverses the continent during interesting times with Brexit looming Against this tumultuous backdrop he experiences his own smaller dramas as he fails to find crucial connecting stations ponders the mystery of the compartment dog and becomes embroiled in his very own night train whodunit

Balderdash & Piffle Alex Games, 2010-12-15 Discover the fascinating stories behind the words and phrases we use every day English is now the world's most popular second language understood by over 700 million people across the globe Its use is amazingly broad not only is it the language of Chaucer and Shakespeare but also of hip hop international business and the internet over 80% of home pages are in English So where exactly do English words come from They come from everywhere English is a vast rambling conglomeration of words and phrases from a huge variety of times and places and every word has its own intriguing history Balderdash Piffle is a guidebook an entertaining look at what falls out of the chaotic family tree of English words when you uproot it and give it a damn good shake Shaking the tree is writer humourist and word sleuth Alex Games If you've ever wondered who first used cuppa in print what language gave us shampoo when we started saying window where minging comes from what Shakespeare had to say about geeks and why berk is really really rude you'll find it all and much more inside You'll also have the chance to do your own word sleuthing through the BBC Wordhunt appeal Who knows if you have written evidence of a bouncy castle from before 1986 you could even re-write history

Belles and Whistles Andrew Martin, 2014-09-04 In the heroic days of rail travel you could dine on kippers and champagne aboard the Brighton Belle smoke a post prandial cigar as the Golden Arrow closed in on Paris or be shaved by the Flying Scotsman's on board barber Everyone from schoolboys to socialites knew of these glamorous named trains and aspired to ride aboard them In Belles and Whistles Andrew Martin recreates these famous train journeys by travelling aboard their nearest modern day equivalents Sometimes their names have survived even if only as a footnote on a timetable leaflet but what has usually if not always disappeared is the extravagance and luxury As Martin explains how we got from there to here evocations of the Golden Age contrast with the starker modern reality from monogrammed cutlery to stirring sticks from silence on trains to tannoy announcements from compartments to airline seating For those who wonder whatever happened to porters dining cars mellow lighting timetables luggage in advance trunk murders the answers are all here Martin's five journeys add up to an idiosyncratic history of Britain's railways combining humour historical anecdote and reportage from the present and

romantic evocations of the past **Library + Information Update** ,2008 *The Publishers Weekly* ,2007 **Book Review Digest** ,2008 *Book Review Index Cumulation* Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year **The Times Index** ,2004 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement

While this might not be the Nice Book Blackpool Highflyer Andrew Martin full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Nice Book Blackpool Highflyer Andrew Martin eBooks, including some popular titles.

FAQs About Nice Book Blackpool Highflyer Andrew Martin Books

What is a Nice Book Blackpool Highflyer Andrew Martin PDF? A PDF (Portable Document Format) is a file format

developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Nice Book Blackpool Highflyer Andrew Martin PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Nice Book Blackpool Highflyer Andrew Martin PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Nice Book Blackpool Highflyer Andrew Martin PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Nice Book Blackpool Highflyer Andrew Martin PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
