The Oxford Edition of the Sermons of John Donne John Donne, 2013 *The Oxford Edition of the Sermons of John Donne, Volume VII* Peter McCullough, Erica Longfellow, 2024-12-11 Volume VII of The Oxford Edition of the Sermons of John Donne gathers sermons preached by Donne at different venues for the related liturgical occasions of marriages christenings and the churching of women after childbirth The volume contains ten sermons seven of them undated and in the case of the christening sermons also for parties unknown one of the two churching sermons survives only in an authorially revised state as two separate but obviously coeval sermons Longfellow and McCullough establish that these sermons were preached across almost the whole of Donne's preaching career from among his earliest ca 1615-16 to 1627 four years before his death In each case an authoritative text has been established by freshly collating multiple copies of the seventeenth century print editions as well as multiple manuscript copies which predate the print witnesses For the first time these sermons appear with full critical apparatus The Introduction provides the first dedicated account of the place of sermons in the social liturgical and theological contexts of these occasions in post Reformation England A headnote to each sermon describes its textual state and supplies local historical social and intellectual context and suggestions for further reading Extensive commentaries document Donne's use of sources both acknowledged and unacknowledged translate passages in foreign languages and gloss important and unfamiliar words Although largely neglected by previous scholarship these sermons emerge here as unique the only known sermons for churchings challenging for views on women and marriage more conservative than many of Donne's contemporaries and as evidence of Donne's Calvinist sacramental theology and his anti Catholicism They are also fine examples of Donne's skill in crafting emotionally compelling sermons suited to the unique demands of both occasion and auditory [The Oxford Edition of the Sermons of John Donne](#) John Donne, 2013 [Medieval and Renaissance Drama in England, vol. 28](#) S.P. Indigenous postcolonial and process In each case the author describes the circumstances in which the theological family emerged and describes the purposes and characteristics of preaching from that perspective The Oxford Edition of the Sermons of John Donne John Donne,2015 **My Christian Journey: In Places Lived** Marianne Dorman,2016-01-06 Over the years people have commented Why don t you write about your life To write a chronological autobiography never appealed to me Thus I abandoned the idea until about five years ago when having morning tea with my Byzantium scholar friend in Sydney We were discussing some aspect of Classical Roman history when the subject of genius loci spirit of the place entered our conversation On the bus back to my flat in Lane Cove this idea kept niggling at me Perhaps I could write about the places loci in which I have lived and the effect of these on my Christian journey firstly as a child then as a student wife mother educator writer and an admirer of all that is beautiful as expressed in most music worship in the Eastern and some Western traditions literature painting people and the natural world The result is this book beginning in a small country town Cowra some three hundred kilometres south west of Sydney Australia then to a smaller island Great Britain where I lived mainly in Oxford and ending on yet a smaller island in Puget Sound Whidbey close to the Canadian border As well as being influenced by various places so by people These include Fr John Hope of Christ Church St Laurence Sydney as a teenager and the Lady Margaret Professor in Oxford Dr Rowan Williams when I first arrived in this University City Perhaps the person who influenced me mostly was not one I actually met in person but came to know through my research He is the divine Lancelot Andrewes who has been part of my life for more years than I can remember and whose sermons and devotions are embedded in my being In later years I have been grateful to the renowned biblical scholar Fr Raymond Brown who gave me a fresh and scholarly understanding of the New Testament Last but not least has been the Franciscan Fr Richard Rohr who has taught me the necessity of non dualistic consciousness for spiritual growth As much as places and people have helped to shape me none has more than the Potter and Pantocrator who has moulded and reshaped this lump of clay constantly in my Christian journey **Art, Literature and Religion in Early Modern Sussex** Andrew Hadfield,2016-04-15 Art Literature and Religion in Early Modern Sussex is an interdisciplinary study of a county at the forefront of religious political and artistic developments in early modern England Ranging from the schism of Reformation to the outbreak of Civil War the volume brings together scholars from the fields of art history religious and intellectual history and English literature to offer new perspectives on early modern Sussex Essays discuss a wide variety of topics the coherence of a county divided between East and West and Catholic and Protestant the art and literary collections of Chichester cathedral communities of Catholic gentry Protestant martyrdom aristocratic education writing preaching and exile local funerary monuments and the progresses of Elizabeth I Contributors include Michael Questier Nigel Llewellyn Caroline Adams Karen Coke and Andrew Foster The collection concludes with an Afterword by Duncan Salkeld University of Chichester This volume extends work done in the 1960s and 70s on early modern Sussex drawing on new work on county and religious identities and setting it into a broad

national context The result is a book that not only tells us much about Sussex but which also has a great deal to offer all scholars working in the field of local and regional history and religious change in England as a whole **Preaching**

Hebrews Douglas D. Webster, 2017-10-09 Hebrews is a powerful meditation on the gospel It is a sixty minute sermon delivered to a worshipping congregation The spiraling impact of theological exposition and pastoral exhortation is impressive Hebrews weans us away from our preoccupation with the start of the Christian life and focuses our attention on the perseverance of faith Life is not a sprint it s a marathon Faithfulness to the end affirms faith from the beginning If we let the word of God have its way with us Hebrews will deepen our faith in Christ and strengthen our faithfulness Like Jesus in the Gospels Hebrews sees the fundamental difference between apostasy and faithfulness as the difference between a religion about God and a Christ centered relationship with God Any form of Christianity that competes like other religions for the attention of its adherents through its rituals practices pastors traditions and sacred spaces has fallen back into an obsolete and worldly strategy The pastor calls for a decisive end to religion even the best religion ever conceived The flow of reasoned argument for Christ and against religion along with the pulsating emotional intensity of ultimate issues laid bare and heart felt warnings against complacency and unbelief deliver a powerful and timely message **Books printed for and sold by**

The Caroline Divines and the Church of Rome Mark Langham, 2017-10-04 In the early seventeenth century as the vehement aggression of the early Reformation faded the Church of England was able to draw upon scholars of remarkable ability to present a more thoughtful defence of its position The Caroline Divines who flourished under King Charles I drew upon vast erudition and literary skill to refute the claims of the Church of Rome and affirm the purity of the English religious settlement This book examines their writings in the context of modern ecumenical dialogue notably that of the Anglican Roman Catholic International Commission ARCIC to ask whether their arguments are still valid and indeed whether they can contribute to contemporary ecumenical progress Drawing upon an under used resource within Anglicanism s own theological history this volume shows how the restatement by the Caroline Divines of the catholic identity of the Church prefigured the work of ARCIC and provides Anglicans with a vocabulary drawn from within their own tradition that avoids some of the polemical and disputed formulations of the Roman Catholic tradition The London Mercury Sir John Collings Squire, Rolfe

Arnold Scott-James, 1925 **John Donne in the Nineteenth Century** Dayton Haskin, 2007-06-21 In 1906 having been assigned Izaak Walton s Life of Donne to read for his English class a Harvard freshman heard a lecture on the long disparaged metaphysical poets Years later when an appreciation of these poets was considered a consummate mark of a modernist sensibility T S Eliot was routinely credited with having discovered Donne himself John Donne in the Nineteenth Century tracks the myriad ways in which Donne was lodged in literary culture in the Romantic and Victorian periods The early chapters document a first revival of interest when Walton s Life was said to be in the hands of every reader they

explore what Wordsworth and Coleridge contributed to the conditions for the 1839 publication of the only edition ever called *The Works* which reprinted the sermons of Dr Donne Later chapters trace a second revival when admirers of the biography turning to the prose letters and the poems to supplement Walton discovered that his hero's writings entail the sorts of controversial issues that are raised by Browning by the fleshly school of poets and by self consciously decadent writers of the fin de siècle The final chapters treat the spread of the academic study of Donne from Harvard where already in the 1880s he was the anchor of the seventeenth century course to other institutions and beyond the academy showing that Donne's status as a writer eclipsed his importance as the subject of Walton's narrative which Leslie Stephen facetiously called the masterpiece of English biography

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
