Thomas,2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have

relied on this detailed subject guide to children's picture books for all aspects of children's services and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive, as opposed to formal, catalog subject terms to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons or to design thematic programs and story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles.

**School Libraries 3.0** Rebecca P. Butler, 2015-06-18 This textbook for school library administration courses is written by a professor who has taught this course at least once a year for the past twenty years. Technology is interwoven throughout the book and not listed as a separate chapter or book section. This is because the school librarian of today and certainly the school librarian of tomorrow is working in an environment of web resources, multimedia, mixed methods, and varying programs and services. Major chapters cover the various roles of the school librarian, curricular standards and guidelines, policies and procedures, budgeting, facilities, personnel services, programming, ethics, advocacy, and evaluation. Sample policies, procedures, and plans make this book valuable to both new and experienced school librarians.

**School Library Journal**, 2010 **Orangutan** Deutsche Don Juan, 2015-12-15 *Orangutan Beautiful Pictures Interesting Facts Reading* this book children will learn all about the large but gentle orangutans they can only see in captivity inside the zoo. Young kids will benefit from reading this book by learning what is truly happening to these animals today and how to properly treat them and care for them. Kids and their parents love it.

*Orangutan* Jeanne Sorey, 2020-05-09 [Orangutans](#) Julie Murray, 2013-01-01 Did you know that the intelligent orangutan uses leaves as an umbrella? Readers will discover this and more in this fascinating title. Bold colors, engaging text, and oversized photos introduce readers to the orangutan's body structure, eating habits, social behavior, habitat, predators, and survival threats. In addition, readers will learn about the life of an orangutan from baby to independence. A map highlights orangutan territory, fun facts appear throughout, and the book closes with a full page of kid-friendly orangutan facts. A table of contents, a glossary with phonetic spellings, and an index are included. This title will leave readers with a deeper appreciation of the continent of Asia and the incredible orangutan. Aligned to Common Core Standards and correlated to state standards. Big Buddy Books is an imprint of Abdo Publishing, a division of ABDO.

**Orangutan** Michelle Hawkins, 2021-04-11 Do you know that orangutans make over 32 different sounds to communicate with each other? And do you know that the name orangutan means human or person of the forest? It is sometimes difficult to make our children understand the beauty of nature, to make them appreciate the small things: the beauty of a flower, the freshness of the air, the scent of grass. Often we are not fortunate to be in contact with nature far from

a meadow closed in the cities Still so often while looking out from our balcony in a beautiful country house we know how to observe but do not appreciate creation s beauty Know the details and habits of zoo animals as common as it is surprising through a simple path which fuels your child s interest and curiosity That s the purpose of this book But beware prepare for the challenge You will have to be able to answer the questions that your child will ask you by showing off their deep knowledge in the microworld of the Orangutan Mom do you know where are the only forests that you can find Orangutans in I do Hey dad do you know what the arm span of an Orangutan is I do Grandpa do you know how long mothers will carry their baby I do Grandma do you know how much time Orangutans will spend in trees I do Sarah you re my big sister and you ve studied a lot but I bet you don t know how long it takes for Orangutans to build their nest every night I know that You don t need anything else just one click on Buy Now and you will let your child live a magical new adventure with his new friend Orangutan and the magic natural world of zoo animals
