pay the ultimate price     Orbital - Volume 7 - Implosion Sylvain Runberg,2017-11-08T00:00:00+01:00 After the events in Stockholm Caleb and Mezoke have become renegades and are hunted by the entire Confederation Inevitably they end up on Tetsuam a gigantic itinerant space station that s the capital of crime in the galaxy But while they attempt to sort out a future for themselves and as Confederate space is recovering from the civil war the Neuronomes sentient ships previously thought eradicated appear to launch random devastating suicide attacks that kill thousands     **Orbital - Volume 1 - Scars**

Runberg,Pellé,2013-01-22T00:00:00+01:00 In the 23rd century humans and Sandjarrs are allowed to join an intergalactic multiracial organisation set up 8 000 years before The humans are seen as a belligerent underdeveloped race by the other members of the organisation and have been kept out of it until now The Sandjarrs had stayed out of interplanetary politics until a war between themselves and the humans broke out Now Caleb a human and Mezoke a Sandjarr are paired up and trained as special agents to keep the intergalactic peace This is a controversial and historic alliance and a lot of people are watching them Their first mission is to keep war from breaking out between humans and Javlodes on the planet Senestam

**Orbital - Volume 5 - Justice** Sylvain Runberg,2014-03-28T00:00:00+01:00 Following the Kuala Lumpur incidents which almost prevented the Human Sandjarr reconciliation ceremony from being held the situation on Earth is increasingly tense The mood has turned ugly resulting in attacks against aliens and assassinations of isolationist personalities Meanwhile the circles of Confederate powers are afire with political manoeuvring and Mezoke is on trial for high treason a convenient scapegoat But when the judges request that Caleb be brought out of his regenerative coma to testify the Sandjarr agent s loyalty is put to the test     Orbital - Volume 8 - Contacts Sylvain Runberg,2020-06-18T00:00:00+02:00 It s clear now the Neuronomes are not attacking the Confederation but rather are the victims of a mysterious aggressor and they explode when they die They did however take up positions near large population centres threatening to take thousands of lives with them when they go in order to pressure Confederate authorities who had once massacred them into helping them Unsurprisingly Caleb Mezoke and Angus are chosen to go to the Neuronomes home planet and neutralise the unknown threat     **Orbital**
