The Marcus Garvey and Universal Negro Improvement Association Papers, Vol. IV Robert A. Hill, Marcus Garvey, Universal Negro Improvement Association, 1983

Africa for the Africans was the name given in Africa to the extraordinary black social protest movement led by Jamaican Marcus Mosiah Garvey, 1887-1940. Volumes I-VII of the *Marcus Garvey and Universal Negro Improvement Association Papers* chronicled the Garvey movement that flourished in the United States during the 1920s. Now the long-awaited African volumes of this edition, Volumes VIII and IX, and a forthcoming Volume X, demonstrate clearly the central role Africans played in the development of the Garvey phenomenon. The African volumes provide the first authoritative account of how Africans transformed Garveyism from an external stimulus into an African social movement. They also represent the most extensive collection of documents ever gathered on the early African nationalism of the interwar period. Here is a detailed chronicle of the spread of Garvey's call for African redemption throughout Africa and the repressive colonial responses it engendered. Volume VIII begins in 1917 with the little-known story of the Pan-African commercial schemes that preceded Garveyism and charts the early African reactions to the UNIA. Volume IX continues the story, documenting the establishment of UNIA chapters throughout Africa and presenting new evidence linking Garveyism and nascent Namibian nationalism.

A Missionary Twig Emma L. Burnett, 2019-12-10

In *A Missionary Twig*, Emma L. Burnett crafts a poignant narrative that deftly intertwines personal sacrifice, faith, and the quest for cultural understanding. Set against the backdrop of the late 19th-century missionary movements, Burnett employs a lyrical prose style that captures

the emotional depth and moral complexities faced by those venturing into foreign lands Her vivid descriptions and reflective inner monologues draw readers into the intricate dynamics between Western missionaries and indigenous cultures highlighting the often overlooked consequences of such encounters and the profound impact on individual lives A noted figure of her time Burnett s extensive engagement with missionary work likely roots her narrative in authentic experiences lending credibility and urgency to her storytelling Her background as a member of the missionary community informs the nuanced portrayal of characters who grapple with their convictions and cultural clashes Influenced by the prevailing sentiments of her era she challenges readers to confront their preconceived notions of faith morality and colonialism A Missionary Twig is a compelling read for those interested in the intersections of literature history and theology Burnett s exploration of faith s transformative power and its implications offers valuable insights into human connection and cultural empathy making it essential reading for anyone seeking a deeper understanding of the missionary experience

The Women of NOW Katherine Turk,2023-08-15 A clear blueprint for change A must read Clara Bingham The Guardian The history of NOW its organization trials and revolutionary mission told through the work of three members In the summer of 1966 crammed into a D C hotel suite twenty eight women devised a revolutionary plan Betty Friedan the well known author of The Feminine Mystique and Pauli Murray a lawyer at the front lines of the civil rights movement had called this renegade meeting from attendees at the annual conference of state women s commissions Fed up with waiting for government action and trying to work with a broken system they laid out a vision for an organization to unite all women and fight for their rights Alternately skeptical and energized they debated the idea late into the night In less than twenty four hours the National Organization for Women was born In The Women of NOW the historian Katherine Turk chronicles the growth and enduring influence of this foundational group through three lesser known members who became leaders Aileen Hernandez a federal official of Jamaican American heritage Mary Jean Collins a working class union organizer and Chicago Catholic and Patricia Hill Burnett a Michigan Republican artist and former beauty queen From its bold inception through the tumultuous training ground of the 1970s NOW s feminism flooded the nation permanently shifted American culture and politics and clashed with conservative forces presaging our fractured national landscape These women built an organization that was radical in its time but flexible and expansive enough to become a mainstream fixture This is the story of how they built it and built it to last Includes 16 pages of black and white images

Now It Can Be Told Leslie M. Groves,2009-08-11 A first person account of the Manhattan Project by the general who hired and worked alongside Robert Oppenheimer General Leslie Groves and J Robert Oppenheimer were the two men chiefly responsible for the building of the first atomic bomb at Los Alamos code name the Manhattan Project As the ranking military officer in charge of marshaling men and material for what was to be the most ambitious expensive engineering feat in history it was General Groves who hired Oppenheimer with knowledge of his left wing past planned facilities that would extract the necessary enriched uranium and saw to it that nothing interfered with the accelerated research and swift assembly of the weapon This is his story of the political logistical and personal problems of this enormous undertaking which involved foreign governments sensitive issues of press censorship the construction of huge plants at Hanford and Oak Ridge and a race to build the bomb before the Nazis got wind of it The role of Groves in the Manhattan Project has always been controversial In his new introduction the noted physicist Edward Teller who was there at Los Alamos candidly assesses the general s contributions and Oppenheimer s while reflecting on the awesome legacy of their work The basic story is a thriller as strange as any chapter in American history and its drama is heightened by the general s candor and restraint The New Yorker
