**Michael Brown**

## **Oriana Fallaci The Woman And The Myth:**

**Oriana Fallaci** Santo L Arico,1998-04-08 Internationally acclaimed as a journalist war correspondent interviewer and novelist Oriana Fallaci s public persona reached almost mythic proportions It is a myth Fallaci herself created according to Santo L Aric who probes the psychological forces that motivated one of the twentieth century s most famous and successful women writers Using his own extensive interviews with the writer Aric maps out Fallaci s journey through life paying particular attention to her ongoing and painstaking attempts to establish her own mythical status He first examines her career as a literary journalist emphasizing the high quality of her writing From there he concentrates on how Fallaci s personal image began to emerge in her writings as well as the way in which through her powerful narratives she catapulted herself into the public eye as her own main character The Unmasking of Oriana Fallaci Santo L. Aricò,2013 The Unmasking of Oriana Fallaci Part II and Conclusion to Her Life Story brings to an end years of painstaking research This biography highlights Fallaci s career as a journalist interviewer war reporter essayist and novelist Its uniqueness consists less in a chronological listing of events but rather in emphasis on the core of Fallaci s psychological dynamism This woman from Florence relentlessly placed her embellished persona in the public eye she thirsted for stardom allowing nothing to block her ascent to prominence she essentially functioned as her own publicity agent Aric maintains that this same narcissism is present in all of her early Hollywood articles celebrated interviews book on NASA space travels best selling novels and end of life trilogy against Islam Indeed Fallaci s posthumously published history of her ancestors not only takes on the structure of an epic saga but also of an in depth autobiography Her entire history of inserting herself onto center stage received reinforcement by the eye catching portraits of her by world famous photographers Aric bases The Unmasking on extensive investigation meetings with people who knew her and fourteen one on one recorded interviews at her homes in New York and Florence His expos stands as Fallaci s only definitive and authoritative biography in the English speaking world Oriana Fallaci Cristina De Stefano,2017-10-17 A landmark biography of the most famous Italian journalist of the twentieth century an inspiring and often controversial woman who defied the codes of reportage and established the La Fallaci style of interview Oriana Fallaci is known for her uncompromising vision To retrace Fallaci s life means to retrace the course of history from World War II to 9 11 As a child Fallaci enlisted herself in the Italian Resistance alongside her father Her hatred of fascism and authoritarian regimes would accompany her throughout her life Covering the entertainment industry early on in her career she created an original abrasive interview style focusing on her subject s emotions contradictions and facial expressions more than their words When she grew bored of interviewing movie stars and directors she turned her attention to the greatest international figures of the time Khomeini Gaddafi Indira Gandhi and Kissinger placing herself front and center in the story Reporting from the front lines of the world s greatest conflicts she provoked her own controversies wherever she was stationed leaving behind epic collateral damage in her wake Thanks to unprecedented

access to personal records Cristina De Stefano brings back to life a remarkable woman whose groundbreaking work and torrid love affairs will not soon be forgotten Oriana Fallaci allows a new generation to discover her story and witness the passionate persistent journalism that we urgently need in these times of upheaval and uncertainty **Oriana: A Novel** Anastasia Rubis,2024-03-19 When a Hollywood producer comes to Oriana at the end of her life to propose a movie the story unfolds of her gutsy career rise as a journalist her tragic love and her greatest regret Oriana Fallaci was born a rebel She fought beside her father at age fourteen in Italy's Resistance against the Nazis and overcame poverty the lack of a university education and relentless sexism in the newsroom By 1973 when she moved to New York Oriana Fallaci was hailed by Newsweek as the greatest interviewer of her day She became famous for her courageous and hard hitting interviews with Kissinger Arafat Meir Khomeini and other world leaders not to mention the most prominent celebrities and artists of her day That same year 1973 she did what no journalist is supposed to do she fell in love with one of her subjects Alexander Panagoulis the Greek poet and hero She was 44 he was 34 they lived in different countries It didn't matter Oriana had finally found what she longed for a full life But can a woman ever have it all or does life always exact a price Oriana is the first novel about the glamorous and fearless Italian journalist whom Christiane Amanpour has called her role model for asking tough questions and who holds a place beside Mike Wallace and Barbara Walters when naming world class interviewers This biographical novel tells the story of one of the first women to break through the glass ceiling of journalism a woman who wasn't afraid to speak truth to power and who revolutionized her field all while trying to balance her career with love and happiness For readers who loved Hidden Figures and stories about women who succeed as women in realms traditionally reserved for men **Encyclopedia of Feminist Literature** Mary Ellen Snodgrass,2015-04-22 Presents articles on feminist literature including significant authors themes and history **To Touch the Face of God** Kendrick Oliver,2013-01-15 Was the space program the signature project of secular modernity or a symbol of humankind's perpetual quest for communion with God In the beginning God created the heavens and the earth In 1968 the world watched as Earth rose over the moonscape televised from the orbiting Apollo 8 mission capsule Radioing back to Houston on Christmas Eve astronauts recited the first ten verses from the book of Genesis In fact many of the astronauts found space flight to be a religious experience To Touch the Face of God is the first book length historical study of the relationship between religion and the U S space program Kendrick Oliver explores the role played by religious motivations in the formation of the space program and discusses the responses of religious thinkers such as Paul Tillich and C S Lewis Examining the attitudes of religious Americans Oliver finds that the space program was a source of anxiety as well as inspiration It was not always easy for them to tell whether it was a godly or godless venture Grounded in original archival research and the study of participant testimonies this book also explores one of the largest petition campaigns of the post war era Between 1969 and 1975 more than eight million Americans wrote to NASA expressing support for prayer and bible reading in space Oliver's study is

rigorous and detailed but also contemplative in its approach examining the larger meanings of mankind's first adventures in the heavens

**Women and War** Bernard A. Cook, 2006-05-19 In this unique encyclopedia 120 leading scholars from around the world provide comprehensive treatment of the role of women in war from the first written history to the present This authoritative encyclopedia presents the work of leading scholars from all over the world to give the first detailed coverage of the role of women in wars throughout history Histories of war are typically histories of men great leaders and heroic fighters Yet the roles of women often receive only limited coverage Except for such notables as Joan of Arc traditional histories give short shrift to women as leaders and fighters Similarly the direct victimization particularly sexual abuse as a weapon of terror and domination and cultural dislocations women suffer in war float as background without detailed coverage This work represents a first devoted in its entirety to thorough examination of all aspects of women in war For the first time readers have a single source for information on the scope of women's role in war and war's effects on them

**Encyclopedia of Italian Literary Studies** Gaetana Marrone, Paolo Puppa, 2006-12-26 The Encyclopedia of Italian Literary Studies is a two volume reference book containing some 600 entries on all aspects of Italian literary culture It includes analytical essays on authors and works from the most important figures of Italian literature to little known authors and works that are influential to the field The Encyclopedia is distinguished by substantial articles on critics themes genres schools historical surveys and other topics related to the overall subject of Italian literary studies The Encyclopedia also includes writers and subjects of contemporary interest such as those relating to journalism film media children's literature food and vernacular literatures Entries consist of an essay on the topic and a bibliographic portion listing works for further reading and in the case of entries on individuals a brief biographical paragraph and list of works by the person It will be useful to people without specialized knowledge of Italian literature as well as to scholars

Encyclopedia of World Writers, 1800 to the Present Marie Diamond, 2020-07-01 In recent years schools have started introducing more inclusive syllabi emphasizing the works and ideas of previously overlooked or underrepresented writers Readers of all ages can now explore the rich contributions of writers from around the world These writers have various backgrounds and unlike most writers from the U S or the United Kingdom information on them in English can be difficult to find Encyclopedia of World Writers 1800 to the Present covers the most important writers outside of the U S Britain and Ireland since 1800 More than 330 insightful A to Z entries profile novelists poets dramatists and short story writers whose works are anthologized in textbooks or assigned in high school English classes Entries range in length from 200 to 1 000 words each and include a biographical sketch synopses of major works and a brief bibliography Dozens of entries are new to this edition and many existing entries have been updated and significantly expanded with new Critical Analysis sections Coverage includes Chinua Achebe Margaret Atwood Roberto Bolaño Albert Camus Khalid Hosseini Victor Hugo Mohammad Iqbal Franz Kafka Stieg Larsson Mario Vargas Llosa Naghib Mahfouz Gabriel García Márquez Kenzaburo Oe Marcel Proust Leo Tolstoy Emile Zola and more

*Heroism and*

*Wisdom, Italian Style* Raymond Angelo Belliotti, 2022-09-08 This is an interdisciplinary work that philosophically analyzes concepts such as heroism practical wisdom honor Nietzsche's notions of will to power the overman and the three metamorphoses Plato's understanding of love creating meaning in life the issue of morally dirty hands in political administration the relationship between political means and ends the proper role of positive duties in society the aspirations of grand strivers and the linkages between biological biographical and autobiographical lives all in the context of explaining and evaluating the lives and works of fourteen historically significant Italian Gaius Julius Caesar Brunetto Latini Dante Alighieri Caterina Sforza Niccol Machiavelli Giuseppe Mazzini Giuseppe Garibaldi Francesca Cabrini Gabriele D'Annunzio Antonio Gramsci Salvatore Giuliano Oriana Fallaci Giovanni Falcone and Paolo Borsellino By dissecting the lives and philosophies of the figures discussed in this work by extracting moral political and existential lessons from their aspirations and enterprises by reflecting on their ideals from the vantage point of our divergent social context by evaluating their virtues and vices from a wider perspective and by confronting the conceptual puzzles and social impediments hampering the exercise of practical wisdom and heroism we may confront the people that we are and reimagine the people we might become

**Encyclopedia of Italian Literary Studies: A-J** Gaetana Marrone, 2007 Publisher description [Italian Quarterly](#) Carlo Luigi Golino, 2001

**Eros and Thanatos. Love across Civilizations** Alberto Castelli, 2024-02-06 Eros and Thanatos is about the deadly nature of love It is remarkable that literary critics have paid so little attention to the combination between love and death in literature This book seeks to address this significant scholarly lacuna by exploring key literary texts of the last two hundred years as exemplary of a consistent tendency toward love and death Its emphasis on singular characters and close readings suggests the spectrum of an arbitrary dichotomy never fully resolved The existential discussion triggered by each plot is so intense that the erotic and the merely sexual seem inappropriate Indeed each writer chose to reduce it to the setting and background of a story that takes place elsewhere With this in mind the author intends to reflect love's paradoxical nature If love is triggered by beauty beauty can be immoral and love must die to preserve the illusion of beauty

**Literature and Philosophy** Alberto Castelli, 2025-09-26 This book examines the relationship between literature and philosophy It investigates seemingly incomprehensible behaviors from the perspective of philosophy and expounds on love by using among others Darwinism Marxism Existentialism Plato Kierkegaard Nietzsche and Barthes as tools of investigation The author deconstructs some 20 literary texts and presents a work of literary criticism in which literary theories are blended with philosophical theories on the self A significant contribution this book will be of interest to students and scholars of comparative literature philosophy philosophy of literature modern fiction modernism and postmodernism

*Medizingeschichte in Schlaglichtern* Dominik Gross, 2011

*Orienting Italy* Mary Ann McDonald Carolan, 2022-09-01 Winner of the 2022 Book Award for Performance and Visual Culture presented by the American Association of Teachers of Italian Orienting Italy explores contemporary Italian filmmakers' fascination with China and the

Chinese in both documentary and fictional films Delineating the contours of this fascination the book begins with the works of Carlo Lizzani Behind the Great Wall 1958 and Michelangelo Antonioni Chung Kuo China 1972 both of whom ventured to China with the aim of documenting new yet physically and culturally distant realities Their documentary investigations yielded to fictional portrayals from the lavish view of a historical Middle Kingdom by director Bernardo Bertolucci The Last Emperor 1987 to the stark consideration of Italian economic exchange with contemporary China by Gianni Amelio The Missing Star 2006 The wave of Chinese migration to Italy in the late twentieth century created a new sense of otherness within Italy as Chinese migrants became the subjects of fictional narratives and documentaries in the works of Stefano Incerti Gorbaciof 2010 and Andrea Segre Shun Li and the Poet 2011 and Riccardo Cremona and Vincenzo De Cecco Miss Little China 2009 In the twenty first century a new chapter in the relationship between Italy and China has emerged in the form of transnational collaborations in the art and business of filmmaking *Looka Yonder!* Duncan Webster, 2024-12-06

From Reagan and the New Right to Thatcherism from the success of Bruce Springsteen to the popularity of the Sun populism is one of the central questions of the 1980s First published in 1988 *Looka Yonder* analyses the important and ambivalent terrain of American populism across a range of cultural forms historical traditions and political events The book discusses the contradictory nature of these traditions looking at the historical echoes of the 1890s Populists and the 1930s New Deal in the farm crisis of the 1980s It suggests that a monolithic view of America misses seeing the struggles over traditions and values with Reagan trying to appropriate Bruce Springsteen and with opposition to the radical right asserting their claim to national symbols and values The range of references and readings takes us across periods genres and forms discussing Willa Cather and Sissy Spacek Sam Shepard and Martin Scorsese Raymond Carver Bobbie Ann Mason and Jayne Anne Philips Elmore Leonard George V Higgins and David Mamet Steinbeck and Tom Waits With equal weight given to literary traditions and to popular culture this book will appeal to students of American culture and to those who enjoy the energy of American films fiction and music **New Literature on Women** ,1998 Female Journeys Claire Marrone, 2000-06-30 In this study of 19th and 20th century French and Italian women s autobiography the author illustrates how the protagonists development unfolds through separation from oppressive social and familial structures Reading the selected life stories as bildungsromane and drawing on an array of both canonical and noncanonical texts in the various autobiographical subgenres Marrone concludes that the heroines movements away from oppressive structures are not limited to particular historical periods but are motivated by historical and cultural circumstances She thoughtfully traces the reasons why a 19th century protagonist might leave her country a turn of the century heroine might flee her family and a modern female character might separate from her mother carefully examining their motivations and their goals In telling their stories she concludes women writers continually challenge existing autobiographical conventions Marrone finds that postmodern texts prove that the journey toward selfhood may be an ongoing one one that unfolds through the creation of multiple life stories The author begins her

study with a consideration of the tradition of women's autobiography in French and Italian literature of the 19th and 20th centuries. Using several examples from various genres, she brings issues of gender oppression, marital abuse, sexuality, and motherhood to the forefront of the discussion. She continues by analyzing the genres of autobiography and bildungsroman where they overlap and where they diverge, specifically in women's writing. Turning to specific authors and their works, Marrone moves on to an analysis of the writings of Cristina Trivulzio di Belgiojoso, C. D. Eleste Mogador, Sibilla Aleramo, Oriana Fallaci, Marie Cardinal, and Annie Ernaux. In examining the works of these writers, the author concludes that women writers continue to attempt to define themselves in their own voices. Marrone finds that postmodern writers participate in innovative experimentation in life writing, hybrid texts, creative autobiographies, and collective life stories. This clearly written, engaging volume is a pivotal addition to the growing field of literature on autobiography.

The Cry for Myth Rollo May, 1991-05 Rollo May, respected therapist and bestselling author of *Love and Will*, discusses the relationships between myths and the subconscious, showing how myths can provide meaning and structure for those who seek direction in a confused world. Here are case studies in which myths have helped Dr. May's patients make sense out of an often senseless world.
