and the employees hadn't returned home the families of the owners and workers began to worry prompting police to investigate. When they entered the dark building police were shocked to find seven bodies stacked in the restaurant's freezer and fridge. The killers of course were long gone. In the months that followed the horrendous story rocked Chicagoland and the case remained unsolved for nine years. The Brown's Chicken massacre is one of the most infamous cases in Illinois history yet it is often misremembered.
