The Cost of Free

Shipping Jake Alimahomed-Wilson, Ellen Reese, 2020-09-20 Winner of the UALE Book Award 2021 Amazon is the most powerful corporation on the planet and its CEO Jeff Bezos has become the richest person in history and one of the few people to profit from a global pandemic Its dominance has reshaped the global economy itself we live in the age of Amazon Capitalism One click instant consumerism and its immense variety of products has made Amazon a worldwide household name with over 60% of US households subscribing to Amazon Prime In turn these subscribers are surveilled by the corporation Amazon is also one of the world s largest logistics companies resulting in weakened unions and lowered labor standards The company has also become the largest provider of cloud computing services and home surveillance systems not to mention the ubiquitous Alexa With cutting edge analyses this book looks at the many dark facets of the corporation including automation surveillance tech work workers struggles algorithmic challenges the disruption of local democracy and much more The Cost of Free Shipping shows how Amazon represents a fundamental shift in global capitalism that we should name interrogate and be primed to resist

Food Justice Now! Joshua Sbicca, 2018-07-31 A rallying cry to link the food justice movement to broader social justice debates The United States is a nation of foodies and food activists many of them progressives and yet their overwhelming concern for what they consume often hinders their engagement with social justice more broadly Food Justice Now charts a path from food activism to social justice activism that integrates the two It calls on the food focused to broaden and deepen their commitment to the struggle against structural inequalities both within and beyond the food system In an engrossing historically grounded and ethnographically rich narrative Joshua Sbicca argues that food justice is more than just a myopic focus on food allowing scholars and activists alike to investigate the causes behind inequities and evaluate and implement political strategies to overcome them Focusing on carceral labor and immigration crises Sbicca tells the stories of three California based food movement organizations showing that when activists use food to confront neoliberal capitalism and institutional racism they can creatively expand how to practice and achieve food justice Sbicca sets his central argument in opposition to apolitical and individual solutions discussing national food movement campaigns and the need for economically and racially just food policies a matter of vital public concern with deep implications for building collective power across a diversity of interests

Dancing with Strangers, Living with Ghosts Carl Brown, 2024-11-07 Not very long before we had the pride flag and the pretty rainbow there was the plague Coming out as a gay man in the eighties meant mysterious deaths antibody tests and fears of internment along with endless funerals and a virus that was always 100 percent fatal This is one man s story of unexpected survival southern adventure and maybe even divine intervention all of which came with a surprising and surprisingly fantastic soundtrack The eighties was a decade known for great music and if you were a gay man it was also known for great heartache and grief For me there was plenty of
