Orchid Of The Bayou A Deaf Woman Faces Blindness:

Orchid of the Bayou Cathryn Carroll, Catherine Hoffpauir Fischer, 2001 In graduating from Gallaudet University finding a job in Washington D C and starting a family with her college sweetheart Kitty Fischer tacitly abandoned the Louisiana Cajun culture that had exposed her to little more than prejudice and misery as a child Upon discovering that she suffered from Usher syndrome a genetic condition that causes both deafness and blindness however Fischer began an unlikely journey toward reclaiming her heritage She and Cathryn Carroll tell the story of her heroic struggle and cultural odyssey in *Orchid of the Bayou A Deaf Woman Faces Blindness* By this time Mama knew I was not right Fischer says of her early childhood She knew the real words for not right too though she never said those words I was deaf and dumb Initially Fischer's parents turned to folk healers to try and cure their daughter's deafness but an aunt's fortunate discovery of the Louisiana School for the Deaf would rescue Fischer from misunderstanding and introduce her to sign language and Deaf culture She weathered the school's experiments with oralism and soon rose to the top of her class ultimately leaving Louisiana for the academic promise of Gallaudet While in college Fischer met and married her future husband Lance a Jewish Deaf man from Brooklyn New York and each landed jobs close to their alma mater After the birth of their first child however Fischer could no longer ignore her increasing tunnel vision Doctors quickly confirmed that Fischer had Usher syndrome While Fischer struggled to come to terms with her condition the high incidence of Usher syndrome among Cajun people led her to re-examine her cultural roots Could I still be me Catherine Hoffpauir Fischer had I not been born of a mix that codes for Usher syndrome she asks To some extent the history of my people explains the constitution of my genes and the way my life has unfolded Today Fischer prospers enjoying her time with family and friends and celebrating the Deaf Cajun Blind and Jewish cultures that populate her life Her lively story will resonate with anyone who recognizes the arduous journey toward claiming an identity
