Organic Outreach For Families Turning Your Home Into A Lighthouse:

Organic Outreach for Families Kevin & Sherry Harney, 2012-10-23 In Organic Outreach for Families Kevin and Sherry Harney share insights from the Scriptures and give practical advice from their own experience to help you learn how to transform your home into a lighthouse of God's amazing grace The Harneys discuss five ways you can naturally share your faith with others Reaching your own children with the message of Jesus Sharing God's grace with your extended family Raising your children to be beacons of light in their schools and in the neighborhood Opening the doors of your home to make it attractive and welcoming Shining the light of grace into your broader community The Harneys balance a concern for developing your home into a safe secure environment with the biblical mandate for believers to be salt and light in the world Pastors and parents will discover creative ways families can become a natural and winsome presence in their schools through community activities and as a witness in their neighborhoods

No Is a Beautiful Word Kevin G. Harney, 2019-02-12 If a person has extra time nothing to do and finds themselves looking for ways to fill their empty days this book is definitely not for them No Is a Beautiful Word is designed and crafted for people whose plate is full whose margin is thin and whose life feels overloaded They are looking for help relief and wisdom to navigate the countless options that life offers on a daily basis This book is needed by people who Go to bed with a To Do list that never seems to get totally done Kindly say Yes and secretly regret it five minutes later Feel pain and live with guilt when they have to say No Were taught that No is a dirty word Believe that saying No is a sign of weakness Feel trapped by unwise past commitments Want to say Yes to what matters most in life but are too exhausted Know that their life is out of balance and are seeking to fix it It will be valuable for Leaders who have a tough time making the hard decisions because they fear hurting someone's feelings Executives who feel over extended and pressed to the edges of their capacity Parents who feel overworked and under appreciated Students who are trying to balance the intensity of school work and their relational world Retired people who find themselves saying with subtle humor but aching regret I am more busy now than I have ever been Single people who go to bed at night exhausted because the day left no margin and offered no oasis of peace Married people who love their life but secretly dream about time to play space to relax and taking a nap No Is a Beautiful Word is designed to be read briskly chewed on thoroughly and acted on practically The chapters are brief by intention They range from one paragraph that's right some chapters are only a few sentences long to four pages The goal of this book is give people clear concepts paint a picture of what it looks like to live out the idea and then move on to the next thought The vision is to help people learn to say No to the things that don't matter or don't matter as much so they can say Yes to the things that bring life hope peace and lasting meaning

Organic Disciples Kevin G. Harney, Sherry Harney, 2021-12-28 Could sharing your faith be the secret to developing your spiritual maturity For many followers of Jesus discipleship means doing certain things to deepen our connection with Jesus Christ But our spiritual growth checklists are often disconnected from the mission of reaching a lost world with the gospel message Taking a holistic

approach that unites evangelism and discipleship Kevin and Sherry Harney demonstrate how God's plan for our spiritual growth is intimately connected to his mission to the world In *Organic Disciples* the couple lead ordinary followers of Jesus through seven markers of spiritual maturity showing how simple shifts in our Bible reading prayer community life giving service and other biblical practices can connect us with God's work of reaching people with his love You'll learn Why true spiritual maturity will always lead believers outward to engage the world with the good news and truth of Jesus How to overcome the common roadblocks and false narratives that stand in the way of spiritual maturity How to design a personal pathway of growth to be more like Jesus in character and mission Along with the *Organic Disciples* book churches and individuals can utilize a free self-directed online tool at OrganicOutreach.com to help each person identify where they are in their growth journey Also look for eight session small group curriculum *Organic Disciples Study Guide* 9780310139089 to take congregations and Christians deeper on this journey

Speak Good News David Schaal, 2024-02-16 If one word evokes discomfort when spoken to Christ followers and non Christ followers alike it would be the word evangelism For the Christ follower this word brings feelings of guilt shame and inadequacy They know that at some level they should be participating in evangelistic activities but they are not My passion is to see Christ followers intentionally engaging people in spiritual conversations I wrote this book to educate and encourage Christ followers in the beauty of sharing the love of Jesus with others *Speak Good News* aims to change the less than favorable reputation associated with evangelism This book will encourage and equip Christ followers to confidently engage in spiritual conversations with individuals they experience life with I do this by taking a historical look at evangelism its purest meaning and offering a fresh lens for the Church to view evangelism I identify misconceptions and barriers that keep faithful Christ followers from sharing the wonderful story of Jesus with others It nudges believers into the shallow end of the gospel pool while encouraging them to engage in simple spiritual conversations about Jesus with others
