

Organizational Behavior

Essentials for Improving
Performance and Commitment

A photograph of a man in a grey suit and tie, seen from the side, handing a rolled-up document to another person whose hand is visible on the right. The background is a bright blue sky and a yellow and blue striped structure, possibly a stadium or airport terminal.

Coulter, Megan Woods**

Organizational Behavior Essentials Performance Commitment:

Organizational Behavior: Essentials for Improving Performance and Commitment Michael Wesson, Jeffery LePine, Jason Colquitt, 2009-01-23 Colquitt LePine and Wesson's *Organizational Behavior Essentials for Improving Performance and Commitment in the Workplace* represents the most up to date perspective on Organizational Behavior OB on the market today Many students leave their OB courses asking questions like Does any of this stuff really matter How does all this stuff fit together If that theory doesn't work why is it in the book and Does this stuff have to be so dry Those questions will never be asked if Colquitt Essentials is used The author team has written a text that highlights the importance of course topics while organizing them around an integrative model of OB The text is also contemporary omitting outdated and disproven models that remain in other texts Most important to students the text is written in an approachable conversational tone with features that students actually want to read Colquitt Essentials is the complete package in a condensed unique and visually stimulating format all without losing the integrity and level of quality we've come to expect from this author team This text stands out from the competition for four key reasons A Focus on Performance and Commitment Being a good performer and working for an employer that inspires commitment are critical concerns for employees and managers alike Colquitt Essentials takes a unique approach by devoting Chapter 2 to job performance and organizational commitment Once these two key outcomes have been spotlighted all of the remaining chapters are linked back to them illustrating the importance of the chapter topics to performance and commitment An Integrative Model of OB The table of contents is organized around an integrative model described in Chapter 1 that provides a roadmap for the course showing students how all of the chapters fit together Unlike many OB texts with many editions behind them Colquitt Essentials avoids being grab baggy in nature with what seem to be randomly placed topics The positioning of every topic makes sense and it's easy for students to understand how the topics they are studying fit into the bigger picture Contemporary Content When creating the book the author team asked themselves what OB texts would look like if all of them were first written in 2008 Many OB texts include outdated and disproven models just to maintain continuity with earlier editions Such content frustrates students who don't understand why they should learn theories that are not valid Colquitt Essentials omits such theories devoting more space to contemporary topics that are useful for employees and managers Features that Students Want to Read Each chapter includes special insert box features like OB on Screen OB in Sports OB for Students and OB Internationally that help bring OB to life for the reader Many of these features have been praised by students for their ability to demonstrate OB content in a fun and appealing manner Colquitt Essentials also uses an informal style that students enjoy reading while focusing on company examples that students find interesting Google Netflix Best Buy Four Seasons eBay and others

Essentials of Job Attitudes and Other Workplace Psychological Constructs Valerie I. Sessa, Nathan A. Bowling, 2020-12-21 Although the topic of job attitudes and other workplace psychological constructs such as perceptions identity bonds and motivational states is important there are no books addressing the topic as a whole Essentials of Job Attitudes and Other Workplace Psychological Constructs seeks to fill that void in a comprehensive edited volume that compiles chapters by experts on each construct Essentials of Job

Attitudes and Other Workplace Psychological Constructs begins with a review of the concept of job attitudes and other workplace psychological constructs then devotes a single chapter to each construct. These chapters focus on organizational justice, perceived organizational support, organizational identification, job involvement, workplace commitments, job embeddedness, job satisfaction, employee engagement, and team-related work attitudes. Each of these chapters addresses parallel content including definitions, history, theory, a critique of the field to date with future research recommendations, and how the given construct can be used in practice. There are two additional features that make this book unique: first, each chapter provides a nomological network figure of the workplace psychological construct addressed; and second, each chapter provides one or more of the current measures used to assess the construct of interest.

Essentials of Job Attitudes and Other Workplace Psychological Constructs is an ideal text for students and professionals in industrial organizational psychology, organizational behavior, and human resource management.

OB: The Essentials Stephen P. Robbins, Timothy A. Judge, Bruce Millett, 2015-05-20

Robbins Leading the way in OB. Written as an alternative to Robbins' larger *Organisational Behaviour* text, *OB: The Essentials* is an applied and focused text that will help your students to quickly grasp the essential elements of OB. In an engaging 13-chapter format, this book retains the fluid writing style, academic rigour, and extensive use of examples that are trademark features of the Robbins texts. While there are less chapters, the book continues to provide cutting-edge content that is often missing in other OB books; this is not merely a subset of material from Robbins' *Organisational Behaviour* text. It was written from the ground up to present all the essential content in a shorter format. This new text will have broad appeal, particularly to visual learners who will appreciate the lively design and extensive use of examples and photographs to aid comprehension and retention of concepts.

New co-author Dr Michael Jones of the University of Wollongong brings his avid enthusiasm for student education as well as a solid research background in motivation, commitment, and business operations to the new text. Reviewers and users of the Robbins texts regularly report that they are conversational, interesting, student-friendly, and very clear and understandable. Packed full of pedagogical features that will engage and stimulate your students, *OB: The Essentials* will ensure that they are getting a sound understanding of OB. Features such as the Applying Knowledge and Student Challenge boxes prompt students to apply and think strategically about what they have just learnt.

The Handbook of Business Essentials - Middle East Edition Randa Diab Bahman, Abrar Al Enzi & Bekir Emre Kurtulmus, 2024-03-29

The demands of today's fast-paced world have made it increasingly challenging for educators in higher education. Conventional teaching materials are continuously proving outdated due to their inflexibility and lack of consideration for diverse classrooms. Educators have struggled to find concise yet thorough matter-of-fact content for teaching purposes. The solution is usually a scattershot collection of information from various sources, a particular difficulty for students whose English is a second language. Due to language barriers, innuendo, and lingo, these students can struggle with varying methods of information representation, ultimately finding it difficult to adjust to the expected pace of

study Within this challenge lies an opportunity to consolidate individual research experience and efforts to unify course materials better suited to the aforementioned audience Therefore The Handbook of Business Essentials Middle East Edition provides a comprehensive look at the latest management theories and business strategies in a concise yet thorough easy to read context particularly adjusted for non native English speakers It also caters to the target student audience by providing real world examples from the Middle East which they can better understand and relate to The book includes a full Arabic translation as well as a glossary of translated terminology Insights in Leadership in Education: 2022 Margaret Grogan,2024-02-23 **Management: the Essentials** Stephen Robbins,David De Cenzo,Mary Coulter,Megan Woods,2013-08-28 Robbins Management The Essentials covers the concepts essential to management in the 21st century in a fresh lively format that s perfectly suited to a typical university semester The second edition features new and in depth coverage of sustainability ethics and corporate social responsibility and new case studies from local and international businesses **Effective Fire and Emergency Services Administration** Robert S. Fleming,2010-04-21 Dr Fleming s new book drawing from an array of business and administrative disciplines provides a solid conceptual foundation for understanding meeting and exceeding the expectations of organizational stakeholders and preparing for professional personal and organizational success in fire administration The book addresses the various course objectives and learning outcomes for both the Introduction to Fire and Emergency Services Administration course within the FESHE Associate s Model Curriculum and the corresponding bachelor s course Fire and Emergency Services Administration Effective Fire Emergency Services Administration will be an invaluable resource for students both undergraduate and graduate and current fire and emergency services personnel of all ranks who are preparing for career advancement including promotional examinations It also will serve as a very useful reference for current fire and emergency service operational and administrative officers **Organizational Behavior Study Essentials** Cybellium,2024-10-26 Designed for professionals students and enthusiasts alike our comprehensive books empower you to stay ahead in a rapidly evolving digital world Expert Insights Our books provide deep actionable insights that bridge the gap between theory and practical application Up to Date Content Stay current with the latest advancements trends and best practices in IT Al Cybersecurity Business Economics and Science Each guide is regularly updated to reflect the newest developments and challenges Comprehensive Coverage Whether you re a beginner or an advanced learner Cybellium books cover a wide range of topics from foundational principles to specialized knowledge tailored to your level of expertise Become part of a global network of learners and professionals who trust Cybellium to guide their educational journey www.cybellium.com *Essentials of Managing Public Health Organizations* James A. Johnson,Kimberly S. Davey,2019-11-26 Written for undergraduate students in public health community health and a range of other health disciplines as well as beginning managers and supervisors working in public health Essentials of Managing Public Health Organizations is a concise yet comprehensive text that uniquely focuses on

managing public health organizations by addressing key management topics processes and emerging issues Beginning with an overview of public health and key public health organizations the text moves onto explain public health management fundamentals and functions from planning and decision making organizing and managing change to staffing leading budgeting ethics and more By the end of the text the reader will not only better understand public health organizations but the skills and functions needed to effectively manage them Essentials of Managing Organizational Behavior Jennifer M. George, Gareth R. Jones, 2000 For an introductory overview course in Organizational Behavior at the undergraduate or graduate level Presenting organizational behavior as an exciting fluid and multi faceted discipline this core text covers major issues in organizational behavior showing students how an understanding of the field can help them to better appreciate and manage the complexities and challenges associated with working in modern organizations Concise yet substantial it 1 provides comprehensive and integrated coverage of organizational behavior issues 2 makes important theories accessible and interesting to students 3 is current up to date and contains extensive coverage of issues of contemporary significance such as ethics diversity and global management and 4 uses rich real life examples of people and organizations to bring key concepts to life and clarify managerial implications **Corporate Law Essentials: Principles and Practices for Businesses** Prof. Amit Kumar Kashyap, 2021-09-15 Understand the key principles and practices of corporate law with this essential guide Covering topics from governance to compliance this book is designed for legal professionals and business leaders navigating the complex landscape of corporate law Management and Organizational Behavior Essentials John R. Schermerhorn, 1996 This Book is Different Schermerhorn Gives You The Essentials of Management and Organizational Behavior In One Concise and Easy to Use Text There are management books and there are organizational behavior books but this is two books in one Management and Organizational Behavior Essentials combines the essential theories of both management and organizational behavior to show your students how they can be used to achieve success in the new workplace Build a solid foundation in both management and organizational behavior with Complete coverage of current theories while focusing on applications in today s work setting An emphasis on the environmental context workforce diversity the global economy quality and competitive advantage and managerial ethics to show students how these factors are interrelated Effective pedagogical tools including chapter opening study questions Effective Manager boxes and point by point summaries to help your students learn **The Essentials of Teamworking** Michael A. West, Dean Tjosvold, Ken G. Smith, 2005-08-05 The team rather than the individual is increasingly seen as the building block of organizations and a key source of competitive advantage Despite this not enough is understood about how to build successful teams in modern organizations The Essentials of Teamworking broadens this understanding by offering a selection of key chapters on teamwork from the International Handbook of Organizational Teamwork and Cooperative Working This concise paperback edition reveals the complexity of teamwork and offers empirically based guidance on how teamwork can be effectively

developed in modern organizations Bringing together leading international scholars The Essentials of Teamworking offers challenging perspectives on teamwork that will inform future research and practice It is an invaluable resource for professionals researchers and students alike *Essentials of International Management* David C. Thomas,2002 This book examines cross cultural management issues from a psychological or behavioral perspective It focuses on the interactions of people from different cultures in organizational settings and helps the reader gain an understanding of the effect of culture that can be applied to a wide variety of cross cultural interactions in various organizational contexts *Academy of Management Annual Meeting* Academy of Management,2007 Essentials of Industrial and Organizational Psychology William Carl Howell,Robert L. Dipboye,1986 **Organizational Behavior and Human Decision Processes** ,1998
