Destruction, Ethics, and Intergalactic Love Peter Admirand, 2022-12-30 *Destruction, Ethics, and Intergalactic Love* Exploring *Y: The Last Man* and *Saga* offers a creative and accessible exploration of the two comic book series, examining themes like nonviolence, issues of gender, and war, heroes and moral failures, forgiveness, and seeking justice, and the importance of diversity and religious pluralism. Through close interdisciplinary reading and personal narratives, the author delves into the complex worlds of *Y* and *Saga* in search of an ethics, meaning, and a path resonant with real-world struggles. Reading these works side by side, the analysis draws parallels and seeks common themes around the four central ideas of seeking and making meaning in a meaningless world, love and parenting through oppression and grief, peacefulness when surrounded by violence, and the perils and hopes of diversity and communion. This timely and thoughtful study will resonate with scholars and students of comic studies, media and cultural studies, philosophy, theology, literature, psychology, and popular culture studies.
