Ask and it shall be given you discovering your origin in the source of Love itself Jesus's parting words to the disciples from the blessing of greater works to the many mansions teaching to the great commandment on love and more Jesus Beatitudes in Luke blessings for our inner being Plus an 80 minute CD with 20 guided Aramaic body prayers similar to the traditional Middle Eastern practices that Jesus himself used to generate spiritual energy and insight Whether for personal inspiration or for communal worship and rites of passage Blessings of the Cosmos offers you a heart opening prayerbook that offers guidance and encouragement toward an ever deepening daily experience of the Divine *The Path of Prayer* Sophy Burnham, 2002 Statistics have shown that nine out of ten Americans pray and 95 percent believe their prayers are answered And in the aftermath of September 11 2001 the word prayer has been on everyone's lips as millions seek to deal with the enormity of the tragedy In *The Path of Prayer* beloved spiritual writer Sophy Burnham reminds us that all over the world people pray There is no one way to perform this innately human act which in its most ordinary form is quite simply a yearning of the heart embodied in our hopes thoughts and dreams *The Path of Prayer* explores the meaning of prayer and its practice and how it can help those of all faiths or none to resolve doubts and anxieties and move on through troubled times Interweaving Burnham's personal experience with true stories of people who have prayed profoundly and found answers and with scientific studies that prove the efficacy and health benefits of prayer it offers guidance on everything from Building Sacred Space to The Mystery of Unanswered Prayer A prayer from one of the major religious traditions ends each chapter This is a work of faith that reaches out to all who have suffered all who are hurting and all who long for a clearer vision of their path through life Sophy Burnham is a radiant writer Her consciousness illumines the dark corridors of the soul She brings peace hope humor and inspiration to the subject of prayer This book one of her very best must rank with *The Road Less Traveled* in its luminous humanity Julia Cameron the author of *The Artist's Way* *Persons and Immortality* Kenneth A. Bryson, 2022-02-07 The religious belief in personal immortality depends on the evidence for the existence of God an immaterial soul or mind and human nature We also need to support the view that God will always want to maintain relationships with us in the afterlife So immortality is a hard sell The suffering of innocent victims suggests that the existence of a loving God is not self evident Furthermore the soul's separation from the body at death raises the troublesome problem of personal identity How can that be me in the afterlife without my body The tradition from Plato to Descartes plants the seed of personal immortality in our rational nature But the deconstruction of human nature suggests that our species is not special Yet the belief in immortality lingers The first step in the reconstruction of personal immortality is found in systems theory or belief that the whole individuates the part This view suggests that we are the outcome of relationships rather than eternal natures entering into relationships We are the product of relationships taking place at three basic levels 1 In psyche where being human is the result of a tendency toward good and evil 2 As social entities where the existence of other human beings individuates us 3 In being's unconcealment where the intelligibility of things provides a foundation for epistemic life

Heidegger's view of the nothing or horizon surrounding being allows us to identify God as creator entering into personal relationships with us a view supported by contemporary science That will be me in the afterlife if the relationships that individuate me in my pre mortem state continue into my post mortem existence The reversal in being's unconcealment suggests that human death continues the cycle of personal existence **The Aramaic Jesus Book of Days** Neil

Douglas-Klotz, 2025 The Aramaic translations of Klotz cut through the rote and bring us to the deeper meanings of Jesus's teaching that can still touch our hearts move our souls and ignite our action Matthew Fox author of Original Blessing Neil Douglas Klotz bestselling author of Prayers of the Cosmos and The Hidden Gospel brings together forty years of research to update his pioneering work on the Lord's Prayer and the Beatitudes Through expansions of Aramaic's multiple meanings as well as guided contemplations The Aramaic Jesus Book of Days provides a guide to transformation through the way of the prophet It shows how the deepest teachings of Jesus address contemporary challenges such as our relationships with nature and each other as well as the purpose of life itself The author shares personal relevance about how the words of Aramaic Jesus's teachings have changed his own life his sense of love purpose and relationships and more importantly how they can heal and enliven the daily life of everyone In short chapters the book takes up life themes facing contemporary readers and offers meditations to address them Each chapter is introduced with a short saying and keyword of Jesus heard with Aramaic ears and then proceeds to show how this applies to a life issue today The Aramaic Jesus Book of Days offers a unique perspective on Jesus's teachings that can help you to connect with them on a deeper level and live a more authentic fulfilling and compassionate life **Words on Cassette, 2002** R R Bowker Publishing, 2002 The Sacred Light of Healing Ron

Roth, 2007-07 Few American spiritual teachers of recent years have inspired others as lovingly as Ron Roth After serving the Roman Catholic Church as a priest for twenty five years Roth left to pursue a more universal spirituality teaching the possibility of a one to one relationship with Divinity as well as the belief that healing and enlightenment are available to all people Speaking from the cornerstone teachings that have inspired his ministry Roth journals his reflections on his personal realizations in The Sacred Light of Healing He reflects on the Holy Spirit the original teachings of Jesus and the inner way of the ancient monks known as the Therapeutae Roth also discusses his late life journey to India and an awakening to his own work for global peace As related to and written by Roger Montgomery this first person account is Roth's moving true story of how we all can move into a closer relationship of Oneness with God **Original Meditation** Neil Douglas-Klotz, 2016-12-03

The New Story about the Oldest Stories in the World Today apocalyptic predictions and images dominate popular culture and social media Yet for most of our history human consciousness focused on the mystery of beginnings not endings Our ancestors felt that the most powerful energy and clearest vision for the future could be found at our inception They meditated on stories of the Great Beginning as the way to go forward Original Meditation is two books in one First it investigates the ancient tradition of creation mysticism and shows how Western culture became sidetracked into an increasingly narrow

apocalyptic world view Second it shows how we can begin to recover an authentic meditation on our shared beginnings a meditation that can bring us into a more embodied and compassionate present To help us on our way Neil Douglas Klotz offers us a living anthology of voices from a mystical view of the first chapters of Genesis to the Aramaic words of Jesus to translations of mystical voices like Jelaluddin Rumi Ibn Arabi Meister Eckhart and the Jewish Kabbalists Uniting the native spirituality of the Middle East with Western creation spirituality we catch a glimpse of the life affirming energy of beginning time and experience what it means to be fully human in today s world After reading this very welcome resource you will want to join Douglas Klotz in exclaiming Genesis Now Spirituality and Health voted one of best spiritual books of the year Neil Douglas Klotz is a rare jewel a brilliant scholar with heart whose words have the power to reconnect us with our sacred source This is truly a book for our times The perfume of divine belonging rises from every page as this modern mystic skillfully guides us into the essence of the Sacred Mystery Dr Joan Borysenko author of Your Soul s Compass Deeply moving compelling and radiant with hope the book is a living prayer that can contribute to personal and inter religious transformation Mary Ford Grabowsky author of Sacred Voices By the time we finish this book we are ready and able to join body heart mind and spirit into a healing wholeness indeed the wholeness of Creation Rabbi Arthur Waskow Director of the Shalom Center author of God Wrestling *Books Out Loud* ,2004 **Revelations of the Aramaic Jesus** Neil Douglas-Klotz,2022 Through expansions of Aramaic s multiple meanings as well as guided contemplations this book provides a guide to transformation through the way of the prophet of Nazareth It shows how Jesus s deepest teachings address contemporary challenges such as our relationships with nature and each other as well as the purpose of life itself
