Retirement System Risk Management Olivia S. Mitchell, Raimond Maurer, J. Michael Orszag, 2016-11-10 In the wake of the worst financial crisis since the Great Depression lawmakers and regulators around the world have changed the playbook for how banks and other financial institutions must manage their risks and report their activities The US Congress passed the Dodd Frank Wall Street Reform and Consumer Protection Act and the European System of Financial Supervision ESFS is also crafting a framework to supervise regulated financial sector institutions including banks insurers pension funds and asset managers The implosion of the financial sector has also prompted calls for accounting changes from those seeking to better understand how assets and liabilities are reported Initially banks were seen by many as the most important focus for regulatory reform but other institutions are now attracting policymaker attention There is logic to this in terms of managing systemic risk and ensuring a level playing field that avoids arbitrage between institutional structures Yet the nature of pension and insurer liabilities is so different from that of bank liabilities that careful attention is needed in drafting appropriate rules The new rules are having both direct and spill over effects on retirement systems around the world The first half of this volume undertakes an assessment of how global responses to the financial crisis are potentially altering how insurers pension plan sponsors and policymakers will manage risk in the decades to come The second half evaluates developments in retirement saving and retirement products to determine which and how these might help meet shortfalls in retirement provision

The Optimist's Telescope Bina Venkataraman, 2020-08-25 Named a Best Book of 2019 by NPR How might we mitigate losses caused by shortsightedness Bina Venkataraman a former climate adviser to the Obama administration brings a storyteller's eye to this question She is also deeply informed about the relevant science The New York Times Book Review A trailblazing exploration of how we can plan better for the future our own our families and our society's Instant gratification is the norm today in our

lives our culture our economy and our politics Many of us have forgotten if we ever learned how to make smart decisions for the long run Whether it comes to our finances our health our communities or our planet it s easy to avoid thinking ahead The consequences of this immediacy are stark Deadly outbreaks spread because leaders failed to act on early warning signs Companies that fail to invest stagnate and fall behind Hurricanes and wildfires turn deadly for communities that could have taken more precaution Today more than ever all of us need to know how we can make better long term decisions in our lives businesses and society Bina Venkataraman sees the way forward A journalist and former adviser in the Obama White House she helped communities and businesses prepare for climate change and she learned firsthand why people don t think ahead and what can be done to change that In *The Optimist s Telescope* she draws from stories she has reported around the world and new research in biology psychology and economics to explain how we can make decisions that benefit us over time With examples from ancient Pompeii to modern day Fukushima she dispels the myth that human nature is impossibly reckless and highlights the surprising practices each of us can adopt in our own lives and the ones we must fight for as a society The result is a book brimming with the ideas and insights all of us need in order to forge a better future

Flower Diary Molly Peacock, 2021-09-14 Graceful yet precise poetic yet deeply rooted in research this exploration of an overlooked painter is gorgeous a joy to read Molly Peacock s insights and empathy with her subject bring to life both Mary Hiester Reid and her luscious flower paintings Charlotte Gray author of *The Massey Murder* Molly Peacock uncovers the history of neglected painter Mary Hiester Reid a trailblazing artist who refused to choose between marriage and a career Born into a patrician American family in the middle of the nineteenth century Mary Hiester Reid was determined to be a painter and left behind women s design schools to enter the art world of men After she married fellow artist George Reid she returned with him to his home country of Canada There she set about creating over 300 stunning still life and landscape paintings inhabiting a rich if sometimes difficult marriage coping with a younger rival exhibiting internationally and becoming well reviewed She studied in Paris traveled in Spain and divided her time between Canada and the United States where she lived among America s Arts and Crafts movement titans She left slender written records rather her art became her diary and *Flower Diary* unfolds with an artwork for each episode of her life In this sumptuous and precisely researched biography celebrated poet and biographer Molly Peacock brings Mary Hiester Reid foremother of painters such as Georgia O Keefe out of the shadows revealing a fascinating complex woman who insisted on her right to live as a married artist not as a tragic heroine Peacock uses her poet s skill to create a structurally inventive portrait of this extraordinary woman whom modernism almost swept aside weaving threads of her own marriage with Hiester Reid s following the history of empathy and examining how women manage the demands of creativity and domesticity coping with relationships stoves and steamships too How do you make room for art when you must go to the market to buy a chicken for dinner Hiester Reid had her answers as Peacock gloriously discovers

EU Securities and Financial Markets Regulation Niamh Moloney, 2023 Over the decade or so since the

global financial crisis rocked EU financial markets and led to wide ranging reforms EU securities and financial markets regulation has continued to evolve The legislative framework has been refined and administrative rulemaking has expanded Alongside the Capital Markets Union agenda has developed the UK has left the EU and ESMA has emerged as a decisive influence on EU financial markets governance All these developments as well as the Covid 19 pandemic have shaped the regulatory landscape and how supervision is organized EU Securities and Financial Markets Regulation provides a comprehensive critical and contextual account of the intricate rulebook that governs EU financial markets and its supporting institutional arrangements It is framed by an assessment of how the regime has evolved over the decade or so since the global financial crisis and considers among other matters the post crisis reforms to key legislative measures the massive expansion of administrative rulemaking and of soft law the Capital Markets Union agenda the development of supervisory convergence as the means for organizing pan EU supervision and ESMA s role in EU financial markets governance Its coverage extends from capital raising and the Prospectus Regulation to financial market intermediation and the MiFID II MiFIR and IFD IFR regimes to the new regulatory regimes adopted since the global financial crisis including for benchmarks and their administrators to retail market regulation and the PRIIPs Regulation and on to the EU s third country regime and the implications of the UK s departure from the EU This is the fourth edition of the highly successful and authoritative monograph first published as EC Securities Regulation Heavily revised from the third edition to reflect developments since the global financial crisis it adopts the in depth contextual and analytical approach of earlier editions and so considers the market political institutional and international context of the regulatory and supervisory regime
