Mexican New York Mexican New York:

Mexican New York Robert Smith, 2006 Mexican New York offers an intimate view of globalization as it is lived by Mexican immigrants their children in New York in Mexico **Mexican New York** Robert Smith, 2006 Mexican New York offers an intimate view of globalization as it is lived by Mexican immigrants their children in New York in Mexico *New Immigrants in New York* Nancy Foner, 2001 This acclaimed anthology brings together the top people in their respective fields to discuss the impact that immigration has had on the character of New York City and also the cultural impact that coming to a new environment has had on immigrants Thoroughly updated to encompass the newest waves of immigration the book now covers Dominicans former Soviets Chinese and Jamaicans as well as Mexicans Koreans and West Africans *Guadalupe in New York* Alyshia Galvez, 2010 Every December 12th thousands of Mexican immigrants gather for the mass at New York City's St Patrick's Cathedral in honor of Our Lady of Guadalupe's feast day They kiss images of the Virgin wait for a bishop's blessing and they also carry signs asking for immigration reform much like political protestors It is this juxtaposition of religion and politics that Alyshia Galvez investigates in *Guadalupe in New York* The Virgin of Guadalupe is a profound symbol for Mexican and Mexican American Catholics and the patron saint of their country Her name has been invoked in war and in peace and her image has been painted on walls printed on T-shirts and worshipped at countless shrines For undocumented Mexicans in New York Guadalupe continues to be a powerful presence as they struggle to gain citizenship in a new country Through rich ethnographic research that illuminates Catholicism as practiced by Mexicans in New York Galvez shows that it is through Guadalupan devotion that many undocumented immigrants are finding the will and vocabulary to demand rights immigration reform and respect She also reveals how such devotion supports and emboldens immigrants in their struggle to provide for their families and create their lives in the city with dignity *Investigation of Mexican Affairs* United States. Congress. Senate. Committee on Foreign Relations, 1920 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** United States. Internal Revenue Service, 1998 Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986, 1987 **Records and Briefs New York State Appellate Division**, **Exceptionalism in Crisis** Alys D. Beverton, 2025-04-08 Before 1861 US Americans could confidently claim to belong to the New World's exceptional republic unlike other self-governing nations in the Western Hemisphere such as Mexico which struggled with political violence and unrest Americans used such comparisons to show themselves and the world that democracy in the United States was working as designed The outbreak of the Civil War in 1861 exploded this illusion by showing that the United States was in fact not immune to domestic political instability Joining a growing community of historians who study the war in a global context Alys D Beverton examines Mexico's place in the US imagination during the Civil War and postbellum period Beverton reveals how pro and antiwar Confederates and Unionists alike used Mexico's long history of political strife to alternately justify and oppose the Civil War and after 1865 various

policies aimed at reuniting the states Both sides used Mexico as a cautionary tale of how easily a nation even the so called exceptional United States could slip into anarchy in the tumultuous nineteenth century *Latinos and the New Immigrant Church* David A. Badillo, 2006-06-19 Publisher Description **Mexican Migration to the United States** Harriet D. Romo, 2016-03-29 This anthology examining borderlands migration brings together the perspectives of Mexican and US scholars from a variety of fields Gathering a transnational group of prominent researchers including leading Mexican scholars whose work is not readily available in the United States this collection brings together an array of often overlooked viewpoints reflecting the interconnectedness of immigration policy These essays reveal significant aspects of labor markets family life and educational processes They capture the evolving legal frameworks and economic implications of Mexico US migrations at the national and municipal levels as well as the experiences of receiving communities in the United States The volume includes illuminating reports on populations ranging from undocumented young adults to elite Mexican women immigrants health care rights Mexico s incorporation of return migration the impact of Deferred Action for Childhood Arrivals on higher education and the experiences of young children returning to Mexican schools after living in the United States Reflecting a multidisciplinary approach the list of contributors includes anthropologists demographers economists educators policy analysts and sociologists Underscoring the fact that Mexican migration to the United States is unique and complex this timely work exemplifies the cross border collaboration crucial to the development of immigration policies that serve people in both countries **The New York Times Annalist** ,1918 **The New York Times Index** ,1914 *Annual Report on the Commercial Relations Between the United States and Foreign Nations, Made by the Secretary of State, for the Year Ending ...* ,1871 *A Companion to Mexican Studies* Peter Standish, 2006 This most recent of the Tamesis Companion series traces the evolution of the major creative aspects of Mexican culture from pre Columbian times to the present Dealing in turn with the cultures of Mesoamerica the colonial period the onset of independence and the modern era the author explores Aztec arts the role of the performing arts in the process of evangelisation manifestations of cultural dependence of the search for national identity and the struggle for modernity drawing examples from such diverse activities as architecture painting music dance literature film and media There is also a brief account of the distinctive characteristics of Mexican Spanish Maps a chronology a bibliographical essay and a lengthy bibliography round off this comprehensive guide making it an indispensable research tool for those seriously interested in Mexican culture Peter Standish is Professor of Spanish at East Carolina University a constituent institution of the University of North Carolina *Mexican Cinema* Carl J. Mora, 1989 The author s main reason for writing this book however is simply to provide an introduction to the Mexican commercial cinema for American and other English speaking readers Although the United States has been and continues to be a major foreign market for Mexican movies the overwhelming majority of Americans are unaware of them Mexican films are restricted to the Hispanic theater circuits and shown without English subtitles therefore anyone wishing to see a Mexican

movie would have to be fairly fluent in Spanish Such a requisite effectively eliminates almost the entire general audience in the United States from exposure to Mexican cinema **The Mexicans** Floyd Merrell,2018-02-15 This book captures and reveals the intriguing complexities of daily life in Mexico from its artistic pursuits to its political and economic patterns It is of interest to students who during their professional career expect to come into contact with citizens of Mexican origin in the United States *Protestants and the Mexican Revolution* Deborah J. Baldwin,1990 **The Making of Urban America** Raymond A. Mohl,Roger Biles,2023-10-03 The revised and updated third edition of The Making of Urban America includes seven new articles and a richly detailed historiographical essay that discusses the vast urban history literature added to the canon since the publication of the second edition The authors extensively revised introductions and the fifteen reprinted articles trace urban development from the preindustrial city to the twentieth century city With emphasis on the social economic political commercial and cultural aspects of urban history these essays illustrate the growth and change that created modern day urban life Dynamic topics such as technology immigration and ethnicity suburbanization sunbelt cities urban political history and planning and housing are examined The Making of Urban America is the only reader available that covers all of U S urban history and that also includes the most recent interpretive scholarship on the subject *A Guide to Materials Relating to Persons of Mexican Heritage in the United States* United States. Inter-agency Committee on Mexican American Affairs,1969
