Michael Jackson Interview Barbara Walters

Jel D. Lewis Jones

Michael Jackson Interview Barbara Walters:

The Dangerous Philosophies of Michael Jackson Elizabeth Amisu, 2016-09-26 An essential companion to Michael Jackson's music, films and books, this work offers 21 original academic essays on all things Jackson, from film, music and dance to fashion, culture and literature. Going well beyond the average celebrity biography, this comprehensive book looks at why Jackson is regarded as one of the most important musicians of our time, offering insights into every facet of his art, life and artistic afterlife. It looks at the methods by which his work was created, presented, received and appropriated, discusses Jackson's varied personas along with his public and private appearances, albums, conceptual art, short films and dance, and considers his use of costume, makeup and reinvention. To help readers understand the phenomenon that was and is Michael Jackson, the book focuses on Jackson's historical context through an analysis of his films, songs and books, examining him as an artist and shedding light on the political and ideological debates that surrounded him. Not shying away from the controversial aspects of Jackson's life and legacy, it also tackles questions of sexuality and racism, gender and class, comparing Jackson to artists ranging from J.S. Bach to Andy Warhol. Through its examination of Jackson's entire catalog, the work connects all the aspects of his art and life to exemplify and explain the performer's unparalleled influence in the 20th and 21st centuries.

Searching for Michael Jackson's Nose Scott Feschuk, 2013-12-17 In his first book, National Post columnist Scott Feschuk offers a hilarious satirical take on trends in television and our peculiar obsession with the famous, the infamous and the nature of Tom Cruise's sexuality. *Searching for Michael Jackson's Nose* romps through the birth and the future of reality television, takes readers to the all-star parties thrown each summer by the major American television networks and makes the case that what the world needs now is more, yes, more showbiz award shows. It pokes fun at Hollywood's rich and renowned and also at Steve Guttenberg. It both applauds and skewers our intensifying fascination with the profoundly inconsequential tribal councils, celebrity interviews, the crude romantic exploits of bachelors and bogus millionaires. And it takes us on a tour through the prevailing popular culture of the twenty-first century, with stops at the Starship Enterprise, Britney Spears, Sesame Street, the Oscars, Pamela Anderson, a naked Billy Baldwin and the everchanging facial topography of the King of Pop.

Michael Jackson, the King of Pop Jel D. Lewis Jones, 2005 Written by a true fan, this internationally bestselling book chronicles Michael Jackson's interviews with such major talk show hosts and leading magazines as Oprah Winfrey, Dianne Sawyer, Barbara Walters, USA Today and Vibe Magazine. Includes lists of his songs, lyrics and films. 16-page color insert.

Michael Jackson, the Man Behind the Mask Bob Jones, Stacy Brown, 2005 Michael Jackson is the inside story behind the rumours, the ugliness and the mystery surrounding Michael Jackson. His relationships with young boys, the plastic surgery and the strange behaviour is all discussed in detail. Is Michael Jackson just a confused person who got famous too soon, or is he a calculating villain who will stop at nothing to have his bizarre appetites satisfied? Bob Jones was Michael Jackson's chief of Public Relations for 34 years and executive Vice President of Michael Jackson's

entertainment company He represented Michael for 17 years **Michael Jackson and the Blackface Mask** Harriet J. Manning,2023-06-16 Michael Jackson challenged the power structure of the American music industry and struck at the heart of blackface minstrelsy America s first form of mass entertainment The response was a derisive caricature that over time Jackson subverted through his art In this expanded all new edition Michael Jackson and the Blackface Mask argues for the tangible relationship between Jackson and blackface minstrelsy It reveals the dialogue at minstrelsy s core and in its broader sense tracks a centuries long pattern of racial oppression and its resistance and how that has been played out in popular theatre Michael Jackson and the Blackface Mask explores Jackson s early talent and fame and the birth and escalation of Wacko Jacko In relation to all this the book examines Jackson s dynamic art as it evolved from his live performances and short films to the very surface of his own body Scholarly and interdisciplinary this work is suitable for readers across a diverse spectrum of academic fields including African American studies popular music studies and cultural theory media and communication gender studies and performance and theatre studies Academic but accessible this book will also be an engaging read for anyone interested in Michael Jackson and especially in his role as an icon of difference in America s dynamics of race and his mass media image *Focus On: 100 Most Popular American Rock Songwriters* Wikipedia contributors,
