Modern Hippie An Intuitive Journey Toward A Free Spirited Life:

Modern Hippie Kimberly Kingsley, 2015-09-08 *Modern Hippie* is a manifesto for aspiring free spirits who wish to fully reclaim their power in order to experience a profound level of inner peace. The book begins with a journey back in time to the sixties where the original hippies ushered in a societal revolution. The *Modern Hippie* has internalized the essence of this movement as demonstrated by the passionate pursuit of inner peace and freedom. Along with exploring topics such as untangling from difficult relationships, embracing a free spirit diet, and the art of spirit surfing, the author shares her own ups and downs as she intuitively moves toward spiritual freedom. **Filmfacts**, 1969 **Redefining Hippie** Debbie

Erickson, 2019-07-14 *Redefining Hippie* is an invitation to discover what a life of authenticity and faith can look like. Debbie Erickson started as a simple farm girl with dreams of traveling the world, left for college to discover herself, and joined the hippie movement. After multiple unexpected surprises, Debbie found herself in a world she hadn't imagined, but the lessons she learned she's imparted to others ever since. Join Debbie for a journey that will remind you of how it feels to come home again and glean lessons that took decades to unearth. Let *Redefining Hippie* be an awakening to your soul that there's hope for tomorrow and serve as a reminder of how yesterday is powerful for shaping the world we grace today. This book is a call to all who find themselves lost or in need of an awakening. This is an invitation to live as the new hippies with eyes wide open in wonder and care for the world around us with authenticity, seeking after truth, fighting injustice, and offering our lives fully in every moment we find ourselves drawing breath.
