Modificaciones estructurales de las sociedades mercantiles Manuel González-Meneses

García-Valdecasas, Segismundo Álvarez Royo, 2011-06-05 La presente monografía sobre modificaciones estructurales de las sociedades constituye el primer número de la flamante colección Estudios Mercantiles de la editorial Dykinson Su temática analiza las dos notas características de la colección actualidad e interés práctico En este caso además desentrañada por dos profesionales expertos en la problemática real que genera esta materia Como se sabe el régimen jurídico de las modificaciones estructurales de las sociedades es una cuestión de gran relevancia tanto en el plano práctico como en el teórico que presenta una considerable dificultad jurídica y que tiene una especial trascendencia macroeconómica Si bien la existencia de una normativa favorecedora de este tipo de operaciones se ha considerado algo necesario para facilitar los procesos de concentración empresarial también es cierto que esta ha potenciado ese fenómeno que se suele conocer como ingeniería societaria y que ha generado las operaciones políticas empresariales más escandalosas acaecidas en las últimas décadas En este contexto se promulgó la Ley 3/2009 que con el propósito fundamental de promover una mayor flexibilidad jurídica en esta materia ha generado nuevos problemas y son muchas las cuestiones jurídicas que han quedado sin respuesta De todas estas problemáticas se ocupan los autores pormenorizadamente a lo largo de la obra analizando de manera separada las diferentes clases de operaciones de reestructuración societaria que regula la norma

El derecho de información en las sociedades mercantiles capitalistas Morales Barceló, Judith, 2019-12-26 El derecho de información reconocido en el artículo 93 LSC como un derecho mínimo del socio ha sido objeto de una profunda modificación por la Ley 31/2014 de 3 de

diciembre que ha dado como resultado una restricci n del mismo La relevancia de este derecho es incuestionable pues permite conocer los datos necesarios para participar en la vida de la sociedad por tanto fomenta la transparencia de la informaci n y tambi n en cierta medida permite tener control en la labor de gesti n del rgano de administraci n Las principales novedades se encuentran por un lado en relaci n a las causas de exoneraci n del derecho de informaci n y por otro en los medios de tutela del mismo como el derecho de impugnaci n de los acuerdos sociales diferenciando entre las consecuencias jur dicas de las distintas modalidades del ejercicio del derecho de informaci n De forma sorprendente seg n el texto literal de la Ley la modificaci n tan s lo ha afectado al ejercicio de este derecho en el seno de las sociedades an nimas pues el r gimen aplicable a las sociedades de responsabilidad limitada se ha mantenido inalterado Sin embargo por aplicaci n anal gica se podr a llegar a entender que esta modificaci n tambi n es aplicable a las sociedades de responsabilidad limitada ya que no se puede encontrar una justificaci n para ese trato diferenciado Dación en pago e insolvencia empresarial

María del Carmen Pastor Sempere,2016-03-01 La daci n en pago a cuyo estudio se dedica esta monograf a necesitaba de una adecuada contextualizaci n tratamiento y reinterpretaci n en las actuales insolvencias empresariales Principalmente porque todas ellas se encuentran inmersas en el que parece ser el nuevo paradigma de la insolvencia y su reflejo en medidas concretas de conservaci n de la empresa en nuestro Derecho concursal como es la paulatina aceptaci n de la daci n en pago en su seno sustituyendo hasta la que escasas fechas fue exclusivamente la solutoria con pago en efectivo como nica v a satisfactiva de los acreedores Si bien la daci n en pago nunca dej de ser utilizada su car cter excepcional y las circunstancias de bonanza econ mica que vivi nuestra sociedad propiciaron el olvido de la instituci n A ello tampoco fue ajena la dificultad de aplicar una instituci n que se desterr por la codificaci n francesa y por ende del C digo Civil espa ol Se hac a necesario su estudio abordando al mismo tiempo los puntos m s destacables que este cuadro normativo ha experimentado como consecuencia del vertiginoso proceso de reforma de la legislaci n concursal en el que la daci n en pago ha ganado terreno poco a poco pues su funci n va unida irresolublemente a la conservaci n de la empresa viable En definitiva el dise o de las operaciones de refinanciaci n y acuerdos extrajudiciales de pagos a los que se extendi completada con su protecci n frente a las acciones de reintegraci n La hac a ineludible por coherencia de nuestro sistema concursal en el convenio y la liquidaci n concursales
