The Drowned Muse Anne-Gaëlle Salot, 2015 The Drowned Muse is a study of the extraordinary destiny in the history of European culture of an object which could seem at first glance quite ordinary in the history of European culture It tells the story of a mask the cast of a young girl's face entitled L Inconnue de la Seine the Unknown Woman of the Seine and its subsequent metamorphoses as a cultural figure Legend has it that the Inconnue drowned herself in Paris at the end of the nineteenth century The forensic scientist tending to her unidentified corpse at the Paris Morgue was supposedly so struck by her allure that he captured in plaster the contours of her face This unknown girl also called The Mona Lisa of Suicide has since become the object of an obsessive interest that started in the late 1890s reached its peak in the 1930s and continues to reverberate today Aby Warburg defines art history as a ghost story for grown ups This study is similarly a ghost story for grown ups narrating the aura of a cultural object that crosses temporal geographical and linguistic frontiers It views the Inconnue as a symptomatic expression of a modern world haunted by the earlier modernity of the nineteenth century It also investigates how the mask's metamorphoses reflect major shifts in the cultural history of the last two centuries approaching the Inconnue as an entry point to understand a phenomenon characteristic of 20th and 21st century modernity the translatability of media Doing so this study mobilizes discourses surrounding the Inconnue casting them as points of negotiation through which we may consider the modern age

Origins of Impressionism Gary Tinterow, Henri Loyrette, 1994 This handsome publication which accompanies a major exhibition at The Metropolitan Museum of Art is a lively and engaging account of the artistic scene in Paris in the 1860s the years that witnessed the beginnings of

Impressionism For the first time the interactions and relationships among the group of painters who became known as the Impressionists are examined without the overworn art historical polarities commonly evoked academic versus avant garde classicist versus romantic realist versus impressionist A host of strong personalities contributed to this history and their style evolved into a new way of looking at the world These artists wanted above all to give an impression of truth and to have an impact on or even to shock the public And they wanted to measure up to or surpass their elders This complex and rich environment is presented here the grand old men and the young turks encounter each other the Salon pontificates and the new generation moves fitfully ahead benignly but always with determination Origins of Impressionism gives a day by day year by year study of the genesis of an epoch making style Bibliographies and provenances are provided for each of the almost two hundred works in the exhibition and there is an illustrated chronology With more than two hundred superb colorplates this informative survey is an essential work for both the general reader and the scholar BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

L'Impressionnisme du plein air au territoire COUSINIÉ Frédéric, 2013-02-13 Ce volume porte sur une question qui est au cœur de l'impressionnisme celle du territoire L'impressionnisme est en effet un mouvement français mais qui accueille presque immédiatement des étrangers et qui s'internationalise très rapidement Non sur les bords de la Seine il l'est aussi sur ceux de la Tamise et dans toute une série de lieux la mobilité croissante d'artistes paysagistes itinérants Pourvoyeur abondant d'une imagerie locale identifiable mais vite typifiée elle se révèle l'objet d'une série de manipulations d'omissions et d'exclusions ou encore de reprises et de relaborations en atelier C'est aussi un mouvement qui incarne désormais une certaine identité la fois personnelle sociale et bien sûr nationale ou régionale mais sauf exceptions la série de la cathédrale de Rouen de Monet ou ses tableaux vénitiens et londoniens sans que celle-ci passe par la représentation explicite des scènes ou d'objets traditionnellement attachés à une identité patrimoniale et patriotique
