A History of the World in 6 Glasses Tom Standage, 2009-05-26 New York Times Bestseller From beer to Coca Cola the six drinks

that have helped shape human history Throughout human history certain drinks have done much more than just quench thirst As Tom Standage relates with authority and charm six of them have had a surprisingly pervasive influence on the course of history becoming the defining drink during a pivotal historical period A History of the World in 6 Glasses tells the story of humanity from the Stone Age to the 21st century through the lens of beer wine spirits coffee tea and cola Beer was first made in the Fertile Crescent and by 3000 B C E was so important to Mesopotamia and Egypt that it was used to pay wages In ancient Greece wine became the main export of her vast seaborne trade helping spread Greek culture abroad Spirits such as brandy and rum fueled the Age of Exploration fortifying seamen on long voyages and oiling the pernicious slave trade Although coffee originated in the Arab world it stoked revolutionary thought in Europe during the Age of Reason when coffeehouses became centers of intellectual exchange And hundreds of years after the Chinese began drinking tea it became especially popular in Britain with far reaching effects on British foreign policy Finally though carbonated drinks were invented in 18th century Europe they became a 20th century phenomenon and Coca Cola in particular is the leading symbol of globalization For Tom Standage each drink is a kind of technology a catalyst for advancing culture by which he demonstrates the intricate interplay of different civilizations You may never look at your favorite drink the same way again

A History of the World in Six Glasses Tom Standage, 2010-01-08 Whatever your favourite tippie when you pour yourself a drink you have the past in a glass You can likely find them all in your own kitchen beer wine spirits coffee tea cola Line them up on the counter and there you have it thousands of years of human history in six drinks Tom Standage opens a window onto the past in this tour of six beverages that remain essentials today En route he makes fascinating forays into the byways of western culture Why were ancient Egyptians buried with beer Why was wine considered a classier drink than beer by the Romans How did rum grog help the British navy defeat Napoleon What is the relationship between coffee and revolution And how did Coca Cola become the number one poster product for globalization decades before the term was even coined *The Carrot Purple and Other Curious Stories of the Food We Eat* Joel S. Denker, 2015-10-01 How many otherwise well educated readers know that the familiar orange carrot was once a novelty It is a little more than 400 years old Domesticated in Afghanistan in 900 AD the purple carrot in fact was the dominant variety until Dutch gardeners bred the young upstart in the seventeenth century After surveying paintings from this era in the Louvre and other museums Dutch agronomist Otto Banga discovered this stunning transformation The story of the carrot is just one of the hidden tales this book recounts Through portraits of a wide range of foods we eat and love from artichokes to strawberries The Carrot Purple traces the path of foods from obscurity to familiarity Joel Denker explores how these edible plants were in diverse settings invested with new meaning They acquired not only culinary significance but also ceremonial medicinal and economic importance Foods were variously savored revered and reviled This entertaining history will enhance the reader's appreciation of a wide array of foods we take for granted From the carrot to the cabbage from cinnamon to coffee from the peanut to the pistachio the

plants beans nuts and spices we eat have little known stories that are unearthed and served here with relish **Celebration**
