**Lace Narratives** Cecilia Heffer, 2015-01-01 Lace Narratives A monograph 2005 2015 documents Cecilia Heffer s innovative lace making practice over a decade including major exhibitions and commissions This publication examines ways

that Cecilia's research practice responds to changing ideas and technologies as a means to extend our perception of textiles. It presents an in-depth reflection on studio practice in a discursive spirit responding to the question: What has the studio enquiry revealed that could not have been revealed through other modes of research? The publication is composed of a digital edition of the book along with a seven-minute video documenting Cecilia creating the lace work *Drawn Threads*. A print on demand version of the book in either hard cover or paperback is available for purchase. *Needlework through History* Catherine Amoroso Leslie, 2007-04-30. Needlework serves functional purposes such as providing warmth but has also communicated individual and social identity, spiritual beliefs and aesthetic ideals throughout time and geography. Needlework traditions are often associated with rituals and celebrations of life events. Often overlooked by historians, practicing needlework and creating needlework objects provides insights to the history of everyday life. Needlework techniques traveled with merchants and explorers, creating a legacy of cross-cultural exchange. Some techniques are virtually universal and others are limited to a small geographical area. Settlers brought traditions which were sometimes re-invented as indigenous arts. This volume of approximately 75 entries is a comprehensive resource on techniques and cultural traditions for students, information professionals and collectors. **Needle-Made Laces and Net Embroideries** Doris Campbell Preston, 2012-11-21. Classic guide gives complete instructions, stitch diagrams for beautiful designs of single thread and needlestyle of lace making. 77 illustrations.
