Belgium - Culture Smart! Bernadett Varga, Culture Smart!, 2022-08-30 Don't just see the sights get to know the people Belgium has somehow acquired the reputation of being Europe's most boring country a reputation that is entirely undeserved But perhaps this bland image is a smokescreen the conventional exterior hiding a subversive sense of humor a surreal imagination and a deep rooted disdain for authority Or perhaps it is a camouflage a way in which Belgium still overrun however peacefully by foreigners can keep a few of its secrets to itself Two main factors seem to determine the values Belgians hold and the ways they approach life the effects of the linguistic divide and the country's long history of exposure to other cultures through trade war and occupation its experience of being simultaneously very small and very strategically placed Culture Smart Belgium will help you navigate these swirling waters It is for anyone who wants to understand Belgian society and encounter it with sensitivity and poise We trace the land's turbulent history and look at how the past has shaped the collective and personal values of today's Belgians We look at the Belgian people at work at play and at home and offer tips to help you get along with the people you will meet on both sides of the divide and navigate the new situations that you are likely to encounter Have a richer and more meaningful experience abroad through a better understanding of the local culture Chapters on history values attitudes and traditions will help you to better understand your hosts while tips on etiquette and communicating will help you to navigate unfamiliar situations and avoid faux pas

Britain - Culture Smart! Paul Norbury, 2015-07-21 Cool Britannia is alive and well today British culture is at the top of its game in fashion popular music art and entertainment science and technology new inventions and in the rediscovered skills and excellence in engineering that make it Germany's leading trading partner in Europe As a family of nations the British are inventive reflective good humored funny focused and tenacious Today's multicultural Britain is managing the challenges of integrating minorities in a way that remains true to its fundamental values and beliefs as a fair and open society one that continues to see itself as a model for others to follow Since the first edition of this guide appeared Britain has faced huge and accelerated change in its cultural economic and political life In ten years immigration has added a further five million to its population Confidence in its banks and regulatory structures was shaken by the global financial crisis The very unity of the United Kingdom was tested in 2014 in the referendum on Scottish independence and although those wishing to retain the Union triumphed it prompted a debate about national identities and rights and the prospect of a new fairer settlement for the English While the desire of Scottish nationalists for independence remains as strong as ever the surge in support for the UK Independence Party which wants Britain to leave the EU may well result in a new form of power sharing in parliament This revised and updated edition of Culture Smart Britain examines the impact of these issues on British society and guides the reader through the quirks customs values and changing ways of British life It is a must read for the record breaking numbers of visitors coming to these islands

Spain - Culture Smart! Bélen Aguado Viguer, 2016-07-05 For many Spain conjures up images of rapacious conquistadors the unworldly Don Quixote brave bullfighters fiery flamenco dancers and brilliant artists All true enough but how does the reality conform to these stereotypes The Spanish people are certainly distinctive Visitors are often astounded by their vitality entranced by their friendliness and driven mad by their frequent indulgence of their friends and relatives They tend to be proud passionate spontaneous generous and loyal they can also be procrastinators individualistic to a fault suspicious and not least very noisy Spain has had a major impact on European and world history This is the nation that enjoyed a golden age of enlightenment that discovered America and gathered in its riches and that left the great legacy of its culture and its language today spoken by over four hundred million people In the early twentieth century Spain suffered a bitter civil war and a stultifying dictatorship from which it emerged in the late seventies to become again an integral part of Europe and the international arena Culture Smart Spain explores the complex human realities of modern Spanish life It describes how history and geography have created both regional

differences and shared values and attitudes It reveals what the Spaniards are like at home and in business and how they socialize It prepares you for their boundless energy and widespread religious devotion and offers practical tips on how to behave and make the very most of your visit The better you understand the Spanish people the more you will be enriched by your experience of this vital warm and varied country where the individual is important and the enjoyment of life is paramount

Australia - Culture Smart! Barry Penney,Gina Teague,Culture Smart!,2016-02-01 Australia is different a vast island continent with distances so great that the capital of Western Australia is closer to Singapore than it is to Sydney The landscape embraces magnificent tropical rainforests and deserts the size of several European states temperate areas that sustain a flourishing wine industry making Australia the world s fourth largest wine exporter a sixteen thousand mile coastline of breathtaking beaches and its unique fauna is testament to the country s down underness Indigenous Australians have inhabited the continent for more than fifty thousand years yet European settlement is just over two hundred years old Since the end of the Second World War the country has opened its doors to a hugely diverse immigrant population and slowly shaken off the mantle of British influence transforming what was perhaps one of the dullest nations into one of the most stimulating The Australians old settler mentality regarding themselves as battlers and embarrassed by their lack of sophistication has given way to a new national confidence The achievements of Australia s artists sportspeople entertainers scientists and businesspeople puts them on the global stage Despite the diversity of ethnicities there is a pervasive homogeneity among Australians a generosity of spirit and a forthrightness sometimes disarming for the visitor A sense of fairness and equality is valued as is the ability not to take oneself too seriously Culture Smart Australia introduces you to a young nation with one of the world s highest standards of living where people work to live in order to enjoy a lifestyle that many across the globe covet and in which Australians take great pride and don t mind telling you about
