*Reports from Select Committees of the House of Commons, and Evidence, Communicated to the Lords* Great Britain. Parliament. House of Lords,1874

[The Routledge Handbook of Criminal Justice Ethics](#) Jonathan Jacobs,Jonathan Jackson,2016-07-01 The enormous financial cost of criminal justice has motivated increased scrutiny and recognition of the need for constructive change but what of the ethical costs of current practices and policies Moreover if we seriously value the principles of liberal democracy then there is no question that the ethics of criminal justice are everybody s business concerns for the entire society The Routledge Handbook of Criminal Justice Ethics brings together international scholars to explore the most significant ethical issues throughout their many areas of expertise anchoring their discussions in the empirical realities of the issues faced rather than applying moral theory at a distance Contributions from philosophers legal scholars criminologists and psychologists bring a fresh and interdisciplinary approach to the field The Handbook is divided into three parts Part I addresses the core issues concerning criminal sanction the moral and political aspects of the justification of punishment and the relationship between law and morality Part II examines criminalization and criminal liability and the assumptions and attitudes shaping those aspects of contemporary criminal justice Part III evaluates current policies and practices of criminal procedure exploring the roles of police prosecutors judges and juries and suggesting directions for revising how criminal justice is achieved Throughout scholars seek pathways for change and suggest new solutions to address the central concerns of criminal justice ethics This book is an ideal resource for upper

undergraduate and postgraduate students taking courses in criminal justice ethics criminology and criminal justice theory and also for students of philosophy interested in punishment law and society and law and ethics

*Police finances* Great Britain: Parliament: House of Commons: Home Affairs Committee,2011-02-23 This report focuses on the impact of the Government's proposed settlement for police forces from 2011/12 to 2014/15 It is expected that there will be significantly fewer police officers police community support officers and police staff as a result of the savings being required of police forces over the next four years The loss of posts will have an impact on the range of services that the police provide and the way in which they are provided Police forces are being asked to prioritise the front line but there is confusion as what exactly this term means The Home Office should work with the police service to produce an agreed definition of front line middle office and back office police roles as soon as possible The Government should continue taking urgent steps to reduce unnecessary bureaucracy More coordinated procurement also offers scope for savings The Home Office should clarify who will be responsible for driving better procurement when the National Policing Improvement Agency is phased out in spring 2012 The greatest savings are being required of police forces in 2012/13 when the transition from Police Authorities to Police and Crime Commissioners is scheduled to take place and when police forces nationwide will be under the additional pressure of policing the Olympics The Home Office should acknowledge that there are risks involved in this transition and should set out how it should be managed Police forces need a funding system that offers long term predictability in order to be able to plan more effectively especially at a time of reduced income

**The Routledge Handbook of Technology, Crime and Justice** M. R. McGuire,Thomas Holt,2017-02-24 Technology has become increasingly important to

both the function and our understanding of the justice process Many forms of criminal behaviour are highly dependent upon technology and crime control has become a predominantly technologically driven process one where traditional technological aids such as fingerprinting or blood sample analysis are supplemented by a dizzying array of tools and techniques including surveillance devices and DNA profiling This book offers the first comprehensive and holistic overview of global research on technology crime and justice It is divided into five parts each corresponding with the key stages of the offending and justice process Part I addresses the current conceptual understanding of technology within academia and the criminal justice system Part II gives a comprehensive overview of the current relations between technology and criminal behaviour Part III explores the current technologies within crime control and the ways in which technology underpins contemporary formal and informal social control Part IV sets out some of the fundamental impacts technology is now having upon the judicial process Part V reveals the emerging technologies for crime control and justice and considers the extent to which new technology can be effectively regulated This landmark collection will be essential reading for academics students and theorists within criminology sociology law engineering and technology and computer science as well as practitioners and professionals working within and around the criminal justice system

#### **Honour Based Crimes and the Law** Mukaddes

Gorar,2021-05-10 Honour based violence and abuse manifests itself in different forms and this book offers a comprehensive understanding of this phenomenon This book argues that the limits of honour crimes must be defined more widely so that they include conducts and behaviours that originate from the patriarchal notion of honour such as honour based oppression and breast ironing The book provides a critical analysis and synthesis of the law in England and Wales and in the international human rights sphere The relevant domestic legislation and cases are examined to reflect on whether adequate protection is provided for the victims and potential victims of honour based violence and abuse Since honour based violence is a violation of human rights the relevant international human rights law is examined to illustrate the perception of such crimes in the international arena The effectiveness of any remedy for victims of honour based violence and abuse depends on its capability to change deep rooted behaviours in communities with honour based patriarchal values This book argues that the law does not provide the effective impact required in part due to patriarchal structures and that more efforts should be dedicated to changes in education It is held that there is a need for an educational programme that is especially designed to tackle violence and promote gender equality The book will be essential reading for academics researchers and policy makers working in the areas of Human Rights Law Criminal Law and Gender Studies
