

MG COMPETITION CARS AND DRIVERS

MG established its winning reputation through competition. In 1925, Cecil Kimber set out to build sports cars knowing that racing and competition had to be a prime focus.

This epic story by Knudson, a well-known author/historian on MGs, documents every competition car in extreme and careful detail, starting with Old Number One and finishing with MG record cars.

Archival photographs of the cars, their builders, and owners along with informative text and charts, provide an exciting read for MG enthusiasts.
