Aghaie, 2011-12-01 This innovative study examines patterns of change in Shi'i symbols and rituals over the past two centuries to reveal how modernization has influenced the societal political and religious culture of Iran Shi'is who support the Prophet Mohammad's progeny as his successors in opposition to the Sunni caliphate tradition make up 10 to 15 percent of the world's Muslim population roughly half of whom live in Iran Throughout the early history of the Islamic Middle East the Sunnis have been associated with the state and the ruling elite while Shi'is have most often represented the political opposition and have had broad appeal among the masses Moharram symbols and rituals commemorate the Battle of Karbala in 680 CE in which the Prophet Mohammad's grandson Hoseyn and most of his family and supporters were massacred by the troops of the Umayyad caliph Yazid Moharram symbols and rituals are among the most pervasive and popular aspects of Iranian culture and society This book traces patterns of continuity and change of Moharram symbols and rituals in three aspects of Iranian life the importance of these rituals in promoting social bonds status identities and ideals ways in which the three major successive regimes Qajars Pahlavis and the Islamic Republic have either used these rituals to promote their legitimacy or have suppressed them because they viewed them as a potential political threat and the uses of Moharram symbolism by opposition groups interested in overthrowing the regime While the patterns of government patronage have been radically discontinuous over the past two centuries the roles of these rituals in popular society and culture have been relatively continuous or have evolved independently of the state The political uses of modern day rituals and the enduring symbolism of the Karbala narratives continue today **Iran at War** Kaveh Farrokhi, 2011-12-20 Following on from his award winning book

investigation into the bloody martial history of Iran      **Evolving Iran** Barbara Ann Rieffer-Flanagan, 2013-03-22 *Evolving Iran* presents an overview of how the politics and policy decisions in the Islamic Republic of Iran have developed since the 1979 revolution and how they are likely to evolve in the near future Despite the fact that the revolution ushered in a theocracy its political system has largely tended to prioritize self interest and pragmatism over theology and religious values while continuing to reinvent itself in the face of internal and international threats The author also examines the prospects for democratization in Iran Since the early years of the twentieth century Iranians have attempted to make their political system more democratic yet various attempts to produce a system where citizens have a meaningful voice in political decisions have failed This book argues that greater democratization is unlikely to occur in the short term especially in light of increased threats from the international community This accessible overview of Iran's political system covers a broad array of subjects including foreign policy human rights women's struggle for equality the development and evolution of elections and the institutions of the political system including the Revolutionary Guards and Assembly of Experts It will appeal to undergraduates and the general public who seek to understand a country and regime that has mystified Westerners for decades      US Foreign Policy and the Modernization of Iran Ben Offler, 2015-07-19 *US Foreign Policy and the Modernization of Iran* examines the evolution of US Iranian relations during the presidencies of John F Kennedy Lyndon B Johnson and Richard M Nixon It demonstrates how successive administrations struggled to exert influence over the Shah of Iran's regime domestic and foreign policy      **Shi'i Sectarianism in the Middle East** Elisheva Machlis, 2014-09-17 The eruption of violent sectarianism in Iraq following the US invasion in 2003 brought the question of Sunni Shi'i relations in the country to the forefront of the international public agenda It also strengthened the popular belief that contemporary Shi'ism is inherently sectarian Yet several decades earlier Ayatollah Khomeini had declared an Islamic revolution and downplayed its Shi'i origins and links So what is the true orientation of Shi'i Islam in the contemporary era and how did modernisation alter its sectarian affiliation This book contends that early Shi'i reformist thought set the foundations for a more universal oriented Shi'ism Prominent reformists in the first half of the twentieth century from the holy cities of Karbala and Najaf in Iraq and from the Shi'i centres in Southern Lebanon played a significant role in the renewal of Shi'ism and laid the groundwork for its reinvention in the modern era Exploring this shift towards a more ecumenical perception of Islam Elisheva Machlis here provides a fresh perspective on inter sectarian relations in contemporary Iraq and illuminates the intellectual roots of the Islamic revolution by examining networks of Shi'i scholars such as Mu'ammad usayn K shif al Ghi and Mu sin al Am n al mil operating within a more globalised Muslim world Drawing on the experiences of early Shi'i reformists such as Abd al usayn Sharaf al D n al M saw in Lebanon and Mu'ammad Jaw d Mughniyya in Damascus this book gives new insight on the future of inter Muslim relations at a time of growing inter sectarian contention from the Iran Iraq war to the post 2003 Sunni Shi'i conflict in Iraq and al Qa ida's anti Shi'i message taking into account questions of theology historiography jurisprudence and

politics which all played a vital role in the transition to the contemporary era The author here analyses the broad scholarly connections between Iran Iraq and Lebanon in the twentieth century while debating paramount questions of leadership identity and group membership in the development of modern Shi ism Examining the relationship between intellectual thought and socio political development in the region this book provides a new perspective concerning the future of an increasingly globalised Muslim world and will prove essential reading for students and specialists **Edinburgh**
