**The Unbroken Thread** Sohrab Ahmari, 2021-05-11 We ve pursued and achieved the modern dream of defining ourselves but at what cost An influential columnist and editor makes a compelling case for seeking the inherited traditions and ideals that give our lives meaning Ahmari s tour de force makes tradition astonishingly vivid and relevant for the here and now Rod Dreher bestselling author of *Live Not by Lies* and *The Benedict Option* As a young father and a self proclaimed radically assimilated immigrant opinion editor Sohrab Ahmari realized that when it comes to shaping his young son s moral fiber today s America is woefully lacking For millennia the world s great ethical and religious traditions have taught that true happiness lies in pursuing virtue and accepting limits But now unbound from these stubborn traditions we are free to choose whichever way of life we think is most optimal or more often than not merely the easiest All that remains are the fickle desires that a wealthy technologically advanced society is equipped to fulfill The result is a society riven by deep conflict and individual lives that for all their apparent freedom are marked by alienation and stark unhappiness In response to this crisis Ahmari offers twelve questions for us to grapple with twelve timeless fundamental queries that challenge our modern certainties Among them Is God reasonable What is freedom for What do we owe our parents our bodies one another Exploring each question through the lives and ideas of great thinkers from Saint Augustine to Howard Thurman and from Abraham Joshua Heschel to Andrea Dworkin Ahmari invites us to examine the hidden assumptions that drive our behavior and in doing so to live more humanely in a world that has lost its way

**Walk with Jesus Christ, the Truth 2'** 2008 (growing in Jesus Christ) , **Saints of Africa** Vincent J. O'Malley,

C.M.,2001-09-14 Over 117 million Catholics live in Africa almost twice as many as in the United States Is it any surprise that the saints of Africa number in the thousands They include three popes three Doctors of the Church eight Fathers of the Church thousands of martyrs hundreds of monks plus countless religious and lay leaders Yet how many of us can name even a handful of these saints Saints of Africa presents a cross section of these remarkable men and women From the earliest defenders of the Faith to twentieth century martyrs they bear witness to the remarkable sanctity of the world s second largest and second most populous continent Read the stories of these Christian heroes and heriones of African origin or African descent whose influence touches all of our lives      **The Fourteen Holy Helpers** ,1909 The stories and special intercessory powers of 14 early Saint Martyrs invoked for numerous special needs such that they came to be called The 14 Holy Helpers St Barbara St Blaise St Christopher St George St Catherine etc They are invoked against throat ailments lightning diabolical possession fire family troubles etc Includes prayers to each Saint This book links the present age to the earliest centuries of the Church Impr 112 pgs PB      **Stories from the Catechist** Canon,George Edward Howe,1989      **A Brief Catechism for Adults** William J. Cogan,1993-10 A Brief Catechism for Adults is a little masterpiece designed for convert instructions It was actually compiled from the notes of many Catholic priests who originally used the instructions from the first edition of the book with tens of thousands of converts Thus it represents the fruit of many minds For years it was practically the standard catechism in the U S and Canada for instructing people in the Catholic faith Packed with facts and written in short clear question and answer format accompanied by brief Scripture quotes the book is concise and to the point and shows exactly what one must believe and do in order to be saved Using ordinary language to explain theological truths it stresses what is required to form a correct Catholic conscience This book gives special emphasis to marriage since most people either save or lose their souls as married persons showing the duties people have as spouses and parents It includes also a list of common mortal sins the interior design of a Catholic church how to pray the Rosary popular saints names for Baptism and Confirmation familiar Catholic prayers and practical points on common questions that arise in an unbelieving world A Brief Catechism for Adults is an incredible one volume handbook on how to be a good Catholic that is at once perfect for inquirers but also excellent for adult cradle Catholics All Catholics need to know what is in this little book whereas unfortunately likely ninety nine percent today do not For simplicity readability interest and completion there is no book of its kind that comes close to A Brief Catechism for Adults      The lives of the fathers, martyrs, and other principal saints; compiled from original monuments, and other authentic records; illustrated with the remarks of judicious modern critics and historians Alban Butler,      **The Habit** Elizabeth Kuhns,2007-12-18 Curiosity about nuns and their distinctive clothing is almost as old as Catholicism itself The habit intrigues the religious and the nonreligious alike from medieval maidens to contemporary schoolboys to feminists and other social critics The first book to explore the symbolism of this attire The Habit presents a visual gallery of the diverse forms of religious clothing and explains the principles and traditions that

inspired them More than just an eye opening study of the symbolic significance of starched wimples dark dresses and flowing veils *The Habit* is an incisive engaging portrait of the roles nuns have and do play in the Catholic Church and in ministering to the needs of society From the clothing seen in an eleventh century monastery to the garb worn by nuns on picket lines during the 1960s habits have always been designed to convey a specific image or ideal The habits of the Benedictines and the Dominicans for example were specifically created to distinguish women who consecrated their lives to God other habits reflected the sisters desire to blend in among the people they served The brown Carmelite habit was rarely seen outside the monastery wall while the Flying Nun turned the white winged cornette of the Daughters of Charity into a universally recognized icon And when many religious abandoned habits in the 1960s and 70s it stirred a debate that continues today Drawing on archival research and personal interviews with nuns all over the United States Elizabeth Kuhns examines some of the gender and identity issues behind the controversy and brings to light the paradoxes the habit represents For some it epitomizes oppression and obsolescence for others it embodies the ultimate beauty and dignity of the vocation Complete with extraordinary photographs including images of the nineteenth century nuns silk bonnets to the simple gray dresses of the Sisters of Social Service this evocative narrative explores the timeless symbolism of the habit and traces its evolution as a visual reflection of the changes in society *The Living Church* ,1944 *The American Catholic Quarterly Review* ... ,1893
