Raymond L. M. Lee, Susan E. Ackerman

Modernism And Charisma Modernism And Charisma:

Modernism and Charisma A. Horvath, 2013-02-19 Looking at the relationship between modernity and the rise of charismatic leaders Agnes Horvath uses threshold situations to trace the conditions out of which political regimes developed The focus on rationalism and structure has led to a systematic neglect of uncertain liminal moments which gave new direction to societies and cultures

The Challenge of Religion after Modernity Raymond L. M. Lee, Susan E. Ackerman, 2018-05-08 This title was first published in 2003 If God has departed as Baudrillard claims is religion still relevant A new religious landscape is appearing in the new millennium The middle classes with their electronic technologies are producing a culture of commodified images and signs that is radically transforming the religious landscape and re enchanting the world Ecstatic experiences pervade the reenchanting world Both fundamentalism and the New Age movement promote the free flow of charisma reshaping religion in unforeseen directions Analysing the crisis of modernity this book delves into the intricacies of these movements to examine the implications of religious change in the new millennium The authors provide an incisive assessment of religious change in the West and Asia to suggest an eclecticism in re enchantment that will usher in new ideas about charisma consciousness and spirituality These ideas focus on new forms of shamanism that point the way to experiences of empowerment beyond the structures of disenchantment

The Genesis of Modernity Arpad Szakolczai, 2013-01-11 The Genesis of Modernity reconstructs the ideas of three of the most important social and political theorists of the Twentieth Century Max Weber Michel Foucault and Eric Voegelin on the distant roots and sources of modernity Drawing upon the conceptual tools of social theory and political philosophy complimented by approaches based in the fields of anthropology comparative mythology and the history of ancient philosophy this book will prove to be a timely and valuable contribution to this developing area bringing together the ideas of a group of social and political theorists whose work so far has remained largely unconnected This book will be essential reading for academics and advanced students concerned with social theory political theory sociology history and philosophy

Maturity and Modernity David Owen, 2013-04-15 Maturity and Modernity is the first book to analyze Nietzsche Weber and Foucault as a tradition of theorising and to chart the development of genealogy as a mode of critique It provides clear accounts of the main ideas of Nietzsche Weber and Foucault as well as a useful Glossary and illustrates the relations between these thinkers at methodological substantive and political levels

Max Weber, Rationality and Modernity Sam Whimster, Dr Scott Lash, 2014-04-04 This book brings together leading figures in history sociology political science feminism and critical theory to interpret evaluate criticize and update Weber's legacy In a collection of specially commissioned pieces and translated articles the Weberian scholarship recognizes Max Weber as the figure central to contemporary debates on the need for societal rationality the limits of reason and the place of culture and conduct in the supposedly post religious age In Part 1 Wolfgang Mommsen Wilhelm Hennis Guenther Roth and Wolfgang Schluchter provide a full and varied account of the theme

of rationalization in the world civilizations In Part 2 Pierre Bourdieu and Barry Hindess critically examine Weber's social action model and Johannes Weiss and Martin Albrow address the putative crisis of Western rationality In Part 3 Jeffrey Alexander Ralph Schroeder Bryan Turner Roslyn Bologh and Sam Whimster scrutinize Weber's understanding of modernity with its characteristic plurality of gods and demons they focus on its implications for individuality and personality the body and sexuality feminism and aesthetic modernism Part 4 turns to politics law and the state in the contemporary world Colin Gordon on liberalism Luciano Cavalli on charismatic politics Stephen Turner and Regis Factor on decisionism and power and Scott Lash on modernism substantiate rationality and law This book was first published in 1987 **Aspirations for**

Modernity and Prosperity Zainal Abidin Bagir, Christine E. Gudorf, Marthen Tahun, 2016-12-31 Indonesia is the largest Muslim majority nation in the world and at the same time has a growing Pentecostal Charismatic movement gaining more public attention both for its size and wealth Building on two years of research thousands of member surveys and visits to almost 300 churches this book gives insights into the reasons for its growth It explores the characteristics of the growing community and its social relations with other Christian communities as well as Muslims in Indonesia Religion and Modernity Detlef Pollack, Gergely Rosta, 2017-12-08 This is not a book that provides a new integrated theory of religious change in modern societies but rather one that develops theoretical elements that contribute to the understanding of some contemporary religious developments Most of the approaches in sociology of religion are prone to emphasise either processes of religious decline or of religious upswing For example secularization theory usually includes a couple of relevant factors such as functional differentiation economic affluence or social equality in order to account for religious change However the result of such a theory's empirical analyses seems to be certain in advance namely that the social relevance of religion is decreasing In contrast the religious market model devised by sociologists of religion in the US is inclined to detect everywhere processes of religious upsurge Religion and Modernity An International Comparison avoids a purely theoretically based perspective on religious changes For this reason Detlef Pollack and Gergely Rosta do not begin with theoretical propositions but with questions The authors raise the question of how the social significance of religion in its various facets has changed in modern societies and explain what factors and conditions have contributed to these changes History and Modernity in the Thought of Thomas Hobbes Robert Kraynak, 2019-05-15 Robert Kraynak offers a radical reinterpretation of the political thought of Thomas Hobbes and a new assessment of Hobbes's contribution to the origins and problems of modernity The author argues that it is necessary to examine a neglected facet of Hobbes's thought his writings on history especially Behemoth his lengthy study of the English Civil War Through a close reading of these works Kraynak shows how Hobbes came to consider the possibility of a new kind of political science one that is supremely confident of the power of critical reason to overcome the authorities of the past to build a new form of civilization yet uncertain about reason's foundations **The Struggle for Modernity** Emilio Gentile, 2003-11-30 During the 20th century Italy experienced some

regrettable political developments It was the first European nation after World War I in which a mass militia party of revolutionary nationalism achieved power and abolished parliamentary democracy with the goal of building a totalitarian state It was also the first in Europe to institutionalize the sacralization of politics and to celebrate officially the cult of the leader as a demi God These achievements were not accidents Since the beginning of the 20th century Italian nationalist movements from the national radicalism of La Voce to futurist nationalism and fascism fostered one of the strongest waves of European right wing radicalism The confrontation between nationalism and modernity is one of the main keys to understanding to the permutations of Italian radical nationalism from modernist avant gardes up to the fascist regime This book analyzes the ideological undercurrents and cultural myths that unite all these movements Looking at Italian nationalism from its risorgimento roots to the neo fascist heritage Gentile considers the relationship between myth and organization in the making of the fascist state the role of the party the liturgy of mass politics in Italy the fascist organizations abroad and the attitude of fascist culture toward the United States

The Dark Side of Modernity Jeffrey C. Alexander, 2013-04-25 In this book one of the world s leading social theorists presents a critical alarmed but also nuanced understanding of the post traditional world we inhabit today Jeffrey Alexander writes about modernity as historical time and social condition but also as ideology and utopia The idea of modernity embodies the Enlightenment s noble hopes for progress and rationality but its reality brings great suffering and exposes the destructive impulses that continue to motivate humankind Alexander examines how twentieth century theorists struggled to comprehend the Janus faced character of modernity which looks backward and forward at the same time Weber linked the triumph of worldly asceticism to liberating autonomy but also ruthless domination describing flights from rationalization as systemic and dangerous Simmel pointed to the otherness haunting modernity even as he normalized the stranger Eisenstadt celebrated Axial Age transcendence but acknowledged its increasing capacity for barbarity Parsons heralded American community but ignored modernity s fragmentations Rather than seeking to resolve modernity s contradictions Alexander argues that social theory should accept its Janus faced character It is a dangerous delusion to think that modernity can eliminate evil Civil inclusion and anti civil exclusion are intertwined Alexander enumerates dangerous frictions endemic to modernity but he also suggests new lines of social amelioration and emotional repair

Charismatics and Postmodernity Jitesh K. Patel, 2025-09-05 Is charismatic renewal a bit too much like postmodernism With its multiple ways of knowing what is true touchy feely and pragmatic with an emphasis on personal story and community why does it look like something dreamt up by postmoderns longing for a church befitting their ideals This book explores these questions by investigating an example of charismatic renewal the Charismatic Movement in the Church of England leading to some surprising results Appearances can be deceiving and what seems postmodern about charismatic renewal is a complex mix of modernism reactions to modernism and a longing to go back to a time before modernism reared its head Jitesh Patel helps show how renewal s ongoing life has much still to contribute to the wider

church's life once it recognizes the strengths and weaknesses of how it has formed in the context of modernism and the chapters herein illuminate what its future could look like as a result

The Many Altars of Modernity Peter L. Berger, 2014-09-11 This book is the summation of many decades of work by Peter L. Berger, an internationally renowned sociologist of religion. Secularization theory, which saw modernity as leading to a decline of religion, has been empirically falsified. It should be replaced by a nuanced theory of pluralism. In this new book, Berger outlines the possible foundations for such a theory, addressing a wide range of issues spanning individual faith, interreligious societies, and the political order. He proposes a conversation around a new paradigm for religion and pluralism in an age of multiple modernities. The book also includes responses from three eminent scholars of religion: Nancy Ammerman, Detlef Pollack, and Fenggang Yang.

Political Theology & Early Modernity Graham Hammill, Julia Reinhard Lupton, 2024-05-31 Political theology is a distinctly modern problem, one that takes shape in some of the most important theoretical writings of the twentieth and twenty-first centuries. But its origins stem from the early modern period in medieval iconographies of sacred kinship and the critique of traditional sovereignty mounted by Hobbes and Spinoza. In this book, Graham Hammill and Julia Reinhard Lupton assemble established and emerging scholars in early modern studies to examine the role played by sixteenth and seventeenth-century literature and thought in modern conceptions of political theology. *Political Theology and Early Modernity* explores texts by Shakespeare, Machiavelli, Milton, and others that have served as points of departure for such thinkers as Schmitt, Strauss, Benjamin, and Arendt. Written from a spectrum of positions ranging from renewed defenses of secularism to attempts to reconceive the religious character of collective life and literary experience, these essays probe moments of productive conflict, disavowal, and entanglement in politics and religion as they pass between early modern and modern scenes of thought. This stimulating collection is the first to answer not only how Renaissance and baroque literature help explain the persistence of political theology in modernity and postmodernity, but also how the reemergence of political theology as an intellectual and political problem deepens our understanding of the early modern period.

The Charismatic Leadership Phenomenon in Radical and Militant Islamism Haroro J. Ingram, 2016-03-23 Haroro J. Ingram journeys through over a century of history from the Islamist modernists of the late 1800s into the 21st century in the first full-length examination of the charismatic leadership phenomenon in Islamist radicalism and militancy. Exhaustively researched and founded upon a suite of innovative multidisciplinary paradigms, this book features case studies of Hassan al-Banna, Sayyid Qutb, Abdullah Azzam, Osama Bin Laden, and Anwar al-Awlaki. At a micro level, Ingram argues that charismatic leaders act as vehicles for the evolution of modern Islamist radicalism and militancy. At a macro level, he argues that the transformative charisma phenomenon in Islamist radicalism and militancy produces complex chains of charismatic leaders as individual figures rise by leveraging to varying degrees the charismatic capital of preceding charismatic leaders. Within these case studies, Ingram offers new approaches to understanding the nuances of these complex phenomena from his ideal types of charismatic

leadership in Islamist militancy spiritual guides charismatic leaders and neo charismatic leaders to his framing of al Qaeda as a charismatic adhocracy The result is an authoritative analysis of a phenomenon largely ignored by scholars of both charismatic leadership and Islamism Ultimately this ground breaking investigation offers important insights into the complex nuances that drive the rise and evolution of not only Islamist militancy but radical and militant groups more broadly

Organising Modernity John Law,1993-12-08 In this important theoretical and empirical statement John Law argues against the purity of post enlightenment political and social theory and offers an alternative post modern sociology Arguing in favor of a sociology of verbs he suggests that power organizations mind body dualisms and macro micro distinctions may all be understood as the local performance of recursive modes of social ordering Drawing on a range of theoretical traditions including actor network theory verstehende sociology and the writing of Michel Foucault he explores the production of materials including agents and architectures and their importance for these modes of ordering The book which draws on organizational ethnography to develop its argument is essential reading for all those interested in social theory materialism or the sociology of organizations at the end of the era of high modernity

Fascism, Aviation and Mythical Modernity Fernando Esposito,2015-09-29 Flying and the pilot were significant metaphors of fascism s mythical modernity Fernando Esposito traces the changing meanings of these highly charged symbols from the air show in Brescia to the sky above the trenches of the First World War to the violent ideological clashes of the interwar period

In Defense of Charisma Vincent W. Lloyd,2018-03-13 Martin Luther King Jr has charisma as does Adolf Hitler So do Brad Pitt Mother Teresa and many a high school teacher Charisma marks or masks power it legitimates but also attracts suspicion Sociologists often view charisma as an irrational unstable source of authority superseded by the rational bureaucratic legitimacy of modernity Yet charisma endures in the modern world perhaps it is reinvigorated in the postmodern as the notoriety of celebrities politicians and New Age gurus attests Is charisma a tool of oppression or can it help the fight against oppression Can reexamining the concept of charisma teach us anything useful about contemporary movements for social justice In Defense of Charisma develops an account of moral charisma that weaves insights from politics ethics and religion together with reflections on contemporary culture Vincent W Lloyd distinguishes between authoritarian charisma which furthers the interests of the powerful naturalizing racism patriarchy and elitism and democratic charisma which prompts observers to ask new questions and discover new possibilities At its best charisma can challenge the way we see ourselves and our world priming us to struggle for justice Exploring the biblical Moses alongside Charlton Heston s performance in The Ten Commandments the image of Martin Luther King Jr together with tweets from the Black Lives Matter movement and the novels of Harper Lee and Sherman Alexie juxtaposed with the writings of Emmanuel Levinas In Defense of Charisma challenges readers to turn away from the blinding charisma of celebrities toward the humbler moral charisma of the neighbor colleague or relative

Twentieth Century Music and the Question of Modernity Eduardo de la Fuente,2010-09-13 In the first decade of the

twentieth century many composers rejected the principles of tonality and regular beat This signaled a dramatic challenge to the rationalist and linear conceptions of music that had existed in the West since the Renaissance The break with tonality Neo Classicism serialism chance minimalism and the return of the sacred in music are explored in this book for what they tell us about the condition of modernity Modernity is here treated as a complex social and cultural formation in which mythology narrative and the desire for re enchantment have not completely disappeared Through an analysis of Schoenberg Stravinsky Boulez and Cage the author shows that the twentieth century composer often adopted an artistic personality akin to Max Weber s religious types of the prophet and priest ascetic and mystic Twentieth Century Music and the Question of Modernity advances a cultural sociology of modernity and shows that twentieth century musical culture often involved the adoption of apocalyptic temporal narratives a commitment to musical revolution a desire to explore the limits of noise and sound and finally redemption through the rediscovery of tonality This book is essential reading for those interested in cultural sociology sociological theory music history and modernity modernism studies *Professional Women in South African Pentecostal Charismatic Churches* Maria Frahm-Arp,2010-04-06 This book gives a unique insight into the changing shape of contemporary religion examining the new role that Pentecostal Charismatic Christianity plays in the lives of young professional black women who are enjoying career success and becoming part of South Africa s new middle class Amongst these women an interesting relationship has emerged between work and religion as they feel that the social networks and self confidence they gain from their religious communities are as important as their spiritual experiences But not all the women who join these churches remain and this book explores why some women leave the churches in which they had previously felt they gained so much **Charismatic Christianity** Stephen J. Hunt,Tony Walter,Malcolm Hamilton,2016-07-27 The charismatic movement has a high profile in contemporary Christianity The book s contributors include insiders and outsiders charismatics and sociologists with Britain as their focus they trace the movement s international connections historical development and variety The book provides a wealth of information and analysis which will interest both those within the movement and students of religion wanting to know more about it

Modernism And Charisma Modernism And Charisma Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Modernism And Charisma Modernism And Charisma free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Modernism And Charisma Modernism And Charisma free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Modernism And Charisma Modernism And Charisma free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source

before downloading Modernism And Charisma Modernism And Charisma. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Modernism And Charisma Modernism And Charisma any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Modernism And Charisma Modernism And Charisma Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
